PUBLISHER CATHOLIC WAY PUBLISHING *And On and On the Ages Roll* J. H. Bavinck, 2019-07-30 Scripture testifies that in the work of Jesus Christ the power of Satan sin and death has been broken Yet on and on the ages roll and wars rage humans destroy one another and themselves and natural evils such as earthquakes and tsunamis occur We seem to suffer what J H Bavinck calls the great delay still awaiting Christ's final victory In this illuminating survey of the book of Revelation Bavinck examines the status of the church and the world in the times of the end but before the final finish Bavinck suggests the church is based on its mission to show the way of God and share his good news in the world This mission occurs in a world claimed by Christ's victory but still marked by the demonic and human hubris Revelation is a literature that discloses the church's perennial challenges in a time claimed and won by Christ yet still resistant to his lordship The book peels back the veil to expose a battle not only on earth but in the heavens and assures the sometimes faltering church that it is not forgotten and Christ's victory is certain Bavinck centers his account of Revelation in its chapter 12 the strange woman who is crowned and yet haunted and hunted driven to the edge of civilization He sees in this woman the bearer of a child a figure of the church that bears its child and Lord Jesus Christ Like the woman the church in these times between the times is both crowned as God's royalty and often scorned by the world

Jerusalem Michael Zank, 2018-07-16 Provides a short accessible and lively introduction to Jerusalem Jerusalem A Brief History shows how Jewish Christian and Islamic scriptures confer providential meaning to the fate of the city and how modern Jerusalem is haunted by waves of biblical fantasy aiming at mutually exclusive status quo rectification It presents the major epochs of the history of Jerusalem's urban transformation inviting readers to imagine Jerusalem as a city that is not just sacred to the many groups of people who hold it dear but as a united unharmed place that is in this sense holy Jerusalem A Brief History starts in modern Jerusalem giving readers a look at the city as it exists today It goes on to tell of its emergence as a holy city in three different ways focusing each time on another aspect of the biblical past Next it discusses the transformation of Jerusalem from a formerly Jewish temple city condemned to oblivion by its Roman destroyers into an imperially sponsored Christian theme park and the afterlife of that same city under later Byzantine and Muslim rulers Lastly the book returns to present day Jerusalem to examine the development of the modern city under the Ottomans and the British the history of division and reunification and the ongoing jostling over access to and sovereignty over Jerusalem's contested holy places Offers a unique integration of approaches including urban history the rhetoric of power the history of art and architecture biblical hermeneutics and modern Middle Eastern Studies Places great emphasis on how Jerusalem is a real city where different people live and coexist Examines the urban transformation that has taken place since late Ottoman times Utilizes numerous line drawings to demonstrate how its monumental buildings created to illustrate an alliance of divine and human power are in fact quite ephemeral transient and fragile Jerusalem A Brief History is a comprehensive and thoughtful introduction to the Holy City that will appeal to any student of religion and or history
