Extraordinary Justice Craig Etcheson, 2019-11-19 In just a few short years the Khmer Rouge presided over one of the twentieth century's cruelest reigns of terror Since its 1979 overthrow there have been several attempts to hold the perpetrators accountable from a People's Revolutionary Tribunal shortly afterward through the early 2000s Extraordinary Chambers in the Courts of Cambodia also known as the Khmer Rouge Tribunal Extraordinary Justice offers a definitive account of the quest for justice in Cambodia that uses this history to develop a theoretical framework for understanding the interaction between law and politics in war crimes tribunals Craig Etcheson one of the world's foremost experts on the Cambodian genocide and its aftermath draws on decades of experience to trace the evolution of transitional justice in the country from the late 1970s to the present He considers how war crimes tribunals come into existence how they operate and unfold and what happens in their wake Etcheson argues that the concepts of legality that hold sway in such tribunals should be understood in terms of their orientation toward politics both in the Khmer Rouge Tribunal and generally A magisterial chronicle of the inner workings of postconflict justice Extraordinary Justice challenges understandings of the

relationship between politics and the law with important implications for the future of attempts to seek accountability for crimes against humanity

**Genocide** Norman M. Naimark, 2017 Genocide occurs in every time period and on every continent Using the 1948 U N definition of genocide as its departure point this book examines the main episodes in the history of genocide from the beginning of human history to the present Norman M Naimark lucidly shows that genocide both changes over time depending on the character of major historical periods and remains the same in many of its murderous dynamics He examines cases of genocide as distinct episodes of mass violence but also in historical connection with earlier episodes Unlike much of the literature in genocide studies Naimark argues that genocide can also involve the elimination of targeted social and political groups providing an insightful analysis of communist and anti communist genocide He pays special attention to settler sometimes colonial genocide as a subject of major concern illuminating how deeply the elimination of indigenous peoples especially in Africa South America and North America influenced recent historical developments At the same time the classic cases of genocide in the twentieth Century the Armenian Genocide the Holocaust Rwanda and Bosnia are discussed together with recent episodes in Darfur and Congo

**Journeys into Darkness** James Goho, 2014-03-06 The tradition of supernatural horror fiction runs deep in Anglo American literature From the Gothic novels of the eighteenth century to such contemporary authors as Stephen King and Anne Rice writers have employed horror fiction to unearth many disquieting truths about the human condition ranging from mistreatment of women and minorities to the ever present dangers of modern city life In Journeys into Darkness Critical Essays on Gothic Horror James Goho analyzes many significant writers and trends in American and British horror fiction Beginning with Charles Brockden Brown s disturbing novels of terror and madness Goho proceeds to discuss the influence of Edgar Allan Poe s The Fall of the House of Usher on H P Lovecraft who is treated in several penetrating essays Lovecraft was a uniquely philosophical writer and Goho approaches his work through the lens of existentialist philosopher S ren Kierkegaard while also probing Lovecraft s racism as exhibited in several tales about Native Americans Goho also discusses the Welsh writer Arthur Machen s tortured tales of suffering and evil and Algernon Blackwood s numerous stories set in the wilds of the Canadian backwoods The book concludes with a centuries spanning essay on the witchcraft theme in the American Gothic tradition and a comprehensive essay on Fritz Leiber s invention of the urban Gothic In this wide ranging study James Goho examines the varied ways in which supernatural fiction can address the deepest moral social and political concerns of the human experience Journeys into Darkness will be of interest to readers and scholars of horror fiction and to students of literary history and culture in general

**Fins into Limbs** Brian K. Hall, 2008-09-15 Long ago fish fins evolved into the limbs of land vertebrates and tetrapods During this transition some elements of the fin were carried over while new features developed Lizard limbs bird wings and human arms and legs are therefore all evolutionary modifications of the original tetrapod limb A comprehensive look at the current state of research on fin and limb evolution and development this volume addresses a wide range of subjects including

growth structure maintenance function and regeneration Divided into sections on evolution development and transformations the book begins with a historical introduction to the study of fins and limbs and goes on to consider the evolution of limbs into wings as well as adaptations associated with specialized modes of life such as digging and burrowing Fins into Limbs also discusses occasions when evolution appears to have been reversed in whales for example whose front limbs became flippers when they reverted to the water as well as situations in which limbs are lost such as in snakes With contributions from world renowned researchers Fins into Limbs will be a font for further investigations in the changing field of evolutionary developmental biology
