Isidore Singer

On Pilgrimage:

On Pilgrimage Jennifer Lash, 1998-12-15 The late novelist traces her solitary pilgrimage through France and Spain in the midst of her battle with cancer in 1986 bearing witness to the power of Christianity at such awe inspiring sites as Lourdes and the forests of the Auvergne

International Perspectives on Pilgrimage Studies John Eade, Dionigi Albera, 2015-04-10 Although research on contemporary pilgrimage has expanded considerably since the early 1990s the conversation has largely been dominated by Anglophone researchers in anthropology ethnology sociology and religious studies from the United Kingdom the United States France and Northern Europe This volume challenges the hegemony of Anglophone scholarship by considering what can be learned from different national linguistic religious and disciplinary traditions with the aim of fostering a global exchange of ideas The chapters outline contributions made to the study of pilgrimage from a variety of international and methodological contexts and discuss what the metropolis can learn from these diverse perspectives While the Anglophone study of pilgrimage has largely been centred on and located within anthropological contexts in many other linguistic and academic traditions areas such as folk studies ethnology and economics have been highly influential Contributors show that in many traditions the study of folk beliefs and practices often marginalized within the Anglophone world has been regarded as an important and central area which contributes widely to the understanding of religion in general and pilgrimage specifically As several chapters in this book indicate folk based studies have played an important role in developing different methodological orientations in Poland Germany Japan Hungary Italy Ireland and England With a highly international focus this interdisciplinary volume aims to introduce new approaches to the study of pilgrimage and to transcend the boundary between center and periphery in this emerging discipline

Nomads on Pilgrimage Isabelle Charleux, 2015-06-29 Nomads on Pilgrimage Mongols on Wutaishan China 1800 1940 is a social history of the Mongols pilgrimages to Wutaishan in late imperial and Republican times In this period of economic crisis and rise of nationalism and anticlericalism in Mongolia and China this great Buddhist mountain of China became a unique place of intercultural exchanges mutual borrowings and competition between different ethnic groups Based on a variety of written and visual sources including a rich corpus of more than 340 Mongolian stone inscriptions it documents why and how Wutaishan became one of the holiest sites for Mongols who eventually reshaped its physical and spiritual landscape by their rites and strategies of appropriation

The Oxford History of Hinduism: Hindu Law Patrick Olivelle, Donald R. Davis, 2017-12-08 Through pointed studies of important aspects and topics of dharma in Dharma shastra this comprehensive collection shows that the history of Hinduism cannot be written without the history of Hindu law Part One provides a concise overview of the literary genres in which Dharmashastra was written with attention to chronology and historical developments This study divides the tradition into its two major historical periods the origins and formation of the classical texts and the later genres of commentary and digest in order to provide a thorough but manageable overview of the textual bases of the

tradition Part Two presents descriptive and historical studies of all the major substantive topics of Dharmasastra Each chapter offers readers with salient knowledge of the debates transformations and fluctuating importance of each topic Indirectly readers will also gain insight into the ethos or worldview of religious law in Hinduism enabling them to get a feel for how dharma authors thought and why Part Three contains brief studies of the impact and reception of Dharmasastra in other South Asian cultural and textual traditions Finally Part Four draws inspiration from critical terms in contemporary legal and religious studies to analyze Dharmasastra texts Contributors offer interpretive views of Dharmasastra that start from hermeneutic and social concerns today Pilgrim Paradigm, The Brouillette, André, 2021 This book aims to explore what pilgrimage has to teach about God the faithful and the Church thereby challenging and enriching theology

Foolishness to Gentiles Michael L. Budde, 2022-01-06 What happens to the Gospel when you put other loyalties into positions of power in Christian life and practice You get deformations distortions and caricatures of Christianity killing in the name of love defense of worldwide systems of domination idolization of the nation instead of the membership in the global body of Christ and baptism of exploitative and destructive economic ideologies You get much of what world sees as contemporary Christianity in other words Too often however the inadequacies of contemporary Christian life especially in the United States are seen as separate issues in need of improvement or reform Foolishness to Gentiles invites readers to see the pathologies of the churches not as a series of disconnected problems but predictable outcomes of deep defects of Christian formation commitments and theology Having mortgaged so much of the integrity of the Gospel in the pursuit of imperial and national citizenship and having allowed the powers of race and capital to divide the unity of the church Foolishness to Gentiles calls Christians into deeper reflection repentance and redirection In a series of essays new and previously unpublished previously unpublished in English and published previously in specialized venues Foolishness to Gentiles opens doors to deeper theological and socio political reflection and some guideposts for more adequate practices of Christian discipleship in a variety of contexts and circumstances Pilgrimages to Saint Mary of Walsingham and Saint Thomas of Canterbury Desiderius Erasmus, 1875 Thérèse and Martin Karin Johannesson, 2023-04-24 The Carmelite nun Therese of the Child Jesus 1873 1897 lived a contemplative monastic life Through her writings she continues to help people who live in completely different contexts to discover that God is always present in the middle of everyday life Like Martin Luther 1483 1546 Therese clearly distances herself from the idea that we can earn our salvation from God This book begins by highlighting the extensive similarities between Therese's teaching and Martin Luther's theology With the help of the three Carmelite Doctors of the Church Therese of the Child Jesus Teresa of Avila 1515 1582 and John of the Cross 1542 1591 the discussion develops further and a receptive ecumenical study is carried out The overall question is how the Carmelite tradition can enrich the Evangelical Lutheran tradition in a way that contributes to the renewal of the church It is argued that such a renewal is of vital importance if people today are to receive the spiritual guidance that they are longing for

On Pilgrimage Jennifer Westwood, 2003 *On Pilgrimage* walks readers through the 12 stages that are common to sacred journeys describing both the spiritual and physical process It features over 60 pilgrimage destinations worldwide and emphasizes both the personal quest and the multicultural and multifaith dimension of sacred travel Full color illustrations

Japanese Religions on the Internet Erica Baffelli, Ian Reader, Birgit Staemmler, 2013-05-13 Japanese Religions on the Internet draws attention to how religion is being presented represented and discussed on the Japanese Internet Its intention is to contribute to wider discussions about religion and the Internet by providing an important example based on one of the Internet s most prominent languages of how new media technologies are being used and are impacting on religion in the East Asian context while also developing further our understandings of religion in a technologically advanced country Scholars studying the relationship of religion and the Internet can no longer work on prevailing notions that have thus far characterised the field such as the assumption that the Internet is a Western centric phenomenon and that studies of English language sites relating to religion can provide a viable model for wider analyses of the topic Despite this growing amount of research on religion and the Internet comparatively little has focused on non Western cultures The general field of study relating to religion and the Internet has paid scant attention to Asian contexts The field needs a full length and comprehensive study that focuses on the Japanese religious world and the Internet not merely to redress the imbalances of the field thus far but also because such studies will be central to the emerging field of the study of religion and the Internet in future They will provide important means of developing new theories constructing new paradigms and understanding the underlying dynamics of this new media form

On Pilgrimage Introduction

In today's digital age, the availability of On Pilgrimage books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of On Pilgrimage books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of On Pilgrimage books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing On Pilgrimage versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, On Pilgrimage books and manuals for download are incredibly convenient. With just a computer or smartphone

and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing On Pilgrimage books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for On Pilgrimage books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, On Pilgrimage books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of On Pilgrimage books and manuals for download and embark on your journey of knowledge?
