rushes of California and the Klondike Wages erupted so that men labouring in the iron works or mining coal from the local pits earned three or four times what an agricultural worker did Employment at Witton Park brought unparalleled wealth to many ordinary people but for others it brought misery Bouts of excessive drinking and addiction to gambling resulted in domestic violence and ruin to some And life in such close proximity also brought to a head ingrained religious differences that festered just below the surface Paradise attracted hard men good and bad It became home to thousands who lived loved and laboured for a better life They built a village and set down roots in the iron hard ground roots that hold together still
