Looking Glasses And Neverlands Lacan Desire And Subjectivity In Childrens Literature

Annette Wannamaker

Looking Glasses And Neverlands Lacan Desire And Subjectivity In Childrens Literature:

Looking Glasses and Neverlands Karen Coats, 2004-04 A Choice Outstanding Academic Title This groundbreaking study introduces and explores Lacan's complex theories of subjectivity and desire through close readings of canonical children's books such as Charlotte's Web Stellaluna Holes Tangerine and The Chocolate War providing an introduction to an increasingly influential body of difficult work while making the claim that children's textual encounters are as significant as their existential ones in constituting their subjectivities and giving shape to their desires Looking Glasses and Neverlands: Lacan, Desire and Subjectivity in Children's Literature Karen Coats, 2004 **The Oxford Handbook of**

Children's Literature Julia Mickenberg, Lynne Vallone, 2012-11-29 Remarkably well researched the essays consider a wide range of texts from the U S Britain and Canada and take a variety of theoretical approaches including formalism and Marxism and those related to psychology postcolonialism reception feminism queer studies and performance studies This collection pushes boundaries of genre notions of childhood Choice Back cover of book **Robinson Crusoe after 300**

Years Andreas K. E. Mueller, Glynis Ridley, 2021-04-16 There is no shortage of explanations for the longevity of Defoe's Robinson Crusoe which has been interpreted as both religious allegory and frontier myth with Crusoe seen as an example of the self-sufficient adventurer and the archetypal colonizer and capitalist Defoe's original has been reimagined multiple times in legions of Robinsonade or castaway stories but the Crusoe myth is far from spent This wideranging collection brings together eleven scholars who suggest new and unfamiliar ways of thinking about this most familiar of works and who ask us to consider the enduring appeal of Crusoe more recognizable today than ever before **The Early Reader in Children's**

Literature and Culture Jennifer Miskec, Annette Wannamaker, 2015-12-22 This is the first volume to consider the popular literary category of Early Readers books written and designed for children who are just beginning to read independently It argues that Early Readers deserve more scholarly attention and careful thought because they are for many younger readers their first opportunity to engage with a work of literature on their own to feel a sense of mastery over a text and to experience pleasure from the act of reading independently Using interdisciplinary approaches that draw upon and synthesize research being done in education child psychology sociology cultural studies and children's literature the volume visits Early Readers from a variety of angles as teaching tools as cultural artifacts that shape cultural and individual subjectivity as mass-produced products sold to a niche market of parents educators and young children and as aesthetic objects works of literature and art with specific conventions Examining the reasons such books are so popular with young readers as well as the reasons that some adults challenge and censor them the volume considers the ways Early Readers contribute to the construction of younger children as readers thinkers consumers and as gendered raced classed subjects It also addresses children's texts that have been translated and sold around the globe examining them as part of an increasingly transnational children's media culture that may add to or supplant regional ethnic and national children's literatures and cultures While

this collection focuses mostly on books written in English and often aimed at children living in the US it is important to acknowledge that these Early Readers are a major US cultural export influencing the reading habits and development of children across the globe The Hidden Adult Perry Nodelman,2008-09-30 What exactly is a children's book How is children's literature defined as a genre A leading scholar presents close readings of six classic stories to answer these questions and offer a clear definition of children's writing as a distinct literary form Perry Nodelman begins by considering the plots themes and structures of six works The Purple Jar Alice in Wonderland Dr Doolittle Henry Huggins The Snowy Day and Plain City all written for young people of varying ages in different times and places to identify shared characteristics He points out markers in each work that allow the adult reader to understand it as a children's story shedding light on ingrained adult assumptions and revealing the ways in which adult knowledge and experience remain hidden in apparently simple and innocent texts Nodelman then engages a wide range of views of children's literature from authors literary critics cultural theorists and specialists in education and information sciences Through this informed dialogue Nodelman develops a comprehensive theory of children's literature exploring its commonalities and shared themes The Hidden Adult is a focused and sophisticated analysis of children's literature and a major contribution to the theory and criticism of the genre

Global Perspectives on Death in Children's Literature Lesley D. Clement,Leyli Jamali,2015-07-30 This volume visits death in children's literature from around the world making a substantial contribution to the dialogue between the expanding fields of Childhood Studies Children's Literature and Death Studies Considering both textual and pictorial representations of death contributors focus on the topic of death in children's literature as a physical reality a philosophical concept a psychologically challenging adjustment and or a social construct Essays covering literature from the US Mexico El Salvador Guatemala Canada the UK Sweden Germany Poland Bulgaria Brazil Czechoslovakia the Soviet Union India and Iran display a diverse range of theoretical and cultural perspectives Carefully organized sections interrogate how classic texts have been adapted for the twenty first century how death has been politicized ritualized or metaphorized and visual strategies for representing death and how death has been represented within the context of play Asking how different cultures present the concept of death to children this volume is the first to bring together a global range of perspective on death in children's literature and will be a valuable contribution to an array of disciplines

Boys in Children's Literature and Popular Culture Annette Wannamaker,2012-09-10 Boys in Children's Literature and Popular Culture proposes new theoretical frameworks for understanding the contradictory ways masculinity is represented in popular texts consumed by boys in the United States The popular texts boys like are often ignored by educators and scholars or are simply dismissed as garbage that boys should be discouraged from enjoying However examining and making visible the ways masculinity functions in these texts is vital to understanding the broad array of works that make up children's culture and form dominant versions of masculinity Such popular texts as Harry Potter Captain Underpants and Japanese manga and anime often perform rituals of

subject formation in overtly grotesque ways that repulse adult readers and attract boys They often use depictions of the abject threats to bodily borders to blur the distinctions between what is outside the body and what is inside between what is I and what is not I Because of their reliance on depictions of the abject those popular texts that most vigorously perform exaggerated versions of masculinity also create opportunities to make dominant masculinity visible as a social construct

Childhood and Innocence in American Culture James M. Curtis, 2023-08-01 This collection argues that the romanticized conflation of childhood and innocence in American culture has been on a steady decline at least since the 1960s largely due to postmodern critiques of overarching narratives involving both the child and the innocence of childhood Additionally this collection highlights and analyzes examples of children's literature and culture throughout the 20th century and into the 21st which pointedly defy traditional idealized notions of childhood Such an analysis serves to reiterate the idea that the romanticized notion of childhood which has pervaded American culture for over two centuries is little more than a cultural construction that bears little to no resemblance to the actual lived experience of American children

The Impossible Return - Psychoanalytic Reflections on Breast Cancer, Loss, and Mourning Anna Fishzon, 2025-08-07 The Impossible Return Psychoanalytic Reflections on Breast Cancer Loss and Mourning is a work of creative nonfiction and autotheory It is part cancer memoir part psychoanalytic theorizing and part history of late Soviet Ukraine Anna Fishzon's personal narrative is interspersed with interludes exploring other reconstructions Chernobyl's sarcophagus the perestroika years as well as psychoanalytic reflections on anxiety prosthesis hypochondria and tattooing The authorial voice is intentionally polyphonic elegiac humorous at times academic and philosophical Each chapter is set in the context of the writing process with discussion of the Covid 19 pandemic and war in Ukraine The prologue examines the psychoanalyst's bodily presence in treatment and includes clinical vignettes that discuss the impact of remote therapy sessions during lockdown and an epilogue provides a meditation on repetition compulsion and the impossibility of mourning fully Through theoretical and personal reflections on mourning and recovery after catastrophic collapses of psyche body and place this book makes original contributions to psychoanalysis Slavic and cultural studies trauma studies film criticism and history This unique work will be relevant to readers interested in psychoanalytic studies cancer and disability studies and critical theory and academics of autotheory and memoir

Looking Glasses And Neverlands Lacan Desire And Subjectivity In Childrens Literature Book Review: Unveiling the Power of Words
