**Serving God** Dr. Emily Capati Gaddi, 2020-07-29 Dr Emily Gaddi obtained her doctorate from Pepperdine University in their School of Education and Psychology Her major is Organizational Leadership In accordance with Dr Gaddi regardless of what religion you are connected to doesn't matter as long as you have faith in God I came from a family wherein my Dad was a practicing Protestant and my Mom is Catholic My Dad and the rest of his siblings had introduced me to different Bible stories as early as 4 years old because I used to ask them to tell stories when I used to live with my grandma Because of this I was able to develop the importance of having God to be the center of my life Having said that I know that in everything you do you need to put God to be the center of your life and everything will fall in its place You need to get straight with Him and He will direct your path wherever you are anywhere you go and no matter what Being in the mid fifties I always asked God for important decisions that I have to make up to the extent of calling the Holy Spirit Guess

colonization and false notions of supremacy and Black and Brown people reckoning with the impact of trauma and feeling free to grieve in whatever way grief shows up      **Where Do I Stand with God, with Man?** Bill Hamilton, 2009-04 The basis of all valid relationships is love We cannot create love we can only accept it as a gift from God Therefore our first love relationship must be established with God and with that relationship intact we can then turn to other humans Our success and or failure in life will depend on how well our thoughts and actions channel God s love to others Page 4 of cover
