Conversations with Willie Morris Willie Morris, 2000 In this first collection of interviews and profiles devoted to author Willie Morris Bales compiles 25 fascinating and incisive conversations some never before published with a man who confronted the turbulent issues of his generation Yazoo Willie Morris, 2012-06-01 In 1970 Brown v Board of Education was sixteen years old and fifteen years had passed since the Brown II mandate that schools integrate with all deliberate speed Still after all this time it was necessary for the U S Supreme Court to order thirty Mississippi school districts whose speed had been anything but deliberate to integrate immediately One of these districts included Yazoo City the hometown of writer Willie Morris Installed productively on safe sane Manhattan Island Morris though compelled to write about this pivotal moment was reluctant to return to Yazoo and do no less than serve as cultural ambassador between the flawed Mississippi that he loved and a wider world I did not want to go back Morris wrote I finally went home because the urge to be there

during Yazoo's most critical moment was too elemental to resist and because I would have been ashamed of myself if I had not. The result Yazoo is part reportage part memoir part ethnography part social critique and one of the richest accounts we have of a community's attempt to come to terms with the realities of seismic social change. As infinitely readable and nuanced as ever Yazoo is available again enhanced by an informative foreword by historian Jennifer Jensen Wallach and a warm and personal afterword on Morris's writing life by his widow JoAnne Prichard Morris.

Richard Wright Kenneth Kinnamon, 2014-11-04 African American writer Richard Wright 1908-1960 was celebrated during the early 1940s for his searing autobiography *Black Boy* and fiction *Native Son*. By 1947 he felt so unwelcome in his homeland that he exiled himself and his family in Paris. But his writings changed American culture forever and today they are mainstays of literature and composition classes. He and his works are also the subjects of numerous critical essays and commentaries by contemporary writers. This volume presents a comprehensive annotated bibliography of those essays, books, and articles from 1983 through 2003. Arranged alphabetically by author, within years are some 8,320 entries ranging from unpublished dissertations to book-length studies of African American literature and literary criticism. Also included as an appendix are addenda to the author's earlier bibliography covering the years from 1934 through 1982. This is the exhaustive reference for serious students of Richard Wright and his critics.

Why Any Woman Keira V. Williams, 2023-11-15 Scholars are revisiting the history of feminist activism and organizations, mining it for a revisionist grassroots gender politics in the South. *Why Any Woman* advances this line of historical inquiry by focusing on one of the most productive sites of late twentieth-century southern feminism: popular culture. By and about southern women, the nature of popular culture is such that the challenges it poses to the gendered and racial order, for instance, are likely to be consumed privately in theaters or at home alone or with friends or family by more people than would ever read a feminist manifesto, attend a civil rights demonstration, or lobby a legislator for change. In the cultural desert of the late twentieth-century pre-internet South, during a time in which there were fewer avenues of activism and organizing, other sources of feminism predominated, and pop culture is where many of us turned for guidance, for role models, and whether or not we knew it, for consciousness-raising. In a region and during a time of neoconservative backlash in which women's liberation was under attack, southern women's pop culture offered a bridge between the second and third waves of feminism and a major challenge to contemporary antifeminist forces. *Why Any Woman* examines key texts by and about southern women: the play *Crimes of the Heart*, the novels *The Color Purple* and *Ugly Ways*, the films *Thelma & Louise* and *Beloved*, the television shows *Designing Women* and *The Oprah Winfrey Show* as a means of understanding the role of regional popular culture in

defining and redefining American feminisms as we approached the twenty first century Taken as a collective these texts expand how we think about the whats wheres whens and hows of feminisms in recent U S history Why any woman give a shit what people think is a mystery to me muses the blueswoman Shug Avery in Alice Walker s *The Color Purple* Why Any Woman features southerners who like Shug rejected and reshaped gender norms and their stories illustrate some of the ways regional pop culture has been and still is a crucial site of American feminisms Willie Morris Jack Bales,2015-06-14 William Weaks Morris was a writer defined in large measure by his Southern roots A seventh generation Mississippian he grew up in Yazoo City frequently reminded of his heritage Spending his college years at the University of Texas and at Oxford University in England gave Morris a taste of the world and at the very least something to write home about This volume is a comprehensive reference work dealing with Willie Morris life and works It is also a literary biography based on hundreds of primary sources such as letters newspaper articles and interviews The principal focus is on Morris literary legacy which includes works such as *North Toward Home* *New York Days* and *My Dog Skip* **The Plays of Beth Henley** Gene A. Plunka,2014-11-18 Beth Henley s twelve complete plays three of which have been turned into films have achieved worldwide production At age 29 she produced her first full length drama *Crimes of the Heart* which won a Pulitzer Prize and garnered three Academy Award nominations as a film Her Mississippi upbringing and her penchant for the eccentricities of southern culture however have caused critics to categorize her writing as a kind of southern gothic folklore inspired by feminist ideology This book the first critical study of Henley s complete plays attempts to dispel the common stereotypes that associate Henley s work with regional drama and sociological treatises It argues instead that Henley can best be perceived as a dramatist who delineates an existential despair manifested in various forms of what Freud calls the modern neurosis The book maintains that Henley s plays must be understood as universal statements about the angst of modern civilization and Henley s characters are assessed in light of Freud s proposition that cultural restrictions create neurotic individuals The introduction provides a brief account of Henley s childhood and career Early chapters summarize the theory of the modern *angoisse* espoused in Freud s *Civilization and Its Discontents* while later chapters relate this theory to thematic and stylistic elements of Henley s most popular play *Crimes of the Heart* as well as *Am I Blue* *The Wake of Jamie Foster* *The Miss Firecracker Contest* *The Debutante Ball* *The Lucky Spot* *Abundance* *Signature Control* *Freaks* *Revelers* *L Play* and *Impossible Marriage* **Revisioning Writers' Talk** Mary Ann Cain,1995-03-09 Stressing the social dimensions of composing this book inquires into the problems of interpreting and representing writers talk in both academic and self directed writing groups arguing for the value of such talk as a distinct mode of knowing that both complements and criticizes more traditional forms of inquiry Emphasizing the role of writers talk in shaping the text that they produce it discusses the problem of representing and interpreting writers talk in the context of composition studies using feminist theoretical perspectives to illuminate the difficulty in representing the writer as a knowing subject neither essentialist nor totally constructivist *Revisioning Writers*

Talk also investigates the idea of the social in social constructivist theories of composing arguing that they maintain rather than demystify hierarchies of discourse and in turn the subjects and objects of composing Cain s own story of composing is told in the context of her educational experiences as a writer Finally the book discusses the constructions of power and authority by both academic and self directed writing groups *Authors on Writing* B. Tomlinson,2005-03-01 Drawing on some 3 000 published interviews with contemporary authors *Authors on Writing Metaphors and Intellectual Labor* reveals new ways of conceiving of writing as intellectual labor Authors metaphorical stories about composing highlight not interior worlds but socially situated cultures of composing and apparatuses of authorship Through an original method of interpreting metaphorical stories Tomlinson argues that writing is both an individual activity and a collective practice a solitary activity that depends upon rich sustained and complex social networks institutions and beliefs This new book draws upon interviews with writers including Seamus Heaney Roald Dahl Samuel Beckett Bret Easton Ellis John Fowles Allen Ginsburg Alice Walker and Gore Vidal Ann Arbor Yesterdays Lela Duff,1962 **Encyclopedia of Southern Literature** Mary Ellen Snodgrass,1997 In alphabetical entries the author presents literature motifs historical eras writers titles and genres as a method of defining and exemplifying the region s contributions to American and world literature Preface p ix
