

HOW GOVERNMENTS GAIN AND LOSE LEGITIMACY

Losing Legitimacy

Fang Deng

Losing Legitimacy:

Unintended Outcomes of Social Movements Fang Deng, 2014-03-18 Why did the 1989 Chinese student movement end in violent confrontation at Tiananmen Square despite the fact that both the Chinese government and the students very much wanted to avoid violence This puzzle which lies at the heart of the tragic events at Tiananmen is addressed here from a fresh perspective that sheds new insight into these dramatic events Throughout *Unintended Outcomes in Social Movements* Deng applies the formal methods of game theory to elucidate some of the contingent strategic decision making by both sides in a social movement state confrontation and how those decisions can and did lead to an unintended outcome In identifying the necessary cause of the Tiananmen tragedy namely a newly created social system with four highly specific properties this book provides the first adequate explanation of the Tiananmen events Because of this it stands to make a significant stride toward convincing students of political conflict of the explanatory power of formal game theoretic models This book is an excellent source of reference for both undergraduate and postgraduate students in areas including Chinese politics social movements game theory economics and social theory

Advances in Group Processes Will Kalkhoff, Shane R. Thye, Edward J. Lawler, 2022-10-27 *Advances in Group Processes* Volume 39 brings together papers related to a variety of topics in small groups and organizational research reflecting a wide range of theoretical approaches from leading scholars who work in the general area of group processes

Encyclopedia of Criminological Theory Francis T. Cullen, Pamela Wilcox, 2010-09-23 Consistently excellent The level and coverage of the content make this an invaluable reference for students studying criminology or taking criminal psychology modules at degree level and beyond Adam Toccock Reference Reviews In discussing a criminology topic lecturers and course textbooks often toss out names of theorists or make a sideways reference to a particular theory and move on as if assuming their student audience possesses the necessary background to appreciate and integrate the reference However university reference librarians can tell you this is often far from the case Students often approach them seeking a source to provide a quick overview of a particular theory or theorist with just the basics the who what where how and why if you will And reference librarians often find it difficult to guide these students to a quick one stop source In response SAGE Reference is publishing the two volume *Encyclopedia of Criminological Theory* available in both print and electronic formats This serves as a reference source for anyone interested in the roots of contemporary criminological theory Drawing together a team of international scholars it examines the global landscape of all the key theories and the theorists behind them presenting them in the context needed to understand their strengths and weaknesses In addition to interpretations of long established theories it also offers essays on cutting edge research as one might find in a handbook And like an unabridged dictionary it provides concise to the point definitions of key concepts ideas schools and figures Coverage will include contexts and concepts in criminological theory the social construction of crime policy implications of theory diversity and intercultural contexts conflict theory rational choice theories conservative

criminology feminist theory The SAGE Handbook of Criminological Theory Eugene McLaughlin, Tim Newburn, 2010-07-21 An indispensable international resource The SAGE Handbook of Criminological Theory provides readers with a clear overview of criminological theory enabling them to reflect critically upon the traditional emergent and desirable theoretical positions of the discipline This handbook is essential for libraries and scholars of all levels studying the rapidly developing interdisciplinary field of criminology

Prosecuting War Crimes James Gow, Rachel Kerr, Zoran Pajic, 2013-09-23 This volume examines the legacy of the International Criminal Tribunal for the former Yugoslavia ICTY which was created under Chapter VII of the UN Charter as a mechanism explicitly aimed at the restoration and maintenance of international peace and security As the ICTY has now entered its twentieth year this volume reflects on the record and practices of the Tribunal Since it was established it has had enormous impact on the procedural jurisprudential and institutional development of international criminal law as well as the international criminal justice project This will be its international legacy but its legacy in the region where the crimes under its jurisdiction took place is less clear research has shown that reactions to the ICTY have been mixed among the communities most affected by its work Bringing together a range of key thinkers in the field Prosecuting War Crimes explores these findings and discusses why many feel that the ICTY has failed to fully engage with people's experiences and meet their expectations This book will be of much interest to students of war crimes international criminal law Central and East European politics human rights and peace and conflict studies

The China Crisis James R. Gorrie, 2013-05-08 A controversial look at the impending Chinese economic collapse the history behind it its contemporary causes and its dire implications for the global economy All the experts agree the 21st century belongs to China Given America's looming insolvency and the possibility of the collapse of the U S dollar who can doubt that China is poised to take over the role of economic superpower Written by political economist and leading financial journalist James Gorrie this book offers a highly controversial contrarian view of contemporary China Drawing upon a wealth of historical and up to the minute data Gorrie makes a strong case that China itself is on the verge of an economic crisis of epic proportions He explains how caught in a recurrent boom bust cycle that has played itself out several times over the past sixty years China is again approaching total economic and social collapse But with one important difference this time they may very well take the entire global economy down with them Explores the Chinese communist party's unfortunate history of making costly and very bloody mistakes on an enormous scale One by one Gorrie analyzes those critical mistakes and explains how they may lead to economic collapse in China and global depression Describes Chinese cannibal capitalism and where its massive abuse of the country's environment people and arable lands is leading that country and the world economy Chronicles China's history of recurring economic crisis and explains why all the evidence suggests that history is about to repeat itself Stacie E. Goddard, 2009-11-04 This book challenges the conventional wisdom that territorial conflicts in Jerusalem and Northern Ireland were inevitable Stacie Goddard's research shows that it was radical political rhetoric and not ancient hatreds that

rendered these territories indivisible preventing negotiation and compromise and leading to violence and war

Electoral Violence, Corruption, and Political Order Sarah Birch, 2020-07-21 A comprehensive look at how violence has been used to manipulate competitive electoral processes around the world since World War II Throughout their history political elections have been threatened by conflict and the use of force has in the past several decades been an integral part of electoral processes in a significant number of contemporary states However the study of elections has yet to produce a comprehensive account of electoral violence Drawing on cross national data sets together with fourteen detailed case studies from around the world Electoral Violence Corruption and Political Order offers a global comparative analysis of violent electoral practices since the Second World War Sarah Birch shows that the way power is structured in society largely explains why elections are at risk of violence in some contexts but not in others Countries with high levels of corruption and weak democratic institutions are especially vulnerable to disruptions of electoral peace She examines how corrupt actors use violence to back up other forms of electoral manipulation including vote buying and ballot stuffing In addition to investigating why electoral violence takes place Birch considers what can be done to prevent it in the future arguing that electoral authority and the quality of electoral governance are more important than the formal design of electoral institutions Delving into a deeply influential aspect of political malpractice Electoral Violence Corruption and Political Order explores the circumstances in which individuals choose to employ violence as an electoral strategy

Accounting for Carbon Neutrality Assunta Di Vaio, Tayyab Ali, 2025-02-19 Despite the progress made so far the links between environmental social and governance ESG sustainability pillars remain underexplored particularly in the context of firms investing in hydrogen for decarbonization In essence hydrogen is a lynchpin connecting engineering ingenuity economic viability and strategic business decisions Its multifaceted role underscores its significance in addressing contemporary challenges driving innovation and shaping a sustainable future through the accounting system This book unravels the complexities of carbon control practices offering insights into financial operational and sustainable dimensions From the challenges of sustainability transitions and technology adoption to utilizing renewable resources and disclosing decarbonization practices the book explores the critical role of accounting tools and international regulatory frameworks like the United Nations 2030 Agenda the European Union Green Deal and Paris Agreement as organizational collective responsibility in shaping a sustainable future By incorporating stakeholder stewardship legitimacy institutional resource dependency theories the book bridges gaps in academic research and offers a fresh perspective on decarbonization in the hydrogen sector The qualitative methodology provides a unified vision from strategies to implementation guiding companies toward the contribution of the carbon neutrality goal in the hydrogen economy while ensuring accountability for their actions conduct and sustainability reporting

Constitutional Courts, Media and Public Opinion Angioletta Sperti, 2023-11-16 This book explores how constitutional courts have transformed communication and overcome their reluctance to engage in direct dialogue with citizens How has the

information revolution affected the relationship of constitutional courts with the public and the media The book looks in detail at the communication strategies of the US Supreme Court the Supreme Court of Canada and in Europe the German Federal Constitutional Tribunal the French Conseil Constitutionnel and the Italian Constitutional Court arguing that when it comes to the relationship between courts and the media different jurisdictions share many similarities It focuses on the consequences of the communication revolution of courts both in terms of their relationship with public opinion and of the legitimacy of judicial review of legislation Some constitutional courts have attracted criticism by engaging in proactive communication and therefore arguably yielding to the temptation of public support The book argues that objections to the developing institutional communications employed by courts come from a preconceived notion of public opinion It considers the burden the communication revolution has placed on constitutional courts to achieve a balance between transparency and seclusion proximity and distance from public opinion It puts forward important arguments for how this balance can be achieved The book will interest scholars in constitutional law and public comparative law sociologists historians political scientists and scholars of media law and communication studies

Losing Legitimacy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Losing Legitimacy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Losing Legitimacy has opened up a world of possibilities. Downloading Losing Legitimacy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Losing Legitimacy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Losing Legitimacy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Losing Legitimacy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Losing Legitimacy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Losing Legitimacy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Losing Legitimacy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Losing Legitimacy is one of the best book in our library for free trial. We provide copy of Losing Legitimacy in digital format, so the resources that you find are reliable.
