Internationalization in Higher Education Kayyali, Mustafa, 2024-12-10 Contemporary approaches to internationalization in higher education reflect the growing interconnectedness of global organizations Institutions are adopting new strategies to increase their global presence create collaborative relationships and prepare students for a globalized workforce These approaches include establishing international partnerships offering dual degree programs and integrating global learning experiences into curricula The rise of digital technologies facilitates virtual exchange programs and online learning opportunities making international education more accessible As universities navigate these practices further research may help organizations create a diverse and inclusive educational environment Contemporary Approaches to Internationalization in Higher Education explores the diverse landscape of global education investigating the practices and challenges found by institutions worldwide It examines the dynamics of internationalization investigating how higher education institutions manage globalization foster cross cultural engagement and adjust to the demands of an interconnected world This book covers topics such as curriculum development student mobility and faculty collaboration and is a useful resource for educators administrators policymakers academicians scientists and researchers *Book Prices: Used and Rare, 1994*

Edward N. Zempel, 1994 **Homosexuality on the Small Screen** Sebastian Buckle, 2018-08-30 Television provides a unique account of the development of a homosexual identity across the western world emerging as it did when ideas around sex and sexuality were themselves only just beginning to be publicly discussed From the very earliest surviving drama featuring homosexuality in 1959 *Homosexuality on the Small Screen* explores each decade s programming in turn looking at homosexual themes storylines and characters situating them historically and relating them to the broader events in British history By doing so it examines the interactions between the medium and the reality of gay lives showing how television mirrored the changes taking place in British society For those with a homosexual or emerging homosexual sexual orientation they were seminal in early personal and social development For heterosexual viewers these images were equally important in exploring a sexual other which otherwise remained hidden from them They included positive storylines which helped improve public ideas about homosexuality but also stereotypical images which propagated negative attitudes in the public consciousness *Homosexuality on the Small Screen* charts this fascinating journey and television s role in the construction of a

gay identity **Curriculum Histories in Place, in Person, in Practice** Petra Hendry, Molly Quinn, Roland Mitchell, Jacqueline Bach, 2023-03-10 This book situates the Curriculum Theory Project at Louisiana State University within a larger historical framework of curriculum work examining the practices which have sustained this type of curricular vitality over the lifetime of the field's existence Divided into seven parts the authors illuminate seven practices which have sustained the scholarship graduate programs mentorship and networking that have been critical to maintaining a web of international relationships This exploration and coming together of intergenerational stories reveals a more complete and nuanced narrative of the development of curriculum theory over the last 60 years Crucially the project exemplifies the continuing resilience of curriculum theory despite ongoing neo liberal aspirations to reframe education as a business Reflecting upon the lived experiences and articulated memories of those who have participated in the project and analysis of documents collected over its 25 year history it considers curriculum history's writ large through and from this lens of practice As such it opens up fresh insights for cultivating the vitality and vigor of curriculum theory more broadly on an international scale and with a view to future directions for the field It will appeal to both new and experienced scholars working across education foundations urban education philosophy of education and higher education and researchers from across history sociology anthropology ethnic studies and gender studies Who's Who in Contemporary Gay and Lesbian History Robert Aldrich, Garry Wotherspoon, 2020-10-28 First published in 2004 With subjects drawn from politics the arts and popular culture Who's Who in Contemporary Gay Lesbian History includes 500 entries from a large team of expert international contributors The geographical scope takes in the whole of the Western world Includes fascinating information about little known figures as well as cult icons from World War II to the present day **The Routledge Companion to Queer Literary Studies** Melissa E. Sanchez, 2025-02-28 Bringing together twenty seven established and emerging scholars The Routledge Companion to Queer Literary Studies discusses the historical development current state future directions and political stakes of queer literary studies as a field of research and pedagogy This innovative collection offers new frameworks for studying and teaching literature art film music theory and philosophy from the medieval period to the twenty first century The contributors consider the structural implication of gender and sexuality with race class gender ability colonialism capital empire and relationships between human and non human life and matter The Routledge Companion to Queer Literary Studies is a vital resource for scholars students and teachers working across a range of historical periods critical methods and objects of study It offers a multitude of approaches to queer literary studies revealing the field to be as vital and as contested as ever **Women in Relationships with Bisexual Men** Maria Pallotta-Chiarolli, 2016-03-08 Framed by a comprehensive review of international research literature and film this book is an intimate journey into the experiences and insights of 79 Australian women in relationships with bisexual men It takes us into the daily lives sexual intimacies and families of MOREs mixed orientation relationships that span the gamut from extremely oppressive experiences with bi

misogynist men to extremely liberating with bi profeminist men Aged 19 to 65 the women are in monogamous open and polyamorous relationships with bisexual identifying and or bisexual behaving men The women themselves are bisexual lesbian heterosexual while others refuse to categorize their own sexualities The book addresses the discovery or disclosure of the man s bisexuality how the relationships work and where they flounder how the partners negotiate and establish new rules and boundaries to maintain their relationship and the impact of class rural urban setting ethnicity indigeneity race religion and education on these relationships But this book isn t only about MOREs The research revelations and reflections in this book tell us much about current and shifting global constructions and understandings of intimate relationships sexual desires and love and the socio cultural representations and labeling of genders and sexualities
