Numbering Of Our Days:

Numbering Our Days Frederick W. Brauns, 1868 *Numbering Our Days* Nichole J Suvar, 2022-12-20 Each of us was placed on this earth for a certain number of days Time is precious and you don't want to waste it You desire a life that has meaning and purpose but you find yourself caught in a current of non stop rushing When this becomes your existence day after day you find you've lived a series of months even years unintentionally In the middle of all of this is the suffocating presence of anxiety You want a life that matters but how do you do that in the middle of life How do you use the struggle of anxiety as a path to a life of meaning With short daily devotions and practical application *Numbering Our Days* encourages you to move out of maintenance mode and away from the spiral of anxiety and into a life lived with intention Anxiety doesn't have to define you It can be what brings you back to Jesus living a life that brings Him glory and points others to Him This book will help you to pause reflect with Scripture and take action to combat anxiety and start living intentionally one moment at a time Because small moments day by day add up to an intentional life *Numbering our Days. Kephart-Nash, 2024-07-31 So *Teach Us To Number Our Days* grew from hearing of the increase in child and teenage suicides resulting from depression and in particular bullying It can take many forms like stalking and harassment or verbal slander and physical assault And while it is not a new form of cruelty bullying is worse for being so easy and far reaching through anonymity over the internet Written here is a depiction of the rippling effect of the pain and destruction from being bullied linked in time with generations beginning with a young girl in a small town Rachel loses her only protection from her tormentor when her brother goes off to war and is no longer there to watch over and defend his sister Rachel's life and future are stuck in time

until in her old age she encounters and reaches out to a young boy sleeping in the woods in terrible need of help Interlaced with their unfolding story are Bible Proverbs and other wisdoms which represent the revival of the faith her mother gave her Rachel had been a journal keeper but her hidden books don't turn up until the boy she loved and protected has grown up with a family of his own that he includes her in and she becomes the children's GiGi Liam inherits Rachel's secret filled nineteenth century home unchanged since GiGi's childhood and he opens up the mystery of the reclusive woman who had saved him discovering in the process he had also saved her from her lonely isolation Through Rachel's journals and Liam's own memories of his childhood an old unsolved murder of a young bully comes to light as well as an answer for the mysterious disappearance of Liam's own mother Young bullies grown up are apt to be bullies yet just made more dangerous by the protection of social and political status In this fictional story the young bully is given a short life murdered by someone unknown about two generations earlier But the same bloodline produces another just as bad who becomes a cowardly assassin who when justice happens will live a long life behind bars There are many mysteries twists turns and even a skeleton with no identity turning up in this tale that will keep readers engaged Read ponder and then find a way to take a personal stand against bullying being a Rachel a Gabriel or an old Alan Ortonson
