Nymphets & Fairies

THREE VICTORIAN
CHILDREN'S ILLUSTRATORS

ERIKHAM ÖVERGÅDEN

Dickens's fairy tales are peopled with creatures who defy the descriptive powers of mere writers. Only a Victorian illustrator was capable of capturing the elusive nymphets and fairies who lived under mushrooms and within the flower stems, and the drawings of E.V.R. William Stephen Coleman and Richard Doyle, as included in this programme of artists, mark a high point in the depiction of childhood fantasies, mixing imaginative inspiration with delicate craftsmanship.

LINGERIE PARISIENNE

JULIETTE MOREL

Old Parisian ladies of the 1920s seemed to spend half their waking hours in the search for ways of making themselves more attractive, even more desirable. No woman's wardrobe could be considered complete without a rich selection of lingerie for every time of the year and for every occasion, and these tantalizing images of the female form, culled from *L'Esprit Parisien*, offer a unique glimpse of the tastes and the fantasies of the 1920s.

NUDES of the '20s and '30s

THOMAS WALTERS

The female form has always been subject to the whims and dictates of fashion, concealing, revealing and even altering the unadorned body. Ranging from the work of master photographers to what may seem the relatively innocent images on 'dirty' postcards, this collection presents women unencumbered by restraining garments. They frolic, gesture and pose in unadorned beauty. What better way is there to study the female body than with these delicious photographs of nudes of the 1920s?

ART DECO

VICTOR ARBAIG

From fashion to furniture, from transportation to theatre design, the 1920s have left an indelible and instantly recognizable mark upon the twentieth century. This particular survey evokes a bygone world of streamlined shapes, of gleaming futuristic excitement, while bringing to life a style which has been imitated but never surpassed. Selected from a rich variety of contemporary sources each image captures the spirit of an age bent on pleasure and the pursuit of style, in automobiles, clothes and women.

A new series of superbarts on the decorative arts, illustration and photography with 88 heavily illustrated pages including 8 in full colour.

Nudes of the '20s and '30s Thomas Walters, 1976-01-01 Photography of the Nude Frank H. Wallis, 1993 Popular Pleasures Paul Duncum, 2021-08-26 Today's many popular aesthetic pleasures have a very long history Paul Duncum considers the historical critical discourses and socio political issues raised by aesthetic pleasures in fifteen thematic chapters Using illustrative examples from the past present and across cultures he challenges the idea of any decline of cultural standards and argues that no grounds exist for cultural pessimism Refusing to condemn popular culture on the basis of taste he reserves critique for the socio political ideologies aesthetics invariably serve Art history film cultural studies and philosophical aesthetics are each employed to show that the sensory emotional lures of today's popular culture are mostly identical to those of premodern fine art They include the violent the horrific the sentimental the exotic the erotic and the humorous Some of these pleasures derive from our evolutionary biology they are all an important part of what it means to be human and central to understanding contemporary society Examples are wide ranging including British seaside postcards Disney films Nazi propaganda burlesque modern advertising as well as many exemplars of fine art The book reveals fresh insights for all those studying visual culture art history aesthetics media studies and media and art education *Abstract Nude* Gwydion Suilebhan, 2013 An enigmatic erotically charged portrait seems to reveal more about the people who view it than it reveals about itself As the painting moves backward in time it passes from owner to owner exploding the lives of everyone who encounters it In one home the portrait tips the balance in a barely suppressed power struggle among the members of a well to do family In another it awakens a great deal of confusion and passion between two former fraternity brothers In the home of the portrait's subject it inspires nothing but unrequited love and alienation between two dear friends And finally back in the moment of its creation where the story both ends and begins the painting incites a terrible violence the tragedy that haunts it wherever it travels and that cannot be escaped Pornography and Sexual Representation Joseph W.
