**Nuggets of Truth: A Bible Student's Devotional and A Bible Teacher's Resource Handbook** Dr. John Mannion,2020-11-17 Inspirational writing meets Bible commentary Nuggets of Truth stands as a different kind of devotional It is perhaps more in keeping with Oswald Chamber s My Utmost for His Highest in that it is meant to teach more than it is meant to simply inspire Not that each Nugget of Truth does not inspire On the contrary it stands as a very inspirational book even as the Scriptures themselves never fail to inspire Indeed the content of each individual devotional is full of Scripture Each Nugget of Truth is designed to provide the reader with a short Bible study Hence the reader is more of a student than simply a reader The considerable content of each day s study digs deep enough with a pointed focus that the student effectively goes through a mini Bible college program once having gone through the entire year The sub title of Nuggets of Truth A Bible Student s Devotional and A Bible Teacher s Resource Handbook reveals the two fold purpose and use of this book It is meant to be a devotional for Bible students and for Bible teachers In keeping with this second purpose the devotional is exhaustively indexed With its indexes Nuggets of Truth can be used by Bible teachers as a resource for their teaching ministries 80 pages of downloadable indices provided with purchase 101

**Loving Arms** Karen Schneider,2021-09-15 Loving Arms examines the war related writings of five British women whose works explore the connections among gender war and story telling While not the first study to relate the subjects of gender and war it is the first within a growing body of criticism to focus specifically on British culture during and after World War II Evoking the famous St Crispin s Day speech from Henry V and then her own father s account of being moved to tears on V J Day because he had been too young to fight Karen Schneider posits that the war story has a far reaching potency She admits perhaps for all of us that such stories had powerfully shaped my consciousness in ways I could not completely resist How a story is narrated and by whom are matters of no small importance As widely defined and accepted war stories are men s stories If we are to hear an other story of war then we must listen to the stories women tell Many of the war stories written by women insist that war is not the condition of men but rather the condition of humanity beginning with relations between the sexes For the five women whose work is examined in Loving Arms Stevie Smith Katharine Burdekin Virginia Woolf Elizabeth Bowen and Doris Lessing this latter point was particularly relevant Their positions as women within a patriarchal militarist culture that was externally threatened by an overtly fascist one led to an acute ambivalence says Schneider Though all five women perceived the war from substantially different perspectives each in her own way exposed and critiqued the seductive power of war and war stories with their densely interwoven tropes of masculinity and nationalism Yet these writers conflicting impulses of loyalty to England and resistance to the war betray their ambivalence Loving Arms will interest students of twentieth century British literature and culture gender studies and narratology Even today we maintain an unabated love affair with the war story But unless we listen to what the women had to say fifty years ago we are doomed to hear only the same old story

**Brilliance of the Inner Kingdom** Pastor Stevie L. Glenn,2012-04 My people are destroyed for lack of knowledge Hoes 4 6 The lack of knowledge has been the limiting factor in the lives of saints for thousands of years The knowledge of the power and might that God invested in the saints to overcome the world has perished from the earth on a grand scale ever since the days that Christ and Acts of the Apostles However God is still waiting for those who are willing to demonstrate His glory mightily against the kingdom of darkness This divine demonstration requires from every believer an extreme passion for the truth and the willingness to prove that all things are possible Unfamiliar Brilliance of the Inner Kingdom will uncover the mystery and power of God s authority and dominion within the believer Believers will not only believe all things are possible they will be willing to demonstrate this belief with every degree of their souls No stranger to the gospel of Christ Pastor Steve Glenn an ordained Pastor has spent 16 years plus as the pastor of Infinite Visionary Training Center emphasizing the significance of divine progress for all believers Prior to starting the ministry Pastor Glenn spent years researching the deeper knowledge of God prayfully examining and evaluating many forms of religions and doctrines under the guidance of the Holy Spirit and the word of God An unyielding believer in the unimaginable power of God operating within the believer Pastor Glenn provides the full gospel in order to empower and transform the mind heart and soul of the believer for the work of God s kingdom The Spiritual Truth Series Lucian Phoenix-Wolf,2004-10 Have you ever had anything weird or unusual happen to you You are not alone Most people use religion to explain anything supernatural that may have happened to them The author did this and he soon found out how wrong he was Finding the truth is a very freeing experience This book is about opening your mind and finding out the power you have in your beliefs I bet you would be surprised at what you could do if you just change how you think That s right you control what you believe When you uncover the power that you have in your beliefs you could do almost anything All you have to do is accept the fact that truth is stranger than fiction Publisher description Americana ,1915 Americana Illustrated ,1915 **A Peculiar Treasure** Jon W.
