Conversing with God in the Easter Season Stephen J. Binz, 2012-02-01 Lectio divina is an ancient spiritual practice that can help us to hear God speaking to us through the words of Scripture In recent times Pope Benedict XVI and a Synod of Bishops have recommended that laypeople pray with the Scriptures using this method In this book respected biblical scholar Stephen J Binz chooses the first reading and the Gospel for each Sunday in cycles A B and C during the Easter season all the way up until Pentecost Then he leads readers through the steps of lectio divina reading meditation prayer contemplation and action by suggesting themes and verses on which to focus **The Assembly Herald** ,1909 *Jesus and the Origins of the Gentile Mission* Michael F. Bird, 2006-11-13 Bird argues that Jesus was attempting to achieve and enact the restoration of Israel and in continuity with other strands of Jewish belief Jesus conceived of the restoration of Israel as resulting in the salvation of the gentiles Jesus mission was Israel centric but he espoused a view of restoration that was indebted to certain strands of Israel s sacred traditions where the gentiles are implicit beneficiaries of Israel s salvation Since this restoration was already being partially realized in Jesus ministry it was becoming possible for gentiles to begin sharing in Israel s salvation in the present Additionally Jesus understood himself and his followers to be the new temple and the vanguard of the restored Israel who would appropriate for themselves the role of Israel and the temple in being a light to the nations Thus a gentile mission has its germinal roots in the aims and intentions of Jesus and was developed in a transformed situation by adherents of the early Christian movement Journal of the ... Annual Convention, Diocese of Southern Ohio Episcopal Church. Diocese of Southern Ohio. Convention, 1876 The Old Franciscan Missions Of California George Wharton James, 2022-09-15 In *The Old Franciscan Missions Of California* George Wharton James transports readers to the spiritual and cultural landscape of 18th and 19th century California This meticulously researched work is characterized by James s lyrical prose which elegantly intertwines historical narratives with vivid descriptions He delves into the architectural grandeur ritual practices and socio political contexts of the Franciscan missions establishing them as both religious sanctuaries and centers of community life His narrative style reflects a nuanced understanding of the era s complexities making this book a significant contribution to American historical literature and the study of colonialism in the West George Wharton James 1858 1923 was a passionate advocate for the preservation of California s natural and cultural heritage As a prominent writer and lecturer his extensive travels throughout the American West deeply informed his perspective on the missions His commitment to education and historical preservation stemmed from his encounters with the remnants of California s colonial past which he sought to illuminate and celebrate through this fervent exploration This book is highly recommended for historians scholars and enthusiasts of California s rich heritage James s compelling narrative invites readers to appreciate the missions not only as historical sites but as vibrant witnesses to the cultural confluence that shaped the region Engaging with this text will deepen one s understanding of California s identity and the enduring legacy of the Franciscan missions Island at the End of the World Steven Roger Fischer, 2006-06-01 On a long stretch of green coast in

the South Pacific hundreds of enormous impassive stone heads stand guard against the ravages of time war and disease that have attempted over the centuries to conquer Easter Island Steven Roger Fischer offers the first English language history of Easter Island in *Island at the End of the World* a fascinating chronicle of adversity triumph and the enduring monumentality of the island's stone guards A small canoe with Polynesians brought the first humans to Easter Island in 700 CE and when boat travel in the South Pacific drastically decreased around 1500 the Easter Islanders were forced to adapt in order to survive their isolation Adaptation Fischer asserts was a continuous thread in the life of Easter Island the first European visitors who viewed the awe inspiring monolithic busts in 1722 set off hundreds of years of violent warfare trade and disease from the smallpox wars and Great Death that decimated the island to the late nineteenth century Catholic missionaries who tried to save it to a despotic Frenchman who declared sole claim of the island and was soon killed by the remaining 111 islanders The rituals leaders and religions of the Easter Islanders evolved with all of these events and Fischer is just as attentive to the island's cultural developments as he is to its foreign invasions Bringing his history into the modern era Fischer examines the colonization and annexation of Easter Island by Chile including the Rapanui people's push for civil rights in 1964 and 1965 by which they gained full citizenship and freedom of movement on the island As travel to and interest in the island rapidly expand *Island at the End of the World* is an essential history of this mysterious site
