Tear Called Love Irena Docheva,2012-07 After years of wandering around the world of love I found the truth about it I met  
face to face with that wonderful fairy Love and she shared with me that despite the pain that was tearing her apart she is  
very happy and didn't want to part with it In my fantasy that fairy was standing smiling among the deserted sands and was  
holding a heart in love There was blood dripping from her hands but she looked hard and firm She split the heart in two and  
threw the two halves away from her They fell with ominous strength on the glowing sand started burning and burned away  
The fairy told me that that had been my heart and that this evil destiny awaited it She opened her scarlet lips and said that  
love hurts and it was like a cloud which carried many tears to my eyes in love Nevertheless I decided to follow my heart and  
it was saying When Love looks you in the eyes you will know I will tell you and then you take it right away hold it tight hide it  
here with me to be happy      **Outlook** ,1929      **The poetical works of Thomas Moore, with life** Thomas Moore,1881
