Medical Ethics in China Jing-Bao Nie, 2013-06-17 Drawing on a wide range of primary historical and sociological sources and employing sharp philosophical analysis this book investigates medical ethics from a Chinese Western comparative perspective In doing so it offers a fascinating exploration of both cultural differences and commonalities exhibited by China and the West in medicine and medical ethics The book carefully examines a number of key bioethical issues in the Chinese socio cultural context including attitudes toward fetuses disclosure of information by medical professionals informed consent professional medical ethics health promotion feminist bioethics and human rights It not only provides insights into Chinese perspectives but also sheds light on the appropriate methods for comparative cultural and ethical studies Through his pioneering study Jing Bao Nie has put forward a theory of trans cultural bioethics an ethical paradigm which upholds the primacy of morality whilst resisting cultural stereotypes and appreciating the internal plurality richness dynamism and openness of medical ethics in any culture Medical Ethics in China will be of particular interest to students and academics in the fields of Medical Law Bioethics Medical Ethics Cross Cultural Ethics as well as Chinese Asian Studies and Comparative Cross Cultural Studies

Cultural Expressions of Evil and Wickedness Terrie Waddell, 2003 This is a fascinating study of the a temporal nature of evil in the

West The international authors who have contributed to this text not only concentrate on political social and legally sanctioned cruelty from the past and present but also explore the nature of moral transgression in contemporary art media and literature Although many forms and practices of what might be called evil are analysed all are bound by violence and or the sexually perverse Moral Conflicts of Organ Retrieval Charles C. Hinkley II,2005-01-01 This book addresses ethical conflicts arising from saving the lives of patients who need a transplant while treating living and dead donors organ sellers animals and embryos with proper moral regard Our challenge is to develop a better world in the light of debatable values and uncertain consequences **Essentials of Teaching and Learning in Nursing Ethics** Anne Davis,Verena Tschudin,Louise Tew,2006-02-24 This title is directed primarily towards health care professionals outside of the United States This book aims to fill a gap with an in depth exploration of nursing ethics content from the western philosophical tradition and some of the methods used in teaching this content It addresses cross cultural issues in using specific ethics content It also reveals the poverty of the present dualism model in nursing ethics and replace this with a more complex and more useful model that invites debate Its scope is both wide and deep but that is needed to enrich the basis for teaching nursing ethics Outlines and critiques all current ethical theories and considers their application to nursing practice Explores ethical issues in numerous cultures Includes case studies drawn from a range of countries Written by leading nurse educators and philosophers in the field Ethics and Perplexity Javier Muguerza,2022-06-08 Dialogical reason requires dialogue among the members of a community Thinkers like Habermas and Apel have proposed that judgments of both fact and value become objects of public debate The debate should determine whether these judgments can earn the assent of the community If so they attain a degree of intersubjective validity Javier Muguerza s *Ethics and Perplexity* makes a highly original contribution to the debate over dialogical reason The work opens with a letter that establishes a parallel between *Ethics and Perplexity* and Maimonides s classic *Guide of the Perplexed* It concludes with an interview that repeatedly strikes sparks on Spanish philosophy s emergence from its long quarantine as Muguerza puts it These informal pieces witty informative conversational orbit the nucleus of the work a formidable critique of dialogical reason The result is a volume by turns vivid and profound Muguerza insists that the experience of perplexity is inseparable from the exercise of philosophy *Perplexity* is linked to aporia and wonder which the ancients identified as the origin of their activity The only solidarity among philosophers is that of searching and philosophy is hardly more than a set of questions unceasingly posed and posed again of forever open problems of perplexities that assail us over and over again *Perplexity* avoids both the certainty of dogmatism and the ignorance of skepticism In fact it is the only philosophical ailment capable of immunizing us against both Philosophy is always a guide to the perplexed The series *Philosophy in Spain* founded to bring Spanish philosophy to the attention of English speaking philosophers seeks outstanding works by classic and contemporary Spanish thinkers as well as books on Spanish philosophy **Professional Ethics** Bart McGettrick,Feng Su,2012-01-17 This book is addressed to all those with an interest in the

ethical dimension of professional development Contributors are drawn from a variety of occupational fields academic practice healthcare occupational therapy legal military business research teaching higher education and civil engineering institutional contexts and geographical regions However they are united in their concern for inter professional ways of working and for developing an ethical response to the changing institutional contexts within which they operate Practitioners trainers and managers will find this book both useful and thought provoking while scholars with a particular interest in professional ethics will find it informative and insightful

Death, Dying and Bereavement Cecilia Lai Wan Chan, Amy Yin Man Chow, 2006-01-01 Fear marks the boundary between the known and the unknown Some Chinese people believe that talking about death will increase the likelihood of occurrence Also by talking about death evil spirits will be attracted to haunt people In facing death individual response is inevitably moulded by the values attitudes and beliefs of one's culture Despite the large Chinese emigrant population in major cities in the world available material in English on death dying and bereavement among Chinese people is scarce As Hong Kong is a place where East meets West most professionals working in the field of death dying and bereavement adapt knowledge from the West to their practice with the Chinese population The intention of this volume is to consolidate and disseminate valuable practical wisdom with professionals in the local and international communities who serve Chinese patients and their family members Both Editors are from the Department of Social Work and Social Administration University of Hong Kong Professor Cecilia Lai Wan Chan has done extensive research in psychosocial oncology behavioral health grief loss and bereavement Amy Yin Man Chow an Honorary Clinical Associate in the department is a registered social worker specialized in bereavement counselling

Handbook of Research on Individualism and Identity in the Globalized Digital Age Topor, F. Sigmund, 2016-08-15 Globalization has shifted perspectives on individualism and identity as cultural exchange occurs more rapidly in an age of heightened connectivity As technology connects those around the world it too helps to provoke a shift in the autonomy of individuals The Handbook of Research on Individualism and Identity in the Globalized Digital Age is an essential resource for researchers professionals and graduate level students This book explores and explains how globalization has impacted humans with specific emphasis on education and human development This research based publication presents critical perspectives on universal changes that are

occurring due to globalization Pragmatism and Values ,2021-12-28 The essays in this volume are from the First Conference of the Central European Pragmatist Forum held in Slovakia in 2000 Written by prominent specialists in pragmatism and American philosophy from the United States and Europe they survey contemporary thinking on classical and contemporary pragmatism social and political theory aesthetics and the application of pragmatist thought in contemporary Europe *Pragmatism and Values* Central European Pragmatist Forum. Conference,2004 The essays in this volume are from the First Conference of the Central European Pragmatist Forum held in Slovakia in 2000 Written by prominent specialists in pragmatism and American philosophy from the United States and Europe they survey contemporary thinking on classical and contemporary pragmatism social and political theory aesthetics and the application of pragmatist thought in contemporary Europe **Ethics in Biomedical Research** Matti Häyry,Tuija Takala,Peter Herissone-Kelly,2007 This book deals with the international assessment and regulation of biomedical research In its chapters some of the leading figures in today s bioethics address questions centred on global development scientific advances and vulnerability The series Values In Bioethics makes available original philosophical books in all areas of bioethics including medical and nursing ethics health care ethics research ethics environmental ethics and global bioethics **Handbook of Research on Technoethics** Luppici, Rocci,Adell, Rebecca,2008-08-31 This book traces the emergence of the new interdisciplinary field of technoethics by exploring its conceptual development important issues and key areas of current research Compiling 50 authoritative articles from leading researchers on the ethical dimensions of new technologies Provided by publisher **Plato's Cratylus** Michael W. Riley,2005-01-01 This book explains how the Cratylus Plato s apparently meandering and comical dialogue on the correctness of names makes serious philosophical progress by its notorious etymological digressions While still a wild ride through a Heraclitean flood of etymologies which threatens to swamp language altogether the Cratylus emerges as an astonishingly organized evaluation of the power of words **Pragmatic Moral Realism** Sami Pihlström,2005 This book examines the issue of moral realism from a pragmatist point of view drawing attention to our human practices of ethical evaluation and deliberation It defends the essentially ungrounded and humanly fundamental place of ethics in our thought and action Ethics must remain beyond justification and ubiquitous in our human form s of life **Democracy and the Post-totalitarian Experience** Leszek Koczanowicz,Beth J. Singer,2005 This book presents the work of Polish and American philosophers about Poland s transition from Communist domination to democracy Among their topics are nationalism liberalism law and justice academic freedom religion fascism and anti-Semitism Beyond their insights into the ongoing situation in Poland these essays have broader implications inspiring reflection on dealing with needed social changes The New Science of Axiological Psychology Leon Pomeroy,2005-01-01 This book uses scientific validity measures to create empirical value science and a normative new science of axiological psychology by integrating cognitive psychology with Robert S Hartman s formal theory of axiological science It reveals a scientific way to identify and rank human values

achieving values appreciation values clarification and values measurement for the twenty first century **Inwardness and Morality** Eric Wolf Fried, 2005 This book reminds us that in inwardness I am in myself It defines our experience in terms of subjectivity private self awareness and complex relationships between interiority and outwardness The book shows that our inwardness need not confine us to narcissistic self absorption but may expand our capacity for richer more sympathetic relations with others
