The Oxford Handbook of Transcendentalism offers an eclectic comprehensive interdisciplinary approach to the immense cultural impact of the movement that encompassed literature art architecture science and politics **God's Man for the Gilded Age** Bruce J. Evensen, 2003-09-25 At his death on the eve of the 20th century D L Moody was widely recognized as one of the most beloved and important of men in 19th century America A Chicago shoe salesman with a fourth grade education Moody rose from obscurity to become God's man for the Gilded Age He was the Billy Graham of his day indeed it could be said that Moody invented the system of evangelism that Graham inherited and perfected Bruce J Evensen focuses on the pivotal years during which Moody established his reputation on both sides of the Atlantic through a series of highly popular and publicized campaigns In four short years Moody forged the bond between revivalism and the mass media that persists to this day Beginning in Britain in 1873 and extending across America's urban landscape first in Brooklyn and then in Philadelphia New York Chicago and Boston Moody used the power of prayer and publicity to stage citywide crusades that became civic spectacles Modern newspapers in the grip of economic depression needed a story to stimulate circulation and found it in Moody's momentous mission The evangelist and the press used one another in creating a sense of civic excitement that manufactured the largest crowds in municipal history Critics claimed this machinery of revival was man made Moody's view was that he'd rather advertise than preach to empty pews He brought a businessman's common sense to revival work and became much against his will a celebrity evangelist The press in city after city made him the star of the show and helped transform his religious stage into a communal entertainment of unprecedented proportions In chronicling Moody's use of the press and their use of him Evensen sheds new light on a crucial chapter in the history of evangelicalism and demonstrates how popular religion helped form our modern media culture *The 1857 Hamilton, Ontario Revival* Sandra L. King, 2015-07-07 Hundreds of people were converted leading to significant church growth in an 1857 revival led by Phoebe Palmer in the city of Hamilton Ontario Canada that contributed to the beginning of the Second Great Awakening This book explores the 1857 setting in the world and in Hamilton including the key churches and people involved in the revival What

happened was not typical for revival meetings led by the Palmers as this account shows The book continues with a summary of the impact of the Hamilton revival around the globe linking it to other revivals and the Second Great Awakening as a whole The account ends with what subsequently unfolded in the Hamilton area and the churches involved Many of the primary sources are in the Appendix and the book includes numerous pictures and maps Scholars ministers and lay people alike will appreciate this exploration of a chapter in Canada s spiritual history *The Dial* Francis Fisher Browne,1898
