Nugget City:

The Ball of Fire George Randolph Chester, Lillian Chester, 2021-11-05 Allison helped her into his big piratical looking runabout and tucked her in as if she were some fragile hot house plant which might freeze with the first cool draught He looked with keen appreciation at her fresh cheeks and sparkling eyes and softly waving hair He had never given himself much time for women but this girl was a distinct individual It was not her undeniable beauty which he found so attractive He had met many beautiful women Nor was it charm of manner nor the thing called personal magnetism nor the intelligence which gleamed from her eyes It was something intangible and baffling which had chained his interest from the moment she had appeared in the vestry doorway and since he was a man who had never admitted the existence of mysteries his own perplexity puzzled him

Dead Man's Trail Nate Morgan, 2022-11-29 Reformed outlaw Carson Stone in this razor sharp Western stakes his claim in the untamed bloody Idaho Territory only to find himself trapped in a bullet riddled nightmare he may not walk away from Former thief and wanted man Carson Stone dreams of a peaceful life on a ranch built by his own hands but dreams don't always come without a steep price To earn a stake Carson rides west to collect the reward on a claim jumper The land is beautiful but times are hard as the territory is ravaged by the latest Indian war and a mining boom gone bust When Stone steps in to defend a family ambushed by murdering marauders he makes a terrifying discovery one of the hired killers carries a death list full of names and dollar amounts But the names on this list belong to upstanding citizens not criminals When the local sheriff is gunned down in broad daylight Carson takes on the one job he never wanted pinning on a lawman's tin star to protect the innocent A gang of ruthless killers are storming back to finish their work and Carson Stone has just moved to the top of the death list
