Democracy, Revolution, and Monarchism in Early American Literature Paul Downes, 2002-08-15 Paul Downes combines literary criticism and political history in order to explore responses to the rejection of monarchism in the American revolutionary era Downes analysis considers the Declaration of Independence Franklin s autobiography Cr vecoeur s Letters from an American Farmer and the works of America s first significant literary figures including Charles Brockden Brown Washington Irving and James Fenimore Cooper He claims that the post revolutionary American state and the new democratic citizen inherited some of the complex features of absolute monarchy even as they were strenuously trying to assert their difference from it In chapters that consider the revolution s mock execution of George III the Elizabethan notion of the king s two bodies and the political significance of the secret ballot Downes points to the traces of monarchical political structures within the practices and discourses of early American democracy This is an ambitious study of an important theme in early American culture and society

Late Bloomer's Revolution Amy Cohen, 2007-07-03 The debut of a sparkling and reassuring memoirist an inspiration to late bloomers everywhere I like to consider myself a late bloomer meaning someone who will eventually however late come into bloom Although when and if I will bloom remains a mystery I wish I knew how to speak a foreign language fluently I wish I knew how to cook a simple roast chicken or that I had read The Idiot whose main character sounds like someone I can relate to In quick succession Amy Cohen lost her job writing sitcoms her boyfriend with whom she d been talking marriage and her mom after a long bout with cancer Not exactly the stuff humor thrives on is it But filtered through Amy s worldview there s comedy in the most unexpected places In this unforgettable engaging memoir she recounts her seemingly never ending search for love her evolving relationship with her widowed dad and her own almost unintentional growth as she stumbles through life Filled with observations sweet bittersweet and laugh out loud funny The Late Bloomer s Revolution will be irresistible to anyone who believes her greatest moment is yet to come

A Change of Air Anthony Hope, 1894 In his speech at the annual banquet of the Royal Academy in 1894 among many other good things Mr Andrew Lang said The thrifty plan of giving us sermons politics fiction all in one stodgy sandwich produces no permanent literature produces but temporary tracts for the times Fortunately we have among us many novelists young ones luckily who are true to the primitive and eternal the Fijian canons of fiction We have Oriental romance from the author of Plain Tales from the Hills We have the humor and tenderness certainly not Fijian I admit which produces that masterpiece A Window in Thrums we have the adventurous fancy that gives us A Gentleman of France The Master of Ballantrae Micah Clarke The Raiders The Prisoner of Zenda The last of these books was by Anthony Hope Hawkins whom Mr Lang thus classed among potential immortals This romance has made him within the last three months fairly famous Walter Besant too has stamped it with his high approval and the English and American press have been unusually unanimous in their praise

A Sarong for Clio Maurizio Peleggi, 2018-08-06 A Sarong for Clio testifies to an ongoing intellectual dialogue between its ten contributors and

Craig J Reynolds who inspired these essays Conceived as a tribute to an innovative scholar dedicated teacher and generous colleague it is this volume s ambition to make a concerted intervention on Thai historiography and Thai studies more generally by pursuing in new directions ideas that figure prominently in Reynolds s scholarship The writings gathered here revolve around two prominent themes in Reynolds s scholarship the nexus of historiography and power and Thai political and business cultures often so intertwined as to be difficult to separate The chapters examine different types of historical texts Thai political discourse and political culture and the media production of consumer culture Contributors Chris Baker Patrick Jory University of Queensland Brisbane Tamara Loos Cornell University Yoshinori Nishizaki National University of Singapore James Ockey University of Canterbury Maurizio Peleggi National University of Singapore Pasuk Phongpaichit Chulalongkorn University Bangkok Kasian Tejapir Thammasat University Bangkok Villa Vilaithong Chulalongkorn University Bangkok Thongchai Winichakul University of Wisconsin Madison **Souls with Longing** Dustin A. Gish, Bernard J.

Dobski, 2011-11-21 The works of William Shakespeare vividly represent for our admiration and study a pageant of souls with longing in whose wake we ceaselessly follow Through some of his most memorable characters Shakespeare illuminates the nature and character as well as consequences of our distinctively human passions and ambition in particular our desire for and pursuit of both honor and love The contributors to this collaborative volume scholars in English Literature Political Philosophy and the Humanities argue that Shakespeare has much to teach us about our longing for honor and love in particular and thus about who we are what we desire and why Through sustained reflection on the Shakespearean portraits of honor and love which are the focus of the chapters in *Souls With Longing* we become more keenly aware of our own humanity and come to know ourselves more profoundly As the abiding popularity of his works aptly demonstrates Shakespeare s unforgettable portraits of souls with longing his representations of honor and love continue to exert undeniable sway over our political moral and romantic imaginations *Written for Children* John Rowe Townsend, 1996 This is a brief readable account of English prose fiction for children from its beginning main streams of development and includes the *Courtesy Books* of a later age and the work of the remarkable John Newbery in the eighteenth century The nineteenth century which began with Mrs Sherwood s *The Fairchild Family* designed to strike the fear of hellfire into every child s soul later saw the works of Lewis Carroll Stevenson Henty and the development of the school story from Tom Brown to *Stalky* Book Jacket **Social & Emotional Teaching Strategies** Stephanie A. Nugent, Stephanie K. Ferguson, 2005 As a classroom teacher you play an active role in your students social and emotional development This excellent guide offers useful advice and suggestions for classroom teachers seeking to support the emotional growth of the gifted children in their classroom Elements associated with social and emotional education include a wide range of personal attributes including value systems attitudes interests feelings and emotions interpersonal relationships and character and leadership With so many factors linked to social and emotional education the affective domain should be given a priority in school curricula

However prior to crises or overt threats schools have traditionally paid little attention to the social and emotional needs of the student body Stephanie A Nugent explains the necessity of social and emotional education in nurturing the development of gifted students and offers strategies for the classroom that work for both groups and individuals This is one of the books in Prufrock Press popular Practical Strategies Series in Gifted Education This series offers a unique collection of tightly focused books that provide a concise practical introduction to important topics concerning the education of gifted children The guides offer a perfect beginner s introduction to key information about gifted and talented education Educational Resource

Bright and Distant Shores Dominic Smith, 2011-09-13 Chicago 1897 An obsessive collector and insurance magnate commissions the world s tallest building Determined to compete with Marshall Field s recent donation of 1 million to found the Field Museum the tycoon funds a private collecting voyage into the Pacific collecting not only weaponry and artefacts but also several natives related by blood

A History of Ireland Under the Union P. S. O'Hegarty, 2022-12-15 Originally published in 1952 A History of Ireland Under the Union was written by an historian who played an active part in the political events of the later part of the period In Ireland there are two national traditions that of the Kingdom of the Gael established at the end of the 4th Century A D and the other colonial tradition evolved by the descendants of various generations of Planters from England The book provides a full account of 19th Century Irish history and shows how the colonial nationalists discarded their nationalism after 1801 and how the emerging Gael under Daniel O Connell adopted and fused the two traditions into an Irish national tradition which was vitalised by Irish literature and culture Containing much original source material the book throws light on aspects of Irish history whose significance is often overlooked such as the part played by the RIC and the Secret Societies in Ireland and the USA

The Viennese Revolution of 1848 R. John Rath, 1957-01-01 Liberalism in the nineteenth century sense of the term came to Austria much later than it came to western Europe for it was not until the 1840s that the industrial revolution reached the Hapsburg Empire bringing in its train miserable working conditions and economic upheaval which created bitter resentment among the working classes and a longing for a Utopia that would cure the ills of mankind This new found liberalism largely self contained and uninfluenced by liberal movements outside the empire centered mainly in the idea of individual freedom and constitutional monarchism In the end the revolution failed because the moderates proved too weak to control the radical excesses and the radicals in growing desperation tried to turn the rebel idea into a democratic and at the extreme a republican one Fear of this extremism finally drove the moderates into the counterrevolutionary camp Since the Viennese rebels fought to achieve many of the goals fundamental to democracy historians have generally tended to idealize the revolutionaries and forget their shortcomings R John Rath has sought to evaluate the revolution from the point of view of the political ideologies of 1848 rather than those of the mid twentieth century Moreover he has clearly and objectively stated the case for both the left and the right pointing out the failures and shortcomings of each At its publication this was the first detailed English language book on the Viennese Revolution of 1848

in more than a hundred years The author has not confined himself to the bare bones of history In his descriptions of the times and lively portrayals of the chief actors of the revolution he has vividly restaged a drama of an ideal that failed *Literature, Intertextuality, and the American Revolution* Steven Blakemore, 2012-08-31 Dealing with Thomas Paine's *Common Sense* 1776 John Trumbull's *M Fingal* 1776 82 Philip Freneau's *The British Prison Ship* 1781 J Hector St John de Crèvecoeur's *Letters from an American Farmer* 1782 and Washington Irving's *Rip Van Winkle* 1819 20 Steven Blakemore breaks new ground in assessing the strategies of subversion and intertextuality used during the American Revolution Blakemore also crystallizes the historical contexts that link these works together contexts that have been missed or overlooked by critics and scholars The five works additionally illuminate issues of history The Norman Conquest the English Civil War and the French Revolution and gender as they impinge on American revolutionary discourse The result is five new readings of significant revolutionary era works that suggest fruitful entries into other literatures of the Revolution Blakemore demonstrates the nexus between literature and history in the revolutionary era and how it created an intertextual dialogue in the formation of the first postcolonial critiques of the British Empire *A Change of Air* Anthony Hope, 2020-07-25 Reproduction of the original *A Change of Air* by Anthony Hope *A Revolution in Colour* Giorgio Riello, Maria Hayward, Ulinka Rublack, 2024-09-19 This major volume aims to recolour the European world of dress c 1300 1800 New dyes created one of the most important visual experiences of the period yet their story has been sidelined by a focus on visual experiences shaped by the high arts Meanwhile theatrical productions and period films still abound with broad assumptions about the growing dominance of black clothing for elites during the period while ordinary people are imagined having worn coarse greys and bleached garments This volume presents clear evidence that even the clothing of the middle classes could be much more expensive than paintings and that coloured clothing and accessories were ubiquitous across society Contributors shed new light on the economic environmental and cultural dimensions of colour in dress The range of dyes expanded considerably in the sixteenth and seventeenth centuries drawing on Asian and Mediterranean knowledge new collections of recipes and the greater diversity of plants available through New World trade Working creatively with organic plant animal and mineral materials to make colours involved considerable knowledge pleasure and skill The creation of colour through dyes thus reveals a whole range of global agricultural and craft technologies that can inspire future material worlds and transforms our understanding of Europe's cultural heritage *Literature and Revolution in England, 1640-1660* Nigel Smith, 1997-01-01 At a time of crisis and constitutional turmoil literature itself acquired new functions and played a dynamic part in the fragmentation of religious and political authority **Diary of the American Revolution** Frank Moore, 1860 The materials of these volumes are taken from Whig and Tory newspapers published during the American Revolution private diaries and other contemporaneous writings and are arranged chronologically Preface **Revolution in The Valley [Paperback]** Andy Hertzfeld, Steve Capps, 2005 Subtitle on spine The insanely great story of how the Mac was made
