Brian G. Gilmartin

Loving Men More Needing Men Less:

Loving Men More, Needing Men Less Judith Sills, 1997 Teaches women how to maintain their personal identities within a relationship Smart and no nonsense Glamour He Said, She Says Mica Howe, Sarah Appleton Aguiar, 2001-09 The essays in this volume demonstrate the range of revisioning of women's reinterpretations of patriarchal texts Women's responses are reaching beyond the story and into the primal bases for narrative the philosophies theologies psychology politics and archetypal geneses that comprise the origins of narrative itself He Said She Says brings together myriad perspectives that cover such primal narratives as the Bible the Torah mythology traditional literary texts male depictions of female sexuality patriarchal Marxism American democracy and multiculturalism **Why Men Want Sex and Women Need Love** Barbara Pease, Allan Pease, 2010-01-12 Allan and Barbara Pease the international bestselling authors of Why Men Don't Listen Women Can't Read Maps deliver their most exciting book yet Will men and women ever see eye to eye about love and sex How will relationships ever be rewarding if men only want to rush into bed and women want to rush to the altar In this practical witty and down to earth guide couples experts Allan and Barbara Pease reveal the truth about how men and women can really get along By translating science and cutting edge research into a powerful yet highly entertaining read you'll learn how to find true happiness and compatibility with the opposite sex REVEALED IN THIS BOOK The seven types of love The top five things women want from men What to do when the chemistry is wrong What turns men and women on and off The most common New Relationship mistakes and how to avoid them How to decode manspeak If you want to get the most satisfaction from your relationship or are single and looking for the right person then you must read this book for the answer to Why Men Want Sex and Women Need Love **Recovery Workbook for Love Addicts and Love Avoidants** Susan Peabody, 2013-04-15 **What No One Tells the Bride** Marg Stark, 2013-08-13 What No One Tells the Bride is the inside scoop good and bad on what it's really like being married In these pages journalist Marg Stark breaks the newlywed code of silence and exposes the profound adjustments brides often experience Stark and 50 married women tell their stories showing others how to handle turbulence on cloud nine and reveal marital truths such as You don't feel like a Mrs Sometimes you even dream about old boyfriends You write all the wedding gift thank you notes So you are doomed to your mother's life 60 years of doing more than your share Making love is the last thing on your mind when you have the flu and haven't showered for days But he still wants to You tell him you got these incredible bargains and quietly resent having to justify your spending You have shining moments when marriage feels absolutely right but nevertheless you pine for something more Humorous and compassionate with advice from marriage counselors ministers financial advisors and sex therapists What No One Tells the Bride is not only a practical guide for every newly married woman it also makes the perfect wedding shower gifts **Being Single in a Couple's World** Xavier Amador, Judith Kiersky, 2016-08-02 You Can Be Single and Happy Whether you are actively looking for a mate or have decided that marriage isn't what you want right now psychotherapists

Xavier Amador and Judith Kiersky can help you deal with the problems that come from being single in a couples world Drawing on years of clinical experience and research with both single and married clients Amador and Kiersky have identified the five common stumbling blocks that can get in the way of enjoying singlehood Taking a careful look at the obstacles that cause single people the most pain the authors have developed a four step plan to help you achieve balance and happiness whether or not you stay single And the first and most challenging step is to stop buying into old fashioned ideas about singlehood and marriage Combining clear advice and vivid case examples Being Single in a Couples World gives all of us the tools we need to find our way to a healthier self and more meaningful relationships Loving to Survive Dee L.R. Graham,1995-07-01 A selection of insights into the relationship between men and women Have you wondered Why women are more sympathetic than men toward O J Simpson Why women were no more supportive of the Equal Rights Amendment than men Why women are no more likely than men to support a female political candidate Why women are no more likely than men to embrace feminism a movement by about and for women Why some women stay with men who abuse them Loving to Survive addresses just these issues and poses a surprising answer Likening women s situation to that of hostages Dee L R Graham and her co authors argue that women bond with men and adopt men s perspective in an effort to escape the threat of men s violence against them Dee Graham s announcement in 1991 of her research on male female bonding was immediately followed by a national firestorm of media interest Her startling and provocative conclusion was covered in dozens of national newspapers and heatedly debated In Loving to Survive Graham provides us with a complete account of her remarkable insights into relationships between men and women In 1973 three women and one man were held hostage in one of the largest banks in Stockholm by two ex convicts These two men threatened their lives but also showed them kindness Over the course of the long ordeal the hostages came to identify with their captors developing an emotional bond with them They began to perceive the police their prospective liberators as their enemies and their captors as their friends as a source of security This seemingly bizarre reaction to captivity in which the hostages and captors mutually bond to one another has been documented in other cases as well and has become widely known as Stockholm Syndrome The authors of this book take this syndrome as their starting point to develop a new way of looking at male female relationships Loving to Survive considers men s violence against women as crucial to understanding women s current psychology Men s violence creates ever present and therefore often unrecognized terror in women This terror is often experienced as a fear for any woman of rape by any man or as a fear of making any man angry They propose that women s current psychology is actually a psychology of women under conditions of captivitythat is under conditions of terror caused by male violence against women Therefore women s responses to men and to male violence resemble hostages responses to captors Loving to Survive explores women s bonding to men as it relates to men s violence against women It proposes that like hostages who work to placate their captors lest they kill them women work to please men and from this springs women s femininity Femininity

describes a set of behaviors that please men because they communicate a woman's acceptance of her subordinate status. Thus feminine behaviors are in essence survival strategies. Like hostages who bond to their captors, women bond to men in an effort to survive. This is a book that will forever change the way we look at male-female relationships and women's lives.

Love, Heterosexuality and Society Paul Johnson, 2007-04-11. Heterosexuality is a largely silent set of practices and identities; it is assumed to be everywhere and yet often remains unnamed and unexplored. Despite recent changes in the theoretical understanding and representation of sexuality, heterosexuality continues to be socially normative. Forging a new agenda for the study of heterosexuality, this in-depth volume, the first research monograph to focus on heterosexuality and society, presents an empirical study of the construction, negotiation, and enactment of heterosexual sexuality. Using detailed interview data, it investigates how heterosexuality as both an identity and a set of practices is accomplished through love relationships. Rather than assuming that romantic love is an outcome or expression of a pre-defined sexuality, Johnson explores how sexuality is brought to life through love. Situated in the ongoing theoretical debates concerning the relationship between gender and sexuality, Paul Johnson's book shows how ways of loving are interwoven with the construction, practice, regulation, and government of heterosexuality. Excellently written, this important book also looks at gender in society and explores such areas as heterosexual subjectivities and the borders of desire. As such, the research it contains will be valuable for all students of sociology and gender studies.

Shyness & Love Brian G. Gilmartin, 2012-11-29. *Shyness & Love* covers the only major study conducted to date on social anxiety disorder as it is manifested in informal, unstructured male-female dating and courtship situations. It focuses on the causes, both biomedical as well as situational, of love shyness and the consequences for those afflicted with it. Gilmartin also discusses promising treatment modalities and what schools and communities can do to prevent severe love shyness from developing in the first place. *Shyness & Love* examines the early family life as well as the peer-group interactions of love-shy men. The book provides many statistical comparisons between the sampled love-shys and a comparison group of non-love-shy males of normal but not superior social self-confidence levels. These statistical comparisons allow for some informed speculations regarding the numerous interacting causes that underlie social phobia in informal, unstructured heterosexual social situations. These statistical comparisons also provide the reader with some powerful suggestions regarding ways the American social structure, e.g., schools, family life, and communities might be rearranged so that severe and intractable forms of love shyness would never have an opportunity to develop in growing boys and teenagers in the first place. Since the publication of the first edition of this book, it has been determined that as many as forty percent of men afflicted with love shyness are simultaneously comorbid for Asperger's Syndrome, also known as high-functioning autism. As many as half of all love-shy males are comorbid for the male lesbian syndrome, sometimes also referred to as the passive-non-competitive male syndrome. This second edition contains a new foreword that presents the latest findings in love shyness research. It is more concise than the original *Shyness & Love* yet retains the most significant chapters.

The Future of the Women's Movement Helena M. Swanwick, 2019-12-18 In *The Future of the Women's Movement* Helena M. Swanwick presents a compelling analysis of the evolving dynamics of women's rights and roles in society during the early 20th century. Through her articulate prose and passionate advocacy, Swanwick combines sociopolitical commentary with historical context, examining the triumphs and challenges faced by women in their pursuit of equality. The text is imbued with a modernist literary style that underscores the urgent need for social reform while reflecting the anxieties and aspirations of a generation on the brink of profound change. Helena M. Swanwick (1864-1939) was a prominent suffragist and writer whose personal experiences and activism inform her work. Raised in a progressive environment, Swanwick's dedication to social justice was solidified through her involvement in various women's organizations and her participation in the suffrage movement. Her insights, drawn from both her lived experience and engagement with contemporary feminist discourse, render her a pivotal voice in the exploration of women's rights during a transformative era. *The Future of the Women's Movement* is an essential read for those seeking to understand the historical foundations of contemporary feminism. It not only provides critical reflections on past struggles but also serves as an inspirational call to action, encouraging readers to engage with ongoing societal challenges and to envision a more equitable future. *Female Islamic Education Movements* Masooda Bano, 2017-08-31 This book challenges the assumptions of creative agency and the role of Islamic education movements for women across the wider Muslim world. **The Making of Americans** Gertrude Stein, 2024-01-09 Published in 1925, Gertrude Stein's *The Making of Americans* is a groundbreaking exploration of identity, family, and the American experience. The novel spans generations, delving into the lives of two families as they navigate the complexities of self-discovery and societal expectations. Stein employs her distinctive experimental prose style, challenging traditional narrative structures. Through a meticulous examination of characters and their evolving relationships, Stein crafts a profound meditation on the intricate process of shaping individual and collective identities. *The Making of Americans* stands as a seminal work in modernist literature, pushing boundaries and redefining the possibilities of narrative form. The Classic Collection of Gertrude Stein. Illustrated Gertrude Stein, 2025-05-27 The *Classic Collection of Gertrude Stein*, adorned with illustrations, encapsulates the avant-garde brilliance of one of the most influential figures in modernist literature. This anthology brings together some of Stein's seminal works, inviting readers to delve into the linguistic experimentation and abstract thought that characterize her unique literary style. *Three Lives* explores the intricate tapestry of three women's existence, showcasing Stein's innovative narrative techniques and her ability to capture the nuances of individual lives. *Tender Buttons* stands as a landmark in modernist literature, challenging traditional norms of language and meaning through its abstract prose poems. *Geography and Plays* presents a collection of Stein's varied works, reflecting her wide-ranging interests and experimental approach to literature. *The Making of Americans* delves into the complexities of identity and American culture, offering a profound exploration of the human experience. The inclusion of *Composition as Explanation* further enriches the collection.

providing insight into Stein's own reflections on her artistic process. Illustrations complement the abstract and experimental nature of Stein's writing, offering readers a visual guide through the intricate landscapes of her literary creations. This classic collection serves as a testament to Gertrude Stein's lasting impact on literature and her unwavering commitment to pushing the boundaries of linguistic expression, making it an essential addition to the library of anyone intrigued by the avant-garde movements of the early 20th century.

Contents: Three Lives, Tender Buttons, Geography and Plays, The Making of Americans, Composition as Explanation.

Falling in Love Ayala Pines, Ayala Malach Pines, 2013-05-13. Falling in Love is the first book to unlock the mysteries of how and why we fall in love. Renowned psychologist Ayala Pines shows us why we fall for the people we do and argues convincingly that we love neither by chance nor by accident. She offers sound advice for making the right choices when it comes to this complicated emotion. Packed with helpful suggestions for those seeking love and those already in it, this book is about love's many puzzles. The second edition furthers the work of the popular and successful first edition. With expanded research, theory, and practice, this book once again provides one of a kind understandings of the experience of love. The new edition offers updated references to recent research, new chapter exercises, and case examples of romantic stories to begin each chapter.

Why Men Hurt Women and Other Reflections on Love, Violence and Masculinity Kopano Ratele, 2022-09. This book represents Kopano Ratele's meditations on love, violence, and masculinity. Men in our society, Ratele contends, suffer from an unrecognised painful yet consequential love hunger that sets in during boyhood. This need for love may lie at the root of some masculine violence. Ultimately, the book seeks to imagine the possibility of a more loving masculinity in a society awash with violence. Ratele argues that just as the beliefs and practices relating to gender, sexuality, and the nature of love are constantly being challenged and revised, so our ideas about masculinity and men's and boys' capacity to show genuine loving care for each other and for women can evolve too.

Back cover: *Love Brain*. Jesus Amaya, Evelyn Prado, 2012-06. In recent years, couple breakdowns and divorces for mild and superficial reasons have increased. To counter this, it's time to read *Love Brain: Dangerous to Be in Love Only With the Heart and Not With the Brain*. Infidelity, psychological abuse, and violence are no longer the most important causes of separation. Incompatibility of character, non-fulfillment of expectations, and the disillusionment of seeing her transformed from a princess into a witch and him not transforming from a toad into a prince seem to be the issues. Men and women trying to live out their fantasy with their ideal perfect partner are instead finding disenchantment. The real problem with relationships is not being incompatible or being the ideal couple but loving without thinking. We are unaware of how men and women should love and be loved. *Love Brain* describes how our brains love and provides alternatives to reduce the misunderstandings that lead to divorce. The book's goals are to identify the main relationship breakdown causes, to understand the male and female brain love function, and to use effective brain gender love strategies to prevent and reduce marriage conflicts.

Love in America Francesca M. Cancian, 1990-08-31 In the last twenty five years Americans have gained considerable freedom in their personal lives Relationships are now more flexible and self development has become a primary goal for both men and women Most scholars have criticized this trend to greater freedom arguing that it undermines family bonds and promotes selfishness and extreme independence Francesca Cancian is more optimistic In this book she shows that many American couples succeed in combining self development with commitment and that interdependence not independence is their ideal In interdependent relationships love and self development do not conflict but reinforce each other Love in America compares traditional forms of marriage with these newer forms of close relationships Starting with the nineteenth century Cancian shows how gender roles became polarized with love which was identified with emotional expression no practical help being the responsibility of women while self development was regarded as a masculine concern These traditional images of love and relationships are still held by many Americans today even though as Cancian points out this can lead to marital conflict and individual stress and illness By contrast new images of love emphasizing self development for men and women and flexible androgynous roles began to emerge around 1900 accelerating in the 1960s She concludes that this trend to self development and androgyny will continue but that whether it will lead to more interdependent relationships or to more independence and isolation depends partly on economic and political changes in the wider society The evidence for Cancian's argument comes from sociological historical and psychological sources Her book will interest readers in these disciplines as well as appeal to a wide general audience

All You Need Is Love & Other Lies About Marriage John W. Jacobs, 2024-06-11 Why is it so difficult to remain married in the twenty first century and what can you do about it We all know that half of today's marriages end in divorce but we tend to believe that our own marriages are safe As psychiatrist John Jacobs explains in this fresh and impassioned book marriages today are incredibly fragile and unless a couple understands what is making contemporary marriage so vulnerable to dissolution the marriage is at risk Part of the problem is that people refuse to see how social and historical forces have changed the very meaning of marriage causing serious interpersonal unhappiness Because of increased longevity married people live together longer than at any time in history There's been an erosion of the social and cultural forces that traditionally kept marriages together Confusion over gender role responsibilities increased expectations of sexual satisfaction and intense time pressures on couples to work and be successful all create marital stress And yet most people don't acknowledge the problems in their marriage until it is too late We tend to believe in the lies of marriage such concepts as soul mates unconditional love that children improve a relationship that the sexual revolution has made marital sex more pleasurable or that egalitarian marriage offers couples easy solutions and forget to engage in the constant hardwork required

to keep our marriages alive Dr Jacobs believes that most marriages have significant problems at some time but until we recognize the new realities of marriage and develop the skills required to sustain a loving intimate relationship marriages are at risk Of course marriage is about love But that s just the beginning Cooperation (Psychology Revivals) Michael Argyle,2013-11-26 Is human nature cooperative Man is often said to be a social animal but what does that mean Michael Argyle believed that one of the most important components our capacity to cooperate had been overlooked and indeed that the whole notion of cooperation had not been properly understood In this book originally published in 1991 the author showed he was critical of earlier approaches and put forward a new and extended understanding of what cooperation consists of showing the form it took in different relationships and its origins in evolution and socialisation He offered new solutions to intergroup and other social problems and took a new look at language and communication as a cooperative enterprise **The Questions to Ask Before You Jump Into Bed** Laurie Seale,2005-11-01 This lively guide can really kick start the conversations between couples but it also offers much more These questions will help readers find a stronger degree of emotional intimacy before they take the plunge into physical intimacy allowing them to choose better partners make smarter decisions and assess what they re really looking for in a relationship before they get in too deep Includes questions like What was the major turning point in your life so far Who are you at your worst Your best What are you most ashamed of Have you ever had sex with an ex What global issues concern you Are you bi sexual Bi polar Bi coastal Do you believe in Heaven and Hell Do you like your mother Would you date yourself

Loving Men More Needing Men Less Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Loving Men More Needing Men Less free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Loving Men More Needing Men Less free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that

offer free PDF downloads on a specific topic. While downloading Loving Men More Needing Men Less free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Loving Men More Needing Men Less. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Loving Men More Needing Men Less any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Loving Men More Needing Men Less Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Loving Men More Needing Men Less is one of the best book in our library for free trial. We provide copy of Loving Men More Needing Men Less in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Loving Men More Needing Men Less. Where to download Loving Men More Needing Men Less online for free? Are you looking for Loving Men More Needing Men Less PDF? This is definitely going to save you time and cash in something you should think about.
