Oakah L. Jones, 1996 Little has been written about the colonists sent by Spanish authorities to settle the northern frontier of New Spain to stake Spain's claim and serve as a buffer against encroaching French explorers Los Paisanos they were called simple country people who lived by their own labor isolated threatened by hostile Indians and restricted by law from seeking opportunity elsewhere They built their homes worked their fields and became permanent residents the forebears of United States citizens as they developed their own society and culture much of which survives today **Delirio—The Fantastic, the Demonic, and the Réel** Marie Theresa Hernández, 2010-01-01 Striking inexplicable stories circulate among the people of Nuevo Leon in northern Mexico Stories of conversos converted Jews who fled the Inquisition in Spain and became fabulously wealthy in Mexico Stories of women and children buried in walls and under houses Stories of an entire secret city hidden under modern day Monterrey All these stories have no place or corroboration in the official histories of Nuevo Leon In this pioneering ethnography Marie Theresa Hernández explores how the folktales of Nuevo Leon encode aspects of Nuevolenese identity that have been lost repressed or fetishized in legitimate histories of the region She focuses particularly on stories regarding three groups the Sephardic Jews said to be the original settlers of the region the disappeared indigenous population and the supposed barbaric society that persists in modern Nuevo Leon Hernández's explorations into these stories
