The Gernsback Days Mike Ashley, Michael Ashley, Robert A. W. Lowndes, 2004-01-01 In recent years there has been a resurgence of interest in Hugo Gernsback and the start of a serious study of the contribution he made to the development of science fiction It seemed to me that the time was due to reinvestigate the Gernsback era and dig into the facts surrounding the origins of Amazing Stories I wanted to find out exactly why Hugo Gernsback had launched

the magazine what he was trying to achieve and to consider what effects he had good and bad Too many writers and editors from the Gernsback days have been unjustly neglected or unfairly criticized Now I hope Robert A W Lowndes and I have provided the grounds for a fair consideration of their efforts and a true reconstruction of the development of science fiction It is the closest to time travel you ll ever get I hope you enjoy the trip Mike Ashley Preface [The X-Files and Literature](#)
