Nurturing Intimacy With God:

Nurturing Intimacy with God Pamela Heim,1990 **A Hunger for the Holy** Calvin Miller,2010-05-11 Using the imagery of the psalms as a backdrop author Calvin Miller explores our hunger for intimacy with our Holy God Insisting that the pathway to God s holiness is through a journey into our own selves Miller yet maintains that our end is not to know ourselves but to know Christ Our hunger for the Holy leads us to a table for two in a quiet wilderness Here Miller says we meet as ardent lovers in the lonely desert of the human heart There he speaks as much as we do and even when both of us say nothing we are rapt in a welded oneness In Miller s inimitable style he graciously invites us to satisfy our hunger for the holiness of God as we meditate on the psalms and are challenged to know the God of the universe in a personal intimate relationship **A Hunger for the Holy** Calvin Miller,2003-12-01 **Developing Intimacy with God** Alex B.

Aronis,2003-04-30 It is customary for pastors to urge their congregations to spend time with God in prayer They know that this is of paramount importance the one thing needful But instructions given by pastors usually have to do with prayer for others or prayer for oneself Rarely does one hear instruction on how specifically one can nurture and deepen one s relationship with Jesus This is the challenge that Alex Aronis has taken up in his book **Developing Intimacy with God** Anchored on the spiritual classic *The Spiritual Exercises* of St Ignatius Alex has made the necessary adjustments to this sixteenth century text to maximize its contribution for modern readers Thus the book serves as a personal spiritual guide It can be used for individual or group use and coaches the prayer over an eight week period through a series of interactive prayer exercises Aronis writes For disciples of Jesus nothing in this world is of greater importance than experiencing intimate communion with Christ It is our greatest privilege to know Jesus personally and to let God love us as we commune with him on a daily basis **Developing Intimacy with God** will teach you how to do that **A Hunger for the Holy** Calvin Miller,2003

Nurture in Time and Eternity Robert Cummings Neville,2016-07-04 The dimension of eternity has been lost from much contemporary religious consciousness Liberals tend to focus on action within time as do conservatives who see history as a battleground for a war of good against evil Spiritual life however also requires nurturing a sense of eternity within time These sermons from Marsh Chapel at Boston University follow the lectionary in highlighting the places of temporal life within eternity and the places eternity is found in temporal life The liturgical year is employed as the venue for articulating a comprehensive theology on the themes of the temporal and eternal aspects of Christian nurture Nurturing Faith and Hope Anne E. The Letters of an Unexpected Mystic

Robert D. Flanagan,2022-07-20 The apostle Peter is a pillar of the church whose writing has been overlooked until recently when scholarship remedied this gap significantly elevating Peter s letters However one critical area has been omitted Within the Petrine writing is a robust empowered and beautiful mystical theology which makes Peter an unexpected but vital Christian mystic In exploring his love of artwork German theologian and priest Romano Guardini developed the Threefold Seeing which has been brought to light by Yvonne Dohna Schlobitten of the Pontificate Gregorian University His unique method of viewing the artist artwork and observer develops a way of encountering the world and word Instead of looking at the world or the biblical text through separate vantage points the Threefold Seeing integrates all disciplines under greater view of God the artist of all creation The Letters of an Unexpected Mystic employs Guardini s Threefold Seeing to encounter the mystic Peter and the Petrine mystical theology The result is a book that provides its readers with a means to become the Christian Karl Rahner wrote about in 1971 The devout Christian of the future will either be a mystic one who has experienced something or he will cease to be anything at all
