out of control in the city's press Billy finds himself at odds with his superiors the displeasure being voiced from the very bowels of City Hall in an upcoming election year And when twin siblings with no apparent connection to the actress are arrested and charged with her murder in the name of political expediency Billy is forced to decide between his own conscience and his loyalty to his department On a more personal note disillusioned by his unhappy marriage to his Chinese American wife and the lingering effects of the ongoing depression and upon seeing up close how the other half live Billy unwisely allows himself to become entangled with one of his suspects TINFOIL COPPER takes place against the backdrop of the Great Depression and the tail end of Prohibition and is set within the environs of a Southern California re imagined Atmospheric and replete with historical detail that seamlessly blends fact and fiction TINFOIL COPPER is a love letter to the golden age of American crime fiction but taken in a whole new direction Perfect for your next book club read The Interactive Cemetery Jolene Little, 2019-05-04 Former model Crystal Stevens and her partner Dusty have created a holographic Halloween event There is only one problem the event location is a cemetery Admired and pursued by many only one man tempts her Detective Chance Cooper Sparks fly and things heat up when the two meet To help friends and to raise money for charity Crystal sings at events Sometimes this requires her to become her alter ego the angel in black Naturally intuitive she has more than one reason to visit the haven of eternal rest Detective Cooper is investigating serial murders near the cemetery It becomes a hands on investigation when the killer targets Crystal Swearing to protect her he decides that she will require his close personal attention His only problem is how do you protect a stubborn independent woman that every man desires including himself Her partner says she has secrets Can he uncover them in time to stop a serial killer and capture her heart Winds Of Spring Robert Hutchison, 2013-03-05 Monolith Corporation's systems security officer Anne Hopkins becomes immersed in the world of cyber crime when pursued by the planet's most dangerous terrorist the mysterious Khaled Benwalid who wants her to provide him with the protocols for the Orion System Six avionics software that powers the flight decks of virtually every commercial jetliner Benwalid's possession of the protocols could enable him to simultaneously cause hundreds of airliners to crash without placing a single hijacker aboard any of them an act capable of plunging the world into total chaos To protect the Orion source codes the US President's Special Counter Terrorism Adviser sends Hopkins to Lausanne Switzerland to work with undercover agent Steve Loftis the managing director of an exclusive private bank in the Olympic Capital and Netwar specialist Bruce Campbell in unmasking the elusive Doctor Benwalid She finds Lausanne swamped with refugees having fled a wave of unprecedented atrocities in the Middle East and North Africa that discredited the Arab Spring uprisings instead of bringing hope and democracy to the region Days after Hopkins arrival in the city fanatical extremists manipulate Lausanne's refugees into rising against their Swiss hosts The uprising occurs during a decadent two day Techno music festival qualified by the leader of the refugees and Amir of the militant jihadist Vanguard Abdul Qadar Wardak as an outrage against Allahe The radicalised refugees unleash an orgy of arson and

violence unknown in Europe since the religious wars of the Middle Ages They rampage through the streets of the city burning vehicles and buildings and killing anyone in their path Winds of Spring is a fast moving thriller that will make those who read it think about what lies ahead in the multi cultural environment that is slowly transforming the world in which we live The plot climaxes with a series of unexpected twists demonstrating that neither side on the religious divide has all the answers
