

FREE GUIDE TO SELLING ON

Teachers pay Teachers

WELCOME!

Hi Mrs. Katarina Popovic, in my professional life, I am a teacher, TpT seller and business mentor. Since starting my TpT in 2009, I have learned a LOT about selling teaching resources online and the community of educators that support each other out there.

Ever found yourself on TpT wondering how much there is out there? I think I could do this...

I started my TpT store because I was feeling guilty about my own money on teaching. I thought, "If I could just make \$500/month, I wouldn't be a teacher anymore." Little did I know, it would be so much more than that.

At the time, I started my TpT store, I spent hours researching, listening to podcasts, webinars - anything I could do on.

But this together so you don't do the dirty work. If you're here, that you are in the right place. Success has changed my life. I'm ready. It will change yours.

Let's go.
