unique often unclassifiable life forms Quofum's wild biodiversity doesn't appear to be natural But if it is by design then by whose and for what purpose There are more revelations more highly evolved species waiting to be identified even tantalizing clues to a civilization light years ahead of the Commonwealth's But the crew members are not ready for the real shockers because none of them expect to find a killer in their midst or to discover that their spaceship is missing and with it all means of communication Of course the marooned teammates know nothing about the Great Evil racing toward the galaxy and they certainly have never heard of Flinx the only person with half a chance to stop it Nor do they know that Quofum could play a crucial role in defeating the all-devouring monster from beyond One thing the scientists do know however is how to ferret out the truth But whether that will be enough to alter the course of the oncoming catastrophe is anyone's guess The Flavors of Other Worlds Alan Dean Foster, 2019-03-04 Thirteen science fiction tales by the 1 New York Times bestselling author of the Icerigger Trilogy and To the Vanishing Point From fighting giant bugs to defeating an interstellar empire without firing a shot from scientific idiot savants toying with the universe to how the robots will really win the robot apocalypse these thirteen flavorful tales are guaranteed to entertain amuse awe and maybe even enlighten Includes the first appearance in print of the Icerigger novellette Chilling and a new novelette Valentin Sharffen and the Code of Doom Running from the Deity Alan Dean Foster, 2006-11-28 From science fiction legend Alan Dean Foster comes a thrilling Pip and Flinx adventure wherein a certain red-haired green-eyed young man blessed or cursed with strange powers finds himself and his mini dragon sidekick on a top secret mission concerning deep space alien worlds and a primordial horror intent on devouring all of it In the outer depths of the universe lies the Great Emptiness where something dreadful lurks hidden behind a great gravitational lens of dark matter Something horrific that howls and writhes and rages across three hundred million light years of space and is now heading straight for the Commonwealth and moving faster all the time One slim chance exists to avert catastrophe and only Flinx can take it Roaming the galaxy is a conscious planet-size weapons system the legacy of a long extinct race As Flinx is the only one who has ever experienced mental contact with the machine it is his job to find the powerful alien artifact and coax it into joining the battle against the behemoth from beyond So Pip and Flinx valiantly sail into the unknown aboard their little spaceship which is immediately forced down for emergency repairs on planet Arrawd home to less advanced sentients and therefore off-limits to space travelers But what with Arrawd being very beautiful and Flinx being Flinx this particular rule doesn't stand a chance Now Flinx is no stranger to murderous attacks and stalking assassins evading them occupies most of his waking hours but to be besieged by hordes bent on worshipping him as a god Worse still escaping this fate is going to be as impossible as fulfilling his dire mission What's a deity to do The End of the Matter Alan Dean Foster, 2002-03-26 Accompanied by his faithful minidrag Pip and a most troublesome alien called Abalamahalamatandra Ab for short Flinx set out for Alaspin the ruggedly primitive homeworld of his flying snake There he hoped to find the giant man with the gold earring who somehow held the key to Flinx's mysterious past and to the strange

powers he possessed Chasing down his heritage was trouble enough but Flinx didn't know what real trouble was until he realized that the Qwarm a deadly assassin squad were three steps behind him with a contract to kill But the minidrag's homeworld did not offer safety and Flinx had a terrible time just staying alive a matter complicated to no mean degree by a collapser already set on an unstoppable death course across the galaxy **The Tar-aiym Krang** Alan Dean
