Loved By Choice True Stories That Celebrate Adoption:

Loved By Choice Susan Horner, Kelly Fordyce Martindale, 2002-03-01 Loved by Choice offers a clear and uplifting look at adoption from virtually every perspective. It is comprised of true stories that reflect the joys and the difficulties of those touched by adoption. Families working out an overseas adoption, those creating interracial families, grandparents, birth mothers, and even birth fathers are among the many who tell their stories. Two appendices define adoption terms and outline resources that will be helpful to those exploring adoption. The emphasis of Loved by Choice though is to demonstrate how adoption can complete a family. It is a poignant celebration of adoption led by those who understand it best. This book's pro-life, positive and upbeat message will be a welcomed source for women facing pregnancy choices, anyone working with unwed mothers, adoptees, adoption advocates, pro-life advocates, couples considering adoption, and anyone else interested in stories that celebrate adoption. It is an ideal book for bookstores and libraries to display in November, which is Adoption Awareness Month. Loved by Choice will also be popular at the many adoption-related conferences, book readings, and fairs that take place around the world.

Journey to the Fatherless Lawrence E. Bergeron, 2012-02 The Journey will challenge you to find the kind of life you have always wanted to discover. Tom Davis, President of Children's Hope Chest and author of *Fields of the Fatherless*, *Scared*, and *Priceless*. The global orphan crisis is too serious to ignore. The biblical call is to plain to miss. I'm thrilled to see *Journey to the Fatherless*. Tony Merida, author of *Orphanology* and Lead Pastor, Imago Dei Church and Associate Professor of Preaching, Southeastern Baptist Theological Seminary. The Journey will move a church from thinking to action in responding to the needs of fatherless children. Jayne Schooler, author of *Wounded Hearts*, *Healing Homes*, and *The Whole Life Adoption Book*. The Journey to the Fatherless is life-changing. Paparao Yeluchuri, President, Missions to the Nations, India. DOES THE CHURCH CARE FOR THE WORLD'S CHILDREN? The evidence on display tells a troubling story with an ever-increasing number of orphans in the world, kids aging out of foster care, AIDS babies in Africa, and toddlers in Haiti whose hair has turned orange from severe protein deficiencies. What makes this situation especially tragic is that given our wealth, talent, and resources, the Church can be a powerful agent of change, and we have the biblical mandate to do so. Do Christians have a responsibility to intercede for and sacrifice their resources for vulnerable children? What happens to the Church when we do? And when we don't? How do we begin? The Journey to the Fatherless is written by a former agnostic corporate executive and inventor who was chased down by the Hound of Heaven. God then took him to the fields of the fatherless so he could experience what breaks the heart of God. What he discovered in serving the least of these has been captured for the Church to use to prepare others for their journey. The Journey takes the reader beyond *Fields of the Fatherless* and *The Hole in Our Gospel* into a deeper understanding of the problem and the biblical call to action.

Mustard Seed Faith Bethanee Syversen, 2019-05-21 After seven miscarriages and three failed adoptions where do you find the strength to pursue your dream of parenthood Bethanee Syversen's deeply personal debut Mustard Seed Faith A Journey through Infertility Miscarriages Adoption and Faith is a story of believing in a God who is powerful enough and generous enough to do the impossible Bethanee always wanted to be a parent When the doctors gave their prognosis she had to decide where her strength would come from She and her husband chose to trust in God Each negative pregnancy test each unexpected loss and each adoption delay would test her heart's resolve However through every

blow Bethanee discovered that God doesn't give up. He never goes away. And He never leaves His children unrestored. Now a mother of six, Bethanee has experienced the hardship and joy of becoming a mom through birth and through adoption. Much of Mustard Seed Faith comes from Bethanee's blog which captured the raw emotion of her story as it unfolded. In part one, Bethanee confronts the heartbreak of infertility and the private grief of multiple miscarriages. In part two, she recounts the physical toll and emotional extremes of adopting. For many, Bethanee's fourteen-year journey is all too familiar, but it is her uncommon faith in God's good and sovereign plan that inspires readers to keep hoping, keep praying, and keep believing.

American Book Publishing Record, 2002 Choice Karen E. Bender, Nina de Gramont, 2010-05-22 A moving collection of personal essays about the real human experiences behind the highly politicized issue of reproductive choice. At a time when a woman's most complex decisions have been reduced to political rhetoric and impersonal theory, and political debate has been hijacked by pundits and name callers, *Choice* joins the discourse with an assortment of candid voices in an effort to humanize the debate about reproductive rights. In addressing a wide range of women's choices, from using birth control to taking the morning after pill, from adopting a child to putting a child up for adoption, from having an abortion to bringing a pregnancy to full term, *Choice* explores the complexities inherent in every reproductive decision. Including twenty-four honest heartrending essays from established writers such as Francine Prose, Jacquelyn Mitchard, Pam Houston, Ann Hood, and Sarah Messer, and emerging talents such as Kimi Faxon, Hemingway, Stephanie Anderson, and Ashley Talley, *Choice* will allow you to truly understand the meaning of the word choice, regardless of what side of the debate you stand on.
