anthology of Harrison's most revealing and illuminating interviews personal correspondence and writings spanning the years 1962 to 2001 This compendium of his words and ideas proves that point repeatedly revealing his passion for music his focus on spirituality and his responsibility as a celebrity as well as a sense of deep commitment and humor Though known as the Quiet Beatle Harrison was arguably the most thoughtful and certainly the most outspoken of the famous four Python's "Life of Brian". The influence on British society and the reactions of the Catholic Church ,2016-06-07 Essay from the year 2015 in the subject English Language and Literature Studies Culture and Applied Geography grade 1 3 University of Regensburg language English abstract Life of Brian had a big impact on British society This essay focuses on the influence of Life of Brian on British society and the reactions of the Catholic Church Peadar Kirby published his essay The Catholic Church in post Celtic Tiger Ireland 2008 in a book called Contemporary Catholicism in Ireland In this essay Kirby analyses the Irish Catholic Church in relation to a letter written by Father Patrick Seaver to The Irish Times in 2007 Kirby argues that the outdated clerical cast system and the troubles of the Irish Catholic Church are still present within modern society In the following essay Kirby s arguments will be used as a theory for discussing the accusation of blasphemy by the Catholic Church towards the movie Life of Brian by the comedian group Monty Python from 1979 and to point out the struggle of the Church to allow a critical view on the issue of religion The Mystery and the Passion David G. Buttrick, 2002-09-06 resurrection and death in order to connect modern preaching with the excitement of a changed world Although we may be jaded by sermons that chase Bible verses tediously for twenty minutes or more original listeners heard the gospel as a huge excitement The apostles announced a changed world The human world they claimed had begun all over again we are living now in a new creation They invited startled listeners to join God's new humanity From the Introduction Buttrick's teatment is no romanticizing of early Christianity The church then was as dismaying as it is now Instead this book focuses on the early Christian sense that they had passed from death to new life a reversal that began with Jesus resurrection then explored his passion and finally his ministry and life This book carefully examines the Gospel traditions so that this great reversal can be captured in Christian theology and proclamation Monty Python Douglas McCall, 2013-11-26 A chronological listing of the creative output and other antics of the members of the British comedy group Monty Python both as a group and individually Coverage spans between 1969 the year Monty Python's Flying Circus debuted and 2012 Entries include television programs films stage shows books records and interviews Back matter features an appendix of John Cleese s hilarious business training films an index of Monty Python s sketches and songs an index of Eric Idle s sketches and songs as well as a general index and selected bibliography

Ancient Rome on the Silver Screen Gregory S. Aldrete, Graham Sumner, 2023-05-15 An unparalleled exploration of films set in Ancient Rome from the silent Cleopatra to the modern rendition of Ben Hur No sooner had the dazzling new technology of cinema been invented near the end of the 19th century than filmmakers immediately turned to ancient history for inspiration Nero Cleopatra Caesar and more all found their way to

the silver screen and would return again and again in the decades that followed But just how accurate were these depictions of Ancient Rome In Ancient Rome on the Silver Screen Myth versus Reality Gregory S Aldrete and Graham Sumner provide a fascinating examination of 50 films set in Ancient Rome analyzing each for its historical accuracy of plot characters costumes and sets They also divulge insights into the process of making each movie and the challenges the filmmakers faced in bringing the Roman world to vivid cinematic life Beginning with the classics from the dawn of cinema through the great golden age of sword and sandals flicks in the 1950s to the dramatic epics of the modern day Aldrete and Sumner test the authenticity of Hollywood's version of history Featuring remarkable custom made paintings depicting characters as they appeared in film and how they should have appeared if they were historically correct Ancient Rome on the Silver Screen delivers an invaluable perspective of film and history This unique collaboration between professional illustrator and award winning Roman historian offers a deeper understanding of modern cinema and brings Roman history to life **Spirituality of Comedy** Conrad Hyers, 2017-07-28 To understand comedy is to understand humanity for the comic sense is central to what it means to be human Nearly all the major issues with which human beings have exercised themselves are touched upon in some manner by the comic spirit Yet education in the art of comedy and in comic appreciation is given little attention in most societies The Spirituality of Comedy explores the wisdom of comedy and the comic answer to tragedy in both popular and classical senses of the term Tragedy is seen as a fundamental problem of human existence while comedy is its counterweight and resolution Conrad Hyers has taken a fresh look at comedy from the standpoint of comparative mythology and religion and thus comedy s spiritual significance In his unique study of the comic tradition Hyers explains the difficulty in pinning down themes structures plots or characters that are common to all comedy Instead he argues that there is an essence of comedy in the area of pattern He draws upon the rich historical ensemble of types of comic figures the humorist comedian comic hero rogue trickster clown fool underdog and simpleton He shows how each type incarnates a comic heroism in its own unique manner offering a profound wisdom and philosophy of life The approach of this book is broadly interdisciplinary with materials and interpretations introduced from the various fields of the humanities social sciences and natural sciences as they illuminate both the tragic and comic sensibilities. The methodological thread that draws this all together is an analysis of the major types of comic figures in terms of the myths and legends associated with them the rituals they produce and enact and the symbolism of the comic figures themselves Written in a very readable literary style The Spirituality of Comedy will appeal to psychologists social scientists clergy philosophers and students of literature

Jesus Christ Superstar Robert Price,2011-03-28 Though the Rock Opera Jesus Christ Superstar has become a religious and musical phenomenon beloved around the world among Christians and non believers alike no one has ever delved into the lyrics with the practiced eye of a professional biblical critic until now Robert M Price here shows in surprising detail the astonishing insight and creativity of Tim Rice's sifting and rewriting of the gospels producing in effect a fifth genuine gospel

The result is a complete line by line commentary on this Superstar Gospel Handbook for the Study of the Historical Iesus (4 Vols) Tom Holmén, Stanley E. Porter, 2011 V 1 How to study the historical Jesus v 2 The study of Jesus v 3 The historical By the Waters of Naturalism Andrew P. Porter, 2001-10-11 We are taught by our culture to Jesus v 4 Individual studies think that for God to act he has to interfere with the natural course of events in one way or another perhaps through the openings left by quantum indeterminacy The argument of this book is that the pertinent concepts in religion don t work that way When the naive concept of divine interference is examined closely it guickly shows itself to be incoherent and incapable of doing the work assigned to it If we look at the language of human action in real life what we find is not nature but history The supernatural is just naturalism by other means the real alternative to nature is history. The God of history has a power and majesty that goes quite beyond anything that the naturalists have offered us A Companion to Josephus Honora Howell Chapman, Zuleika Rodgers, 2016-01-19 A Companion to Josephus presents a collection of readings from international scholars that explore the works of the first century Jewish historian Flavius Josephus Represents the first single volume collection of readings to focus on Josephus Covers a wide range of disciplinary approaches to the subject including reception history Features contributions from 29 eminent scholars in the field from four continents Reveals important insights into the Jewish and Roman worlds at the moment when Christianity was gaining ground as a movement Named Outstanding The Queer Encyclopedia Academic Title of 2016 by Choice Magazine a publication of the American Library Association of Film and Television Claude Summers, 2012-04-24 From Hollywood films to TV soap operas from Vegas extravaganzas to Broadway theater to haute couture this comprehensive encyclopedia contains over 200 entries and 200 photos that document the irrepressible impact of queer creative artists on popular culture How did Liberace's costumes almost kill him Which lesbian comedian spent her high school years as the best white cheerleader in Detroit For these answers and more fans can dip into The Queer Encyclopedia of Film Theater and Popular Culture Drawn from the fascinating online encyclopedia of gueer arts and culture www glbtg com which the Advocate dubbed the Encyclopedia Brittaniqueer this may be the only reference book in which RuPaul and Jean Cocteau jostle for space From the porn industry to the Sisters of Perpetual Indulgence from bodybuilding to Dorothy Arzner it s a queer gueer world and The Queer Encyclopedia is the indispensable guide readable authoritative and concise And perfect to read by candelabra The answers to the two questions above from the dry cleaning fumes Lily Tomlin John Donne's Professional Lives David Colclough, 2003 New studies offer a revisionist interpretation of Donne's career making a polemical case for studying the full range of his writings During his life John Donne occupied a range of professional positions in all of which he produced writings considered by his contemporaries to be worthy of interest collection and annotation Donne's lifetime also coincided with the period during which the notion of the profession became increasingly significant This volume makes a strong argument for the importance of Donne's professional writings to our understanding of his oeuvre and of the cultureof late sixteenth and early seventeenth century England
