Lost Years Confessions Of A Woman Alcoholic:

Lost Years Megan Moran,1985 **Substance Abuse** Michael Floyd,J Paul Seale,2018-08-17 Series Editors Moira Stewart Judith Belle Brown and Thomas R Freeman Primary care clinicians are often unfamiliar with new and effective methods for detecting substance abuse problems in their earliest stages and the majority of patients with substance abuse problems remain undiagnosed Substance Abuse is written by primary care clinicians and focused to meet the needs of primary care providers demonstrating how the patient centered clinical method can assist clinicians in learning how to diagnose this complex psychosocial disorder This book describes how to use state of the art screening techniques and how to understand and motivate patients to decrease or eliminate harmful use of alcohol and drugs It presents the latest scientific findings and gives examples of using a patient centered approach as well as describing specific communication skills with samples of dialogue illustrating their use in helping substance abusing patients This is essential reading for all family doctors paediatricians gynaecologists psychiatrists nurses social workers psychologists and all clinicians whose practices include substance abusing patients It will also appeal to counsellors education personnel and all professionals working with substance abusing individuals

What's Wrong With Addiction Helen Keane,2013-04-01 This is an impressive work carefully structured researched and written a refreshingly lucid account that is both intellectually stimulating and professionally helpful Janet McCalman Addicts are generally regarded with either pity or grave disapproval But is being addicted to something necessarily bad These attitudes are explicit both in contemporary medical literature and in popular self help texts We categorise addiction as unnatural diseased and self destructive We demonise pleasure and desire and view the addict as physically and morally damaged Helen Keane s thought provoking text examines these assumptions in a new light In asserting that the wrongness of addiction is not fixed or indeed obvious she presents a refreshing challenge to more conventional accounts of addiction She also investigates the notion that people can be addicted to eating love and sex just as they are to drugs and alcohol What s Wrong with Addiction shows that most of our ideas about addiction take certain ideals of health and normality for granted It exposes strains in our society s oppositions between health and disease between the natural and the artificial between order and disorder and between self and other
