Mistreb Unabridged:

I Was the President's Mistress!! Miguel Syjuco, 2025-10-16 Brilliant Miguel Syjuco is his country's most original and unflinching literary voice. Salman Rushdie: It's a rare novel that leaves you reeling simultaneously with admiration, exhaustion, amazement at its author's reach and skill, and desolation at the world it spreads out before you. A raging protest of a book. James Lasdun, The New York Times Book Review Editors' Choice. From Miguel Syjuco, the winner of the Man Asian Literary Prize for *Ilustrado*. *I Was the President's Mistress* is an unflinching satire about power, corruption, sex, and all the other topics you were told never to discuss in polite company. First came the Sexy Sexygate scandal. Then an impeachment trial. Finally a battle royale for the presidency. At the center of this political typhoon is Vita Nova, the most famous movie star in the Philippines and a former paramour of the country's most powerful man. Now for the first time ever she bares herself completely in a tell-all memoir that puts the sensational in sensationalistic. The setting: a sweating, heaving country. The time: right now. The plot: a drug war rages; an assassin brandishes a pistol; a damsel rises from ashes to power; and a government teeters on the brink. Among the players: a dreamer who boxed and acted his way to the presidency; his Koran-toting nemesis in the senate; a horny bishop; a cowboy turned warlord; a poor little rich boy dying with his dynasty; a washed-up reporter redeemed by one last scoop; a high school sweetheart driven mad by decades of disappointment; and an American naval officer tempting our heroine with a way out. As Vita warns: viewer discretion is advised. In this masterful and audacious novel, Miguel Syjuco's signature style—hilarious, insightful, playful, provocative—animates thirteen indelible voices whose stories present a cross-section of a complicated society. *I Was the President's Mistress* hurtles headlong into love, politics, faith, history, memory, and the ongoing war over who will tell the stories the world shall know as truth. **Womanish Black Girls** Dianne Smith, Loyce Caruthers, Shaunda Fowler, 2019-05-23 A 2020 SPE Outstanding Book Award Winner. A 2019 AESA Critic's Choice Award Winner. *Womanish Black Girls: Women Resisting Contradictions of Silence and Voice* is a collection of essays written by varied black women who fill spaces within the academy, public schools, civic organizations, and religious institutions. These writings are critically reflective and illuminate autobiographical storied lives. A major theme is the notion of womanish black girls: women resisting the familial and communal expectations of being seen rather than heard. Consequently, these memories and lived stories name contradictions between being told what to do or say and knowing and deciding for herself. Additional themes include womanism and feminism, male patriarchy, violence, cultural norms, positionality, spirituality, representation, survival, and schooling. While the aforementioned can revive painful images and feelings, the essays offer hope, joy, redemption, and the reimagining of new ways of being in individual and communal spaces. An expectation is that middle school black girls, high school black girls, college/university black girls, and community black women will view this work as seedlings for understanding, resistance, claiming voice, and healing. Perfect for courses in Adolescent Development, American Studies, Black Studies, Educational Anthropology, Latino Studies, Multicultural Education, Social Foundations of Education.

Kabamba Kiboko,2017-02-23 An examination of the language of divination in the Hebrew Bible particularly in 1 Samuel 28 3 25 the oft called Witch of Endor passage Kiboko contends that much of the vocabulary of divination in this passage and beyond has been mistranslated in authorized English and other translations used in Africa and in scholarly writings Kiboko argues that the woman of Endor is not a witch The woman of Endor is rather a diviner much like other ancient Near Eastern and modern African diviners She resists an inner biblical conquest theology and a monologic authoritarian view of divination to assist King Saul by various means including invoking the spirit of a departed person Samuel Kiboko carries out a Hebrew word study shaped by the theories of Mikhail M Bakhtin regarding the utterance heteroglossia and dialogism in order to understand the designative connotative emotive and associative meanings of the many divinatory terms in the Hebrew Bible She then examines 1 Samuel 28 and a number of prior translations thereof using the ideological framework of African feminist postcolonial biblical interpreters and translation theories to uncover the hidden ideology or transcript of these translations Finally using African contextual cultural hermeneutics and cross cultural translation theory Kiboko offers new English French and Kisanga translations of this passage that are both faithful to the original text and more appropriate to an inculturated liberation African Christian hermeneutic theology and praxis *The Chinese Students' Monthly* , Glossary to the works of William Shakespeare. revised by H.
