Luckiest One Of All:

The Luckiest One Harkiné Hagopian, 2016 Harkin Pilibosian Hagopian told her life's story in anecdotes over many decades a story that sparkled like a fictional fantasy Arab sheiks with harems Turkish baths murderous marauders in the desert a mountain pass on a donkey salvation by the sacrifice of a beautiful sister and the will of a clever husband a stranger from another social class Most astonishing of all was an experience so shockingly brutal it didn't have a name until almost three decades after the event Armenian Genocide To survive such times required far more than good fortune it required unfathomable mental and physical fortitude She came to face the unrelenting eye of incarnate evil Her legacy is a testament to the ultimate failure of Ottoman Turkey to extinguish the Armenian people Facing incomprehensible evil Harkin proved that good does sometimes prevail *Poems of Dark and Light* Tommi Perkiö, 2022-04-01 This is my first book with my poems I write in English because I enjoy the English language Even though I live in Sweden and have Swedish as my first language My Poems are about many different things everything between heaven and hell Words just come from inside of me from my brain they just flow I have been writing down my poems for a long time from when I was very young I like writing them down and here they are I hope you enjoy my poetry Have fun reading them *Public Apology* Dave Bry, 2025-05-01 In this series of hilarious confessions by New Jersey's answer to Nick Hornby learn how apologizing and coming to terms with past embarrassments can lead to compassion and maturity Jonathan Mahler Dave Bry is sorry Very sorry He's sorry to Wendy Metzger for singing the last verse of Stairway to Heaven into her ear while slow dancing in junior high school He's sorry to Judy and Michael Gailhouse for letting their children watch The Amityville Horror when he babysat them And he's sorry especially truly that he didn't hear his cancer-ridden father call out for help one fateful afternoon Things are different now Dave's become a dad too and he's discovered a new compassion for the complicated man who raised him And maybe if his 17 year old self could meet his current self he'd think twice before throwing beer cans on Jon Bon Jovi's lawn Dave's apologies are at turns hysterically funny and profoundly moving ultimately adding up to a deeply human poignant and likable portrait of a man trying to come to grips with his past *Lucky the Squirrel* George Orndorff Iii, 2013-06 The True Story of Lucky The Squirrel is a heart warming story about a very special little gray squirrel who came to us one day completely by chance And in a very short time he filled our lives with love and joy He proved that the size of someone's heart is more important than who or what they are **Lucky Star Episode One** Odette C. Bell, You won't have to wait for the next book in this complete series So why not jump in today Ariel doesn't belong in this time She comes from a world of call centers cats and lonely nights in front of the TV Then the world ends Hundreds of years later she wakes up to a handsome soldier and a future that doesn't want her That's fine by Ariel she doesn't want the future either But when her hidden powers are discovered she'll be taught to fight And it'll thrust her into the middle of a malevolent plot to use her new found abilities to end a 100 year galactic war Soon it's up to Ariel to save the future she never wanted and it's up to her hot space marine to show her the

Myers,2010-06 One Lucky Bastard A Memoir is a story inspired by an event that occurred in 1995 when my biological mother and I were reunited for the first time in 37 years I was born a bastard big deal not everyone enters the world through the eyes of Norman Rockwell The important thing was that I was adopted well My parents loved me and were excellent providers By age twelve however certain issues regarding my sexual orientation emerged During that period of chaos known as puberty I chose to hide behind a straight relationship for eight years until it tragically fell apart Little did I know but that was just the beginning of a series of extraordinary challenges including the death of my soul mate brought on by the onslaught of AIDS There was the murder of my Godchild s mother by her husband My father would die on the floor of a VA hospital and my mother would go on to develop Alzheimer s disease As the first thirty seven years of my life came its darkest point I found myself searching for my biological roots Fate gracefully stepped in and guided me towards the mother who was forced to give me away at birth and a reunion took place that changed two lives forever One Lucy Bastard A Memoir will appeal to anyone who has been involved in an adoption experience and to everyone who has struggled to find authenticity in their lives James B Myers lives in Los Angeles California
