## **Moon In A Mason Jar And What My Father Believed:**

Moon in a Mason Jar Robert Wrigley, 1998 Guggenheim Fellow Robert Wrigley is winner of the San Francisco Poetry Center Book Award Here two of Wrigley's finest collections of poems are now together in one volume An acute eye for authentic detail and a subtle ear for the rhythms and cadences of real speech and what he has to say is worth hearing

**BOOKLIST** **Sleeping with the Moon** Colleen J. McElroy, 2024-03-18 PEN Oakland National Literary Award 2008 Colleen J McElroy's poetry shoots for the moon and takes it in too in one way after another The collection's award winning poems animate women's experiences of sex shopping and dancing while offering telling insight into the struggles and silver lining of lust love illness and aging Rich with vivid imagery and candid storytelling *Sleeping with the Moon* takes readers on moonlit adventures under the night sky through the barroom's smoky haze and under the covers Beware such delicate sights have driven more than one woman to despair instead she watched him breathe relishing for a moment that secret space where night grows soft and the moon's detumescence forgives and where if this jeweled light holds they might strip themselves of years if only for one night from *In Praise of Older Women*

**What My Father Believed** Robert Wrigley, 1991 *Making Poems* Todd F. Davis, Erin Murphy, 2010-02-02 This diverse collection of poems and companion essays by forty nationally and internationally known poets allows readers to experience the creative process through the eyes and voice of each poet No matter how often we are told that revision is an essential component of poetic composition it can be difficult to resist the temptation to think of the poem as having sprung spontaneously Athena like from the writer's head By exposing readers to the finished product as well as the poet's own account of the poem's creation *Making Poems* offers a behind the scenes perspective on the poetic process that will fascinate both beginning and established writers The book also affords poetry instructors an opportunity to demonstrate to their students the ways in which poems can originate from seemingly mundane and unlikely sources

**Box** Robert Wrigley, 2017-03-28 A powerful new collection from an acclaimed award winning poet With nine previously published collections of poetry Robert Wrigley has become one of his generation's most accomplished poets renowned for his irony power and lucid style and for his ability to fuse narrative and lyrical impulses Wrigley's tenth collection *Box* is a book of poems obsessed with human containment with the way people are contained or confined by time mortality technology identity culture and history in almost everything they are and everything they do Even the body even the poem itself is in this regard a kind of self containing crate in which the human being perhaps the human spirit is shipped into the world at large But *Box* is also a book obsessed with escape from containment and escape comes from dreams from deep awareness from contemplation from love and above all as Wallace Stevens insisted from the imagination pressing back against the pressure of reality The poems in *Box* aim to do nothing less than help people live their lives as Stevens put it

**International Who's Who in Poetry 2005** Europa Publications, 2004 Provides up to date profiles on the careers of leading and emerging poets

**Anatomy of Melancholy and Other Poems** Robert Wrigley, 2013-03-26 A powerful new

collection from an award winning poet Robert Wrigley has become one of his generation s most accomplished poets renowned for his irony power and lucid style and for his ability to fuse narrative and lyrical impulses Like its namesake Robert Burton s seventeenth century examination of human thoughts and emotions Wrigley s new collection means to examine our world through the lens of melancholia From imagined war memorials to insomniac chickens from Descartes lost daughter to a dreaming tree from King Kong to Rush Limbaugh and from Anna Karenina to a man named Lucy Doolin short for Lucifer these are poems that elegize and celebrate that most beautiful exasperating joyous miserable and perfectly imperfect of all creatures the human being

**Earthly Meditations** Robert Wrigley,2006-09-26 One of his generation s most accomplished poets Robert Wrigley is renowned for his ironic powerful and lucid style as well as his ability to fuse narrative and lyrical impulses *Earthly Meditations* features nineteen original poems alongside a collection of sixty one poems chosen from his first six books

**The Texas Review** ,1999

**The House of Song** David Wagoner,2002 As a recipient of Poetry s Levinson Prize and the Ruth Lilly Prize and a nominee for the American Book Award and National Book Award David Wagoner is one of this country s most celebrated poets In *The House of Song* he offers a hundred new poems in six parts At turns elegiac comic and nostalgic these poems venture to the seemingly infinitesimal points where people legends and culture collide with nature memory and action With characteristic wit and brevity Wagoner chronicles the material invasions of the natural world reconsidering Thoreau amid ruminations on voyeurs and destroyers slug watchers and moth collectors *The House of Song* asserts Wagoner s place among the finest of American poets past and present

**The Disappearing Trick** Len Roberts,2010-10-01 In *The Disappearing Trick* Len Roberts wrestles with the loss of loved ones whether that loss be through death a son moving away to college or simply how people fade from our lives and memories Hybrids of the narrative and lyric form these poems are models of indirect statement that have as Sharon Olds has said emotional courage powerful music and a deep balance Like the light shining on a face or a girl s thigh back in a sixth grade class the poems often come as Proustian flashes lasting just a second but seeming eternal amid an increasing darkness

*A Map of the Night* David Wagoner,2010-10-01 David Wagoner s wide ranging poetry buzzes and swells with life Woods streams and fields fascinate him he happily admits his devotion to Thoreau but so do people and their habits dear friends and family the odd poet and strangers who become even stranger when looked at closely In this new collection Wagoner catches the mixed feelings of a long drive the sensations of walking against a current the difficulty of writing poetry with noisily amorous neighbors and many more uniquely familiar experiences

Use Trouble Michael S. Harper,2010-10-01 For decades Michael S Harper has written poetry that speaks with many voices His work teems with poetry configured as awe poetry as courtship and poetry as elegy and homage Infused with tales and riddles sass and satire and surprise Harper s poetry takes the form of psalms jazz experiments soft serenades and radical provocations In *Use Trouble* his first major collection since *Songlines* in Michaeltree Harper renews poetry as the art of taking nothing for granted In three groups *The Fret Cycle* *Use Trouble* and *I*

playful declarative and yet ringingly musical in traditional sonnets quatrains and free verse Wrigley transcribes the consciousness and significance of every singing thing in order to sing back
