*Monuments of the British Neolithic* Miles Russell, 2002      *Monuments as Cultural and Critical Objects* Thomas Houlton, 2021-11-25 *Monuments as Cultural and Critical Objects* explores monuments as political psychological social and mystical objects Incorporating autoethnography psychoanalysis deconstruction postcolonialism and queer ecology Houlton argues for a radical interdisciplinary approach to our monument culture Tracing historical developments in monuments alongside contemporary movements such as Rhodes Must Fall and Black Lives Matter Houlton provides an in depth critique of monument sites as well as new critical and conceptual methodologies for thinking across the field Alongside analysis of monuments to the Holocaust colonial figures and LGBTQIA subjects this book provides new critical engagements with the work of D W Winnicott Marion Milner Jacques Derrida Edward Said Eve Sedgwick and others Houlton traces the potential for monuments to exert great influence over our sense of self nation community sexuality and place in the world Exploring the psychic and physical spaces these objects occupy their aesthetics affects politics and powers this book considers how monuments can challenge our identities beliefs and our very notions of remembrance The interdisciplinary nature of *Monuments as Cultural and Critical Objects* means that it is ideally placed to intervene across several critical fields particularly museum and heritage studies It will also prove invaluable to those engaged in the study of monuments psychoanalytic object relations decolonization queer ecology radical death studies and affect theory      **Bronze Age Britain** Michael Parker Pearson, 2021-01-29 During the Neolithic and Bronze Age a period covering some 4 000 years from the beginnings of farming by stone using communities to the end of the era in which bronze was an important material for weapons and tools the face of Britain changed profoundly from a forest wilderness to a large patchwork of open ground and managed woodland The axe was replaced as a key symbol first by the dagger and finally by the sword The houses of the living came to supplant the tombs of the dead as the most permanent features in the landscape In this fascinating book eminent archeologist Michael Parker Pearson looks at the ways in which we can interpret the challenging and tantalising evidence from this prehistoric era He also examines the various arguments and current theories of archeologist about these times Drawing on recent discoveries and research and illustrated with numerous maps plans reconstructions and photographs this book shows what life was like and how it changed during the Neolithic and Bronze Age      *Tombs of the Great Leaders* Gwendolyn Leick, 2013-11-15 A visit to Ankara Turkey would include a trip to Anitkabir the burial site of Turkey s founder and first president Ataturk The massive stone building houses numerous sculptures and a large ceremonial plaza and is surrounded by an elaborate park Ataturk is far from the only former leader to be remembered by such decorative means Since the beginning of human history societies have built tombs and mausoleums to house the remains of people who changed the course of history These grave sites exist not only as sites of memory for different cultures but also serve the political needs of subsequent regimes Tracing the development of the political burial places since the Bronze Age tumuli

Tombs of the Great Leaders explores what attracts pilgrimages to these sites how politics play out in these locations how they convey meaning and safeguard a person's immortality and how history is commemorated through these structures Looking in depth at tombs built in the twentieth and twenty first centuries Gwendolyn Leick surveys the history of these modern leaders their deaths and the creation of the mausoleums She traverses the globe investigating the memorial sites of Communist leaders such as Lenin Mao Zedong Ho Chi Minh and Kim Il Sung Fascist rulers Franco and Mussolini and founding fathers of new nations including Ziaur Rahman in Dhaka Mohammed Ali Jinnah in Karachi and Sun Yat sen in Nanjing Leick describes the experience of visiting the sites the responses they elicit and the context in which they are viewed today Combining history architecture and travel writing Tombs of the Great Leaders is a revealing study of the self perpetuation of politicians despots and dictators alike

**Social Ghosts and the Dead of World History** Martyn Hudson,2023-04-07 Social Ghosts and the Dead of World History looks at the global phenomena of the dead in world history examining the phantasms and spirits of classical social science and philosophy From Hegel's World Spirit to Max Weber's Verstehen and Marx's phantasms there is a recurring obsession with the spirits of modernity This book explores the relationships and interactions between those spirits and materiality in five broad areas the nature of the dead in modernity shape shifting and mobile souls the spirit in accounts of prehistory and archaeology the phenomenology of spirits and the relation to statues and stone and the nature of spirit as it is manifested in wooden artefacts and folklore It offers a counter modernity to that of classical social science and philosophy and new ways of thinking about our crises and catastrophes in social theory and the world and the worlds beyond this world Building on the author's previous work on the sociology of haunted houses and landscapes it examines the body and the individual as the locus of haunting The book will appeal to academics in philosophy history social theory anthropology and cultural studies in its omni disciplinarity and in its import for rethinking the histories of social thought

*Warfare and Society* Ton Otto, Henrik Thrane, Helle Vandkilde,2006-11-01 This book straddles the disciplines of archaeology and social anthropology Its 25 contributions divided into 6 sections with separate introductions successively scrutinise the concept of war in philosophy social theory and the history of anthropological and archaeological research discuss warfare in pre state and state societies and assess its relationship to rituals social identification and material culture

Art as Metaphor Aron D. Mazel, George Nash, Clive Waddington,2007 Enigmatic esoteric and fascinating the rock art of the British Isles has for a long time been a well kept secret This volume brings together a carefully selected collection of papers reporting on recent discoveries and regional surveys covering British prehistoric rock art from over 10 000 years ago

Analecta Praehistorica Leidensia ,1964 *Orientation of Prehistoric Monuments in Britain: A Reassessment* Alistair Marshall,2021-07-08 Reassesses major axial alignment at many megalithic ritual and funerary monuments Neolithic to Bronze Age in Britain and Ireland not in terms of abstract astronomical concerns but as an expression of repeated seasonal propitiation involving community agrarian economy and ancestry in an attempt to

mitigate variable environmental conditions      **Minerva** ,2006      **A History of England, Volume 1** Clayton Roberts,F David Roberts,Douglas Bisson,2016-07-01 This two volume narrative of English history draws on the most up to date primary and secondary research encouraging students to interpret the full range of England s social economic cultural and political past A History of England Volume 1 Prehistory to 1714 focuses on the most important developments in the history of England through the early 18th century Topics include the Viking and Norman conquests of the 11th century the creation of the monarchy the Reformation and the Glorious Revolution of 1688      **From Sickles to Circles** Alex J. S. Gibson,Alison Sheridan,2004 During the period 4000 1000 BC prehistoric Britain and Ireland were at their closest There were significant differences but at the same time their monuments art and artifacts were closely related This volume brings together the latest research from some 25 prehistorians on both sides of the Irish Sea to produce a clearly written and well illustrated academic guide to this period      *A Short History of British Architecture* Simon Jenkins,2024-11-07 Provocative elegant intriguing Jenkins is a bold imaginative writer brilliant at challenging old assumptions and encouraging you to look at British architecture in a new light Rory Stewart The story of Britain is revealed through its buildings and yet the language of architecture is a mystery to all but a few In this enlightening history spanning castles and cathedrals to factories and railway stations Jenkins translates the hidden narratives infused in the facades we walk past every day Britain s history has been formed by its politics religion and society and these influences can be seen in the architectural styles that have shaped its landscape From pre Roman and the Middle Ages to the Renaissance and the Industrial Revolution Classical and Gothic styles surged and retreated from favour only to then be challenged by a new player Modernism a style that reflected the stunning technological advances of the second half of the twentieth century In this narrative history Simon Jenkins the bestselling champion of our national heritage introduces us to the singular eccentric and sometimes rather ordinary characters who shaped Britain Jenkins teaches readers to see the world anew demystifying the elitist language of architecture so that we can all appreciate the buildings around us      **Roots of Nationhood: The Archaeology and History of Scotland** Louisa Campbell,Dene Wright,Nicola A. Hall,2018-10-31 12 papers from specialists covering a wide array of time periods and subject areas this volume explores the links between identity and nationhood throughout the history of Scotland from the prehistory of northern Britain to the more recent heralding of Scottish identity as a multi ethnic construction and the possibility of Scottish independence      **Reader's Guide to British History** David Loades,2020-12-17 The Reader sGuide to British History is the essential source to secondary material on British history This resource contains over 1 000 A Z entries on the history of Britain from ancient and Roman Britain to the present day Each entry lists 6 12 of the best known books on the subject then discusses those works in an essay of 800 to 1 000 words prepared by an expert in the field The essays provide advice on the range and depth of coverage as well as the emphasis and point of view espoused in each publication      **A History of England, Volume 1** Douglas R. Bisson,Clayton Roberts,David Roberts,2024-09-18 The seventh edition of

this two volume narrative of English history draws on the most up to date primary and secondary research encouraging students to interpret the full range of England s social economic cultural and political past from its first inhabitants to the 2020s A History of England Volume 1 Prehistory to 1714 focuses on the key social economic cultural environmental intellectual and political events and themes of English history up to the early eighteenth century Topics include the Viking and Norman conquests of the eleventh century the creation of the monarchy the Reformation and the Glorious Revolution of 1688 The text discusses events in Scotland Wales and Ireland as they affected developments in England There is a new section dealing with the decline of belief in witchcraft This book is essential introductory reading for students of the history of England and Britain      *England's Military Heritage from the Air* Mark Bowden,Allan Brodie,2024-05-28 England s Military Heritage from the Air presents the story of the country s rich military heritage using photographs from the Aerofilms Collection Covering over 6 000 years it reflects the changing threats faced by England from enemies without and conflicts within The book covers everything from hillforts to aircraft carriers and includes the castles battle sites ships and aircraft that have witnessed the changing character of warfare Ending with how victory and sacrifice are commemorated and remembered England s Military Heritage from the Air is a tribute to the courage skill and endurance of the people who have suffered yet prevailed      **Avebury** Mark Gillings,Joshua Pollard,2004-10-28 Drawing on new research data accumulated by the authors in their fieldwork at the archaeological site at Avebury this title examines the range of meanings and interpretations Avebury has accumulated over 4500 years      *Archaeology After Interpretation* Benjamin Alberti,Andrew Meirion Jones,Joshua Pollard,2016-06-16 A new generation of archaeologists has thrown down a challenge to post processual theory arguing that characterizing material symbols as arbitrary overlooks the material character and significance of artifacts This volume showcases the significant departure from previous symbolic approaches that is underway in the discipline It brings together key scholars advancing a variety of cutting edge approaches each emphasizing an understanding of artifacts and materials not in terms of symbols but relationally as a set of associations that compose people s understanding of the world Authors draw on a diversity of intellectual sources and case studies paving a dynamic road ahead for archaeology as a discipline and theoretical approaches to material culture      **The Prehistory of Britain and Ireland** Richard Bradley,2019-05-16 Sited at the furthest limits of the Neolithic revolution and standing at the confluence of the two great sea routes of prehistory Britain and Ireland are distinct from continental Europe for much of the prehistoric sequence In this landmark study Richard Bradley offers an interpretation of the unique archaeological record of these islands Highlighting the achievements of its inhabitants Bradley surveys the entire archaeological sequence over a 5 000 year period from the last hunter gatherers and the adoption of agriculture in the Neolithic period to the discovery of Britain and Ireland by travellers from the Mediterranean during the later pre Roman Iron Age His study places special emphasis on landscapes settlements monuments and ritual practices This edition has been thoroughly revised and updated The text takes account of

recent developments in archaeological science such as isotopic analyses of human and animal bone recovery of ancient DNA and more subtle and precise methods of radiocarbon dating
