Sharpening The Warriors Edge:

Sharpening the Warrior's Edge Bruce K. Siddle, 1995 Sharpening the Warrior's Edge is the first text which examines survival and combat performance from a scientific perspective Author Bruce K Siddle methodically brings together one hundred years of research which identifies the relationship between survival stress the heart rate and combat performance Most importantly Siddle explores the psychological and spiritual components which establish the warrior mindset This pioneering text is a must read for present day warriors or anyone involved in use of force combat or martial arts training

The Servant Warrior Kevin McInnes, 2013-11 The Servant Warrior was written to be an encouragement to all who already are in law enforcement are considering law enforcement as a career and those who care about those in law enforcement The Servant Warrior challenges the view that faith in God is a weakness or that there can't be a loving God in a world gone mad sometimes Faith is a strength and supports the career of law enforcement God cares deeply about this profession provides direct proof of his support and provides guidance to those who follow this calling As our Heavenly Father he says I approve of who you are As a Servant Warrior we are invited to two distinct roles One is to serve the public well and the other is to be a warrior in the face of evil to protect the public from evil The Servant Warrior explores these roles from a Biblical perspective The Servant Warrior looks at the role of leadership maintaining wellness and the importance of a committed marriage partner as a support mechanism for those in law enforcement

On Combat Dave Grossman, Loren W. Christensen, 2022-08-09 The director of the Killology Research Group shares a thorough examination of the emotional and physical effects of deadly conflict Kirkus Reviews On Combat examines the stress resulting from engaging in deadly battle and its effects on the human body from the heart and the nervous system to visual and auditory perception to memory The historical perspective on the evolution of combat provided in this text further deepens our understanding of the brave men and women who train their minds and bodies to go to that place from which others flee Lt Col Dave Grossman a war veteran and former West Point psychology professor presents combat coping strategies demonstrating how one can train the mind to be inoculated against stress fear and even pain This fresh and informative look at post traumatic stress disorder PTSD details how to prevent it how to survive it how to come out of it stronger and how to help others who are experiencing it Grossman underscores the importance of post combat debriefing when warriors gather to share learn from each other and begin to heal from the horror Based on extensive new research Grossman's findings are supported by revealing quotes and anecdotes from combat veterans and other leaders in the warrior community

Warrior Mindset Michael Asken, Dave Grossman, Loren W. Christensen, 2022-09-20 This practical guide teaches readers to meet stressful or dangerous situations with a combat ready mentality In high stress situations especially ones where lives are on the line mental toughness is essential But while many agree on the importance of this psychological skill set few ever provide practical training in how to achieve it Warrior Mindset explains concrete steps and techniques to develop a survival mindset and hardened focus This book offers an in

depth analysis of the subject Describing the importance of mental toughness and presenting a method for readying the mind for combat this text can help foster skills that will optimize performance success and survival in the field Warrior Mind Dick Morgan,2009-03-04 Warrior Mind is a guide to understanding and developing the warriors essential mind set Warrior mind has three components The first is inner strengththe development of unassailable integrity clear intent and unwavering tenacity The second is a thorough understanding of the principles of strategycorrect movement and balance proper angles proper timing and proper entry The thirdis acquiring body intelligence a spontaneous flow of movement in response to an attack without having to think about it Eventually thought and movement become one expression Warrior Mind is also a guide to a strong and proactive approach to life itself The principles that strengthen the warrior mind set also empower and enrich ones life whether or not one is involved in a martial study In fact the goal of developing warrior mind is to become so internally strong that we discourage and minimize the violence around us Ultimately achieving warrior mind is a spiritual journey **Federal Probation** ,1996 The Combat Position Christopher Brennan,2011 Firefighting is combat and should be viewed as a warrior s calling Firefighters put themselves in harm s way to protect others a selflessness rooted in the same noble drive as the military warriors who defend our nation This book about combat is meant to be a guide for those who seek to follow a warrior s path the path of the fire service warrior Today s firefighter must be a warrior who will unflinchingly put his very life in harm s way to accomplish a mission but who is also fully informed about the path being chosen Embracing the philosophy of the fire service warrior and striving for the ready position the synthesis of physical and mental readiness that allows for optimum fireground performance can reduce firefighter injuries and fatalities The Combat Position Achieving Firefighter Readiness will be an invaluable tool for firefighters company officers chief officers and instructors *Defensive Tactics for Today's Law Enforcement* Stephen K. Hayes,Joe Niehaus,2016-11-30 Few of the many defensive tactics books on the market include the training and methods of martial arts Drawing on the centuries old techniques of Ninjutsu Defensive Tactics for Today s Law Enforcement offers alternatives to the traditional police defensive tactics taught to most officers This text stresses relying on natural tendencies in a violent encounter to ensure officer safety and to better utilize the techniques and training officers do receive By integrating existing training with martial arts expertise Defensive Tactics provides officers access a full complement of techniques to better navigate physical conflict safely and effectively Intended for law enforcement practitioners as well as practitioners of any other professions that present a personal security risk Defensive Tactics for Today s Law Enforcement will better equip readers with a diverse range of defensive tactics **Leadership in Dangerous Situations, 2nd Edition** Patrick Sweeney,Michael D.
