The beautiful and the dark side of a love story Adrian Gabriel Dumitru, The book is trying to define the beautiful and the dark side from a man and a woman that are in love of each other but not as theory but as a result of analyzing facts that are happening on the timeline of the love story It s a book about a fairy tale with 2 lovely characters that are not understanding but also are not accepting that the meaning of an abstract love or an imposible story is to enjoy only the beauty of what is going on The 2 people from the essays get lost so many times that not even the people around them can t see if the story itself is real or not But it s all a journey of accepting the beautiful and the dark side from the person that you love so much After the first period when you are blinded by love it comes the second episode when you see that you are not in love with a god but with a human being and just as you have millions of imperfections the same has also that magic person that you fall in love with It s a book that defines the fact that we should accept the things just as they are and love with an opened heart no matter what is going on The nice part is that the book is not a collection of imaginary stories but essays that talks about a real story between 2 adults that wants to redefine and also restart their lives but in the end just enjoy the fact that they met losing any expectation at all as the story to become a real one Today you are happy tomorrow you are not and the essays describes this in a very honest but also beautiful way all those amazing moments spent togheter Lost, Hidden, Small KATE HAYNES. MURPHY, 2025-10-14 Living faithfully in a culture of violence hierarchy and supremacy means following Jesus into weakness loss and even despair In this indelible book of spiritual formation pastor Kate Murphy asks What if the abundant life lies in finding what s been lost uncovering what is hidden and learning to hope in what is small

The Story of B Daniel Quinn, 2010-01-13 From the author of the critically acclaimed award winning bestseller Ishmael and its sequel My Ishmael comes a powerful novel with one of the most profound spiritual testaments of our time A compelling humantale that will unglue stun shock and rearrange everything you ve learned and assume about Western civilization and our future Paul Hawken author of The Ecology of Commerce Father Jared Osborne has received an extraordinary assignment from his superiors Investigate an itinerant preacher stirring up deep trouble in central Europe His followers call him B but his enemies say he s something else the Antichrist However the man Osborne tracks across a landscape of bars cabarets and seedy meeting halls is no blasphemous monster though an earlier era would undoubtedly have rushed him to the burning stake For B claims to be enunciating a gospel written not on any stone or parchment but in our very genes opening up a spiritual direction for humanity that would have been unimaginable to any of the prophets or saviors of traditional religion Pressed by his superiors for a judgement Osborne is driven to penetrate B s inner circle where he soon finds himself an anguished collaborator in the dismantling of his own religious foundations More than a masterful novel of adventure and suspense The Story of B is a rich source of compelling ideas from an author who challenges us to rethink our most cherished beliefs Explore Daniel Quinn s spiritual Ishmael trilogy ISHMAEL MY ISHMAEL THE STORY OF B Passion Yarbrough, Oliver Larry , 2015-02-01 **Lessons from the Porch** Ed Poole, 2003 Lessons from the Porch is Ed

Poole's thoughtful memoir of life's lessons which he shares with endearing charm and good natured heart. The book is a thoughtful journey and an engaging reminiscence. Lessons from the Porch will allow the reader to consider questions such as: Have you wondered how you arrived at your current stop along your journey? Have you ever asked the question: What am I supposed to be learning from this experience? How can I leave this world a bit better than it was when I found it? Although written about his own experience battling depression, the book is meant for anyone embarking on a journey to know themselves and cultivate new friendships. We all have places from which we learn life's lessons. For some it may be sitting beside a meandering stream. For this author, the place to which he returned to understand his journey was the porch that surrounded his house as he grew up. Metaphorically, Poole's porch represents how he either has or has not accepted changes in his life. The dilemma about how and when to leave his porch goes back to his early boyhood when his mom would always say: Eddie, don't get too close to the edge of the porch because you might fall off.
