Moonstone Mass And Others:

The Moonstone Mass, and Others Harriet Prescott Spofford, Jessica Amanda Salmonson, 2000 *The Amber Gods, and Other Stories* Harriet Elizabeth Prescott Spofford, 1989 A widely held vision of nineteenth century American women is of lives lived in naive domestic peace the girls of Little Women making do until father comes home from the war Nothing could be less true of Harriet Prescott Spofford's stories In fact her editor at the Atlantic Monthly at first refused to believe that an unworldly woman from New England had written them Her style though ornate by our 20th century standards adds to its atmosphere like heavy Baroque furniture in a large and creepy house The title story presents a self centered and captivating woman who ruthlessly steals her orphan cousin's lover In Circumstance a pioneer woman returning home through the woods at night is caught by a panther her husband who has come to save her can only watch from the ground as she sings for her life pinned in a tree A train engineer hallucinates again and again that he is running over his wife And Mrs Craven who's a bit weak in the head mindlessly repeats Three men went down cellar and only two came up These stories combine elements of the best ghost stories timing detail and character with just enough chill to make you think twice about turning out your lights at night The Dreaming Sex Mike Ashley, 2011-05-01 Rare jewels of Victorian fiction highlight the fantastic contributions made by women writers in the early development of science fiction A selection of early science fiction short stories by women are collected here along with an introduction exploring the contributions women made in the early development of the field in particular the different perspectives they cast on the wonders or fears that technological and scientific advances may bring The contributions of women to the history of science fiction and to the genre's development has been sorely overlooked Frankenstein generally reckoned as the first true work of science fiction was by Mary Shelley and one of the first utopian works written in America was also by a woman Mary Griffith A companion volume to his acclaimed *The Darker Sex* Mike Ashley's latest collection is more essential reading by such female writers as Mary Shelley Clare Winger Harris Adeline Knapp and many others Style, Gender, and Fantasy in Nineteenth-Century American Women's Writing Dorri Beam, 2010-06-03 In this 2010 book Dorri Beam presents an important contribution to nineteenth century fiction by examining how and why a florid and sensuous style came to be adopted by so many authors Discussing a diverse range of authors including Margaret Fuller and Pauline Hopkins Beam traces this style through a variety of literary endeavors and reconstructs the political rationale behind the writers' commitments to this form of prose Beam provides both close readings of a number of familiar and unfamiliar works and an overarching account of the importance of this form of writing suggesting new ways of looking at style as a medium through which gender can be signified and reshaped *Style Gender and Fantasy in Nineteenth Century American Women's Writing* redefines our understanding of women's relation to aesthetics and their contribution to both American literary romanticism and feminist reform This illuminating account provides valuable new insights for scholars of American literature and women's writing Spaces and Fictions of the Weird and the Fantastic

Julius Greve, Florian Zappe, 2019-11-18 This collection of essays discusses genre fiction and film within the discursive framework of the environmental humanities and analyses the convergent themes of spatiality climate change and related anxieties concerning the future of human affairs as crucial for any understanding of current forms of weird and fantastic literature and culture Given their focus on the culturally marginal unknown and other these genres figure as diagnostic modes of storytelling outlining the latent anxieties and social dynamics that define a culture s structure of feeling at a given historical moment The contributions in this volume map the long and continuous tradition of weird and fantastic fiction as a seismograph for eco geographical turmoil from the nineteenth to the twenty first century offering innovative and insightful ecocritical readings of H P Lovecraft Harriet Prescott Spofford China Mi ville N K Jemisin Thomas Ligotti and Jeff VanderMeer among others Encyclopedia of the American Short Story Abby H. P. Werlock, 2015-04-22 Two volume set that presents an introduction to American short fiction from the 19th century to the present Women Writers and Detectives in Nineteenth-Century Crime Fiction L. Sussex, 2010-07-16 This book is a study of the mothers of the mystery genre Traditionally the invention of crime writing has been ascribed to Poe Wilkie Collins and Conan Doyle but they had formidable women rivals whose work has been until recently largely forgotten The purpose of this book is to cherchez les femmes in a project of rediscovery Great American Ghost Stories Mike Ashley, 2008-01-01 Sixteen spine tingling tales from the dark side of our nation s literary history include *The Gray Champion* by Nathaniel Hawthorne *Ligeia* by Edgar Allan Poe plus fables by Sarah Orne Jewett Henry James Mark Twain Mary Wilkins Freeman Ambrose Bierce Edith Wharton Willa Cather Frank R Stockton Parke Godwin and others *Horror Fiction in the 20th Century* Jess Nevins, 2020-01-07 Providing an indispensable resource for academics as well as readers interested in the evolution of horror fiction in the 20th century this book provides a readable yet critical guide to global horror fiction and authors *Horror Fiction in the 20th Century* encompasses the world of 20th century horror literature and explores it in a critical but balanced fashion Readers will be exposed to the world of horror literature a truly global phenomenon during the 20th century Beginning with the modern genre s roots in the 19th century the book proceeds to cover 20th century horror literature in all of its manifestations whether in comics pulps paperbacks hardcover novels or mainstream magazines and from every country that produced it The major horror authors of the century receive their due but the works of many authors who are less well known or who have been forgotten are also described and analyzed In addition to providing critical assessments and judgments of individual authors and works the book describes the evolution of the genre and the major movements within it *Horror Fiction in the 20th Century* stands out from its competitors and will be of interest to its readers because of its informed critical analysis its unprecedented coverage of female authors and writers of color and its concise historical overview *Moonstone Formation* Yves Earhart, AI, 2025-02-12 *Moonstone Formation* explores the fascinating geological origins of moonstones focusing on how these gemstones acquire their captivating adularescence The book delves into the processes of feldspar crystallization within

igneous and metamorphic rocks illuminating the conditions necessary for moonstone genesis A key aspect is the detailed examination of exsolution lamellae the microscopic structures responsible for the moonstone s unique shimmer linking to the broader understanding of Earth Sciences The book progresses from the mineralogy of feldspars to the physics of light scattering explaining how light interacts with these lamellae to produce adularescence It then examines geological settings like pegmatites and metamorphic terrains where moonstones are commonly found The book explains the central argument that adularescence is a result of exsolution during alkali feldspar cooling offering a comprehensive understanding of their optical properties while explaining the underlying geology This book offers a unique in depth exploration of moonstone formation bridging traditional petrological methods with modern analytical techniques The book is valuable for geology students mineral collectors and gemologists interested in the science behind gemstone formation providing a dedicated resource previously unavailable in broader texts
