Mixed Matches How To Create Successful Interracial Interethnic And Interfaith Marriages:

Mixed Matches Joel Crohn, 1995 Mixed matches are more complicated relationships than those between people from similar backgrounds. Often the very qualities that attracted us to our partners ultimately lie at the roots of our most difficult problems. For even when partners don't feel a strong identification with their racial, religious, or cultural groups, they discover that their loyalty to the past goes deeper than they realized. Psychotherapist Joel Crohn has learned in years of counseling couples in cross-cultural relationships that how partners negotiate their cultural and religious differences is as important as what the differences are. Over time, the reserve of a Protestant wife can seem like emotional withholding to her Jewish husband whose openness seems intrusive to her. An Asian father may feel his children need more discipline while his American wife thinks they have it harder than she did. A black Trinidadian man is excited about the opportunities in the United States while his Detroit-born black girlfriend thinks he's naive about racism. The methods in *Mixed Matches* have helped these and many other couples approach each other compassionately, teaching them to translate their different styles of expression and negotiate successful resolutions. Dr. Crohn also offers practical advice on how couples can confront prejudice and stereotypes, deal with in-laws, and help children achieve a sense of identity in a bicultural family.

Making a Successful Jewish Interfaith Marriage Kerry M. Olitzky, Joan Peterson Littman, 2003 Straightforward and nonjudgmental advice for dating couples, partners, husbands, and wives in interfaith relationships. Interfaith relationships are commonplace; the challenges that go along with them are not. An interfaith couple will have to confront tough questions yet it's often difficult to find answers, especially when traditional sources of help—family, friends, clergy, and counselors—are unable or unwilling to understand the problems. From a Jewish perspective, this book guides interfaith couples at any stage of their relationship, from dating and engagement to the wedding and marriage, and the people who are affected by their relationship in any way, including their families and counselors who work with interfaith couples. While making no judgments or dictating answers and supporting individual choice, topics covered include: What is an intermarriage? Why do people intermarry? When do you bring up the subject of religion? What is conversion, and is it necessary? When do you discuss and decide how children will be raised, and much more.

The Interracial Experience Ursula M. Brown, 2000-11-30 The number of black-white mixed marriages increased by 504% in the last 25 years. By offering relevant demographic research and sociocultural data, as well as a series of intensely personal and revealing vignettes, Dr. Brown investigates how mixed-race people cope in a world that has shoehorned them into a racial category that denies half of their physiological and psychological existence. She also addresses their struggle for acceptance in the black and white world, and the racist abuses many of them have suffered. Brown interweaves research findings with interviews of children of black-white interracial unions to highlight certain psychosocial phenomena or experiences. She looks at the history of interracial marriages in the United States and discusses the scientific and social theories that underlie the racial bigotry suffered by mixed people. Questions of racial identity conflict

and self esteem are treated as are issues of mental health An important look at contemporary mixed race issues that will be of particular interest to scholars researchers students and professionals dealing with race family and mental health concerns

Making Our Way to Shore Eileen

O'Farrell, 2004 Since 1991 members of the Jewish Catholic Couples Dialogue Group in Chicago have celebrated a combination Hebrew Baby Naming and Baptism ceremony as they welcome their children into the world with the support and participation of a Catholic Priest and Reform Rabbi These ceremonies are spiritual moments created in the spirit of finding new pathways for interfaith families to share in their religious traditions For some couples their ceremony makes a statement about the religious identity of their child either in one tradition or another For others it is an expression of thanks

to God for new life and the wish to ask for God's blessing on their family. In either case the celebration is an authentic manifestation of a Divine presence in their new family. In addition to the ceremony this text includes an overview of the current literature regarding Catholic Jewish families, a review of Hebrew Rites of Initiation as well as a short course on Catholic sacramentality and Baptism, commonly asked questions and answers facing Catholic Jewish couples, a lively conversation between a Rabbi and a Priest regarding rites of initiation, a resource section of books and websites, and a closing chapter on topics of family faith formation.

Intercultural Parenting and Relationships Dharam Bhugun, 2019-05-10

This book provides understandings of how intercultural racial/ethnic national and faith couples and parents in Australia bring up their children and manage their relationships. Which challenges and benefits do they encounter and which strategies do they use to negotiate their differences and belongingness? In portraying the lived experiences of intercultural couples and parents, Bhugun considers contextual and external factors such as individual and personality traits, the environment, gender and power, religion, socio-economic status, extended family, friends, and diasporic communities. Moving the reader from beyond negative stereotypes to a more nuanced representation of both the challenges and benefits of the phenomenon, *Intercultural Parenting and Relationships* provides intimate testimonies and offers innovations in theory and practice.
