Material Ecocriticism and Sylvan Agency in Speculative Fiction Britta Maria Colligs, 2023-12-06. Material Ecocriticism and Sylvan Agency in Speculative Fiction: The Forests of the World links the examination of fictional forests and arboreal characters of speculative fiction with the literary approach of material ecocriticism and a conceptualization of a sylvan agency. Aiming to establish and situate the investigation of sylvan agency firmly within the context of material ecocriticism, this book offers a framework for reading fictional forests with an ecocritical and particularly eco-sylvan lens and applies it to the analysis of the sylvan realm, arboreal characters, and the relationship between human characters and their fictional forests in speculative fiction. Drawing on the renegotiation of matter and material agency, the comprehensive study of the sylvan realm establishes a sylvan and arboreal agency in speculative fiction ranging from classics such as J.R.R. Tolkien's fantasy *The Lord of the Rings* (1954-55) or Ursula Le Guin's science fiction novella *The Word for World is Forest* (1961) to contemporary texts such as James Cameron's *Avatar* (2010) or Ali Shaw's *The Trees* (2016). The author argues for a renegotiation of a sylvan agency and facilitation of an eco-sylvan awareness in times of environmental crisis.

Adrian Preskott and the Lost Amulet of Hecate Sherlock Kain, 2021-01-04. Adrian Rachel Viktoria and Lucian are back again for another epic adventure in the magical world of Corinthia. Not much time has passed since our heroes arrived in Corinthia, and Adrian has already begun to consider his new friends something like his new family. They have been at Legacy Castle training under their master Master Kaiden, and Adrian is becoming a more powerful sorcerer each and every day. Not much has been going on at the castle other than some friendly competitions and a couple of trolls who have been causing a little ruckus in the dungeons, but it's been plenty to keep our gang busy. However, once an amulet that used to belong to the goddess Hecate is located and thought to be in danger, Master Kaiden has to make a decision on whether the gang is ready to embark on their first ever real mission. What Master Kaiden doesn't know is that evil forces, familiar and unknown, are working from all different sides in an attempt to possess the amulet for their own evil desires. So join Adrian and the gang as they travel down a dark and treacherous road filled with twists and turns that will lead to an even darker truth that no one could ever imagine. And the start of an old but new beginning.
