Moon Rising A Novel Set In Whitby:

Moon Rising Ann Victoria Roberts, 2000 One long hot summer in the 1880s Bram Stoker escaped to Whitby from the pressures of theatre life in London These months are unaccounted for in life of the Irish born theatre manager and around them Ann Roberts has woven a passionate mysterious and enthralling fiction In Whitby he has an intense and dangerous affair with a young fisherlass from an old seafaring family who introduces him to the wild sea the wrecks the ruins to local legends many of which find their way later into *Dracula* and to his own weakness and desires The novel starts with their meeting many years later by which time she is a successful ship broker and he is an old man but intriguingly it takes several chapters before we realise who this mystery man is As things fall into place the novel becomes not only a haunting mystery but also a woman's story of the tragic love affair which marked the rest of her life as well as a highly original commentary on the genesis of that immortal classic *Dracula*

Moon Rising Ann Victoria Roberts, 2015-10-31 Who was Bram Stoker and why did he write *Dracula* Through the words of Damaris Sterne daughter of an old seafaring family we meet a man escaping to Whitby from the pressures of his life in London As business manager to the great Shakespearean actor Henry Irving life has become intolerable As Damaris and Stoker become involved in an intense dangerous affair he is introduced to the wild sea the wrecks and Whitby's local legends all of which find their echoes in his most famous novel *Dracula* Through Stoker Damaris is shown glimpses of the wider world beyond and given the means to pursue her own ambitions But it is not until twenty years later when the two meet again that the truth behind Stoker's novel emerges As though somehow in writing about evil I had given it life Shamelessly enjoyable shades of the late Mrs Cookson and a dash of Anne Rice Independent An engaging tale The star of the book is the locale of Whitby its bustling harbour and brigantines its damp cottages and smoky inns its winding stone steps and alleyways its abbey and windy clifftops are all wonderfully evoked *The Times* **Library Journal**, 2001 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **The British National**
