Vol. 2 : Selected Writings of Elbert Hubbard** Elbert Hubbard,1922 *Elbert Hubbard's Selected Writings* ,1922 **Selected Writings of Elbert Hubbard** Elbert Hubbard,1922 *Feedback (and Other Dirty Words)* M. Tamra Chandler,Laura Dowling Grealish,2019-06-18 A practical and irreverent guide to taking the sting out of feedback and reclaiming it as a motivating empowering experience for everyone involved Feedback the mere mention of the word can make our blood pressure rise and our defenses go up For many of us it s a dirty word that we associate with bias politics resentment and self doubt However if we take a step back and think about its true intent we realize that feedback needn t be a bad thing After all understanding how others experience us provides valuable opportunities to learn and grow Authors M Tamra Chandler and Laura Grealish explain how feedback got such a bad rap and how to recognize and minimize the negative physical and emotional responses that can erode trust and shut down communication They offer a new and more ambitious definition of feedback explore the roles we each play as Seeker Extender and Receiver and introduce the three Fs of making feedback focused fair and frequent You ll also find valuable exercises and strategies along with real world examples that illustrate how you can put these ideas into action and join in the movement to fix feedback once and for all When it s done right feedback has been proven to be the most effective means of improving communication and performance for you and your organization It s too important to give up and with Chandler and Grealish s help you ll be able to use it deftly equitably and effectively Feedback and other Dirty Words cuts straight to the chase on what you need to do to revolutionize feedback in your organization If we all approached feedback in this way business and the world at large would indeed be a better place Kathy O Driscoll vice president of People Snowflake Computing Inc Like it or probably not people don t grow without feedback Can you deliver feedback without closing people down Chandler and Grealish give the tools and methods for making feedback feel good Not only will Feedback and Other
