## **Pathfinders In The North Pacific:**

**Pathfinders in the North Pacific** Charles Marius Barbeau, Arthur Price, 1958      Pathfinders in the North Pacific  
Marius Barbeau, 1958      **Pathfinders in the North Pacific** Marius Barbeau, 1958      Anthropologica, 2001      **The**  
**Tlingit Indians in Russian America, 1741-1867** A. V. Grinev, 2005-12-01 The Tlingits the largest Indian group in Alaska  
have lived in Alaska's coastal southwestern region for centuries and first met non Natives in 1741 during an encounter with  
the crew of the Russian explorer Alexei Chirikov The volatile and complex connections between the Tlingits and their Russian  
neighbors as well as British and American voyagers and traders are the subject of this classic work first published in Russian  
and now revised and updated for this English language edition Andrei Val terovich Grinev bases his account on hundreds of  
documents from archives in Russia and the United States he also relies on official reports the notes of travelers the  
investigations of historians and ethnographers museum collections atlases illustrations and photographs      The Northwest  
Coast Barry M. Gough, 2011-11-01 The voyages of Cook and Vancouver heralded a vast influx of irrepressible Europeans fur  
traders whalers administrators visitors missionaries miners botanists and sailors people of every class and distinction They  
came to conquer the Pacific its islands and its continents for God gold and glory They brought with them their morals  
ideologies knowledge technology plants and animals They also brought diseases rum and guns They brought with them  
powers to build and powers to destroy from the Epilogue The Northwest Coast was irrevocably changed the day that Captain  
James Cook sailed into Nootka Sound in 1778 Cook's discovery of the sea otter population along the coast initiated the  
maritime fur trade which in turn led to feverish competition among several nations especially Britain Russia and the United  
States as well as the celebrated rivalry between Spain and Britain for control of Nootka By 1812 a toe hold of British empire  
was established and the aboriginal way of life was shattered The Northwest Coast documents Britain's rise to pre eminence  
in this far flung corner of the empire It shows how the relentless activities of its commercial interests the adroit use of its  
naval power and the steely resolve of its diplomats secured British claims to dominion and rights to trade along the  
Northwest Coast Written by a leading maritime scholar and based on fresh research into known manuscripts and printed  
works on Pacific trade and exploration this book incorporates new interpretations on exploration and commercial activity in  
this area It documents the interaction often violent between British sailors and aboriginal people depicts many of the rivalries  
among British mariners and examines various claims to the discovery of the Northwest Passage The Northwest Coast  
significantly expands and updates the author's award winning book Distant Dominion Gough's compelling narrative  
combined with his extensive use of quotations from the journals and correspondence of explorers and merchant traders  
provide insights into the motives and attitudes of these early pioneers of the empire      **Russian Colonization of Alaska**  
Andrei Val'terovich Grin'ev, 2022-10 In this third volume of Russian Colonization of Alaska Andrei Val terovich Grin v  
examines the final period in the history of Russian America from naval officers coming to power in the colonies 1818 to the

sale of Alaska to the United States 1867 During this time in addition to the extraction of furs other kinds of modern production continued to develop in Alaska including shipbuilding cutting and mining of timber and coal and harvesting fish and ice for export Grin v s definitive volume explores how certain economic successes could not prevent the growth of crisis phenomena Due to the low competitiveness of products and the distributive nature of the economy the Russian colonial system could not compete with the dynamically developing Anglo American capitalist colonization Russian Colonization of Alaska is the first comprehensive study to analyze the origin and evolution of Russian colonization based on research into political economy history and ethnography Grin v s study elaborates the social political spiritual ideological personal and psychological aspects of Russian America and accounts for the idiosyncrasies of the natural environment competition from other North American empires Alaska Natives and individual colonial diplomats The colonization of Alaska rather than being simply a continuation of the colonization of Siberia by Russians was instead part of overarching Russian and global history

Becoming Tsimshian Christopher F. Roth, 2011-01-01 The Tsimshian people of coastal British Columbia use a system of hereditary name titles in which names are treated as objects of inheritable wealth Human agency and social status reside in names rather than in the individuals who hold these names and the politics of succession associated with names and name taking rituals have been and continue to be at the center of Tsimshian life Becoming Tsimshian examines the way in which names link members of a lineage to a past and to the places where that past unfolded At traditional potlatch feasts for example collective social and symbolic behavior gives the person to the name Oral histories recounted at a potlatch describe the origins of the name of the house lineage and of the lineage s rights to territories resources and heraldic privileges This ownership is renewed and recognized by successive generations and the historical relationship to the land is remembered and recounted in the lineage s chronicles or adawx In investigating the different dimensions of the Tsimshian naming system Christopher F Roth draws extensively on recent literature archival reference and elders in Tsimshian communities Becoming Tsimshian which covers important themes in linguistic and cultural anthropology and ethnic studies will be of great value to scholars in Native American studies and Northwest Coast anthropology as well as in linguistics **Marius Barbeau's**

**Vitalist Ethnology** Frances M. Slaney, 2023-03-28 This book examines Marius Barbeau s career at Canada s National Museum now the Canadian Museum of History in light of his education at Oxford and in Paris 1907 1911 Based on archival research in England France and Canada Marius Barbeau s Vitalist Ethnology presents Barbeau s anthropological training at Oxford through his meticulous course notes as well as archival photographs at the Pitt Rivers Museum and the Biblioth que et Archives nationales du Qu bec It also draws upon Barbeau s professional correspondence at Library and Archives Canada the BC Archives and above all the National Museum where he worked for over four decades The author Frances M Slaney sheds light on the professional life of this founder of Canadian anthropology exploring his difficult working relationships with Edward Sapir his collaborations with Franz Boas and his outstanding fieldwork in rural Quebec and with Indigenous

communities on British Columbia's Northwest Coast Barbeau penned over 1 000 books and articles in addition to curating innovative museum exhibitions and art shows He invited Group of Seven artists into his field sites convinced that their works could better capture the vitality of Quebec's rural culture than his own abundant photographs For these and many other contributions the Historic Sites and Monuments Board of Canada recognized him as a person of national historic importance in 1985 *Creative Canada*, 1972-12-15 Did he ever play Hamlet Has she worked in television What was the title of his first novel Under whom did she study How many children has he Answers to such questions about contemporary Canadian artists have often been difficult even impossible to find This series has been created to provide the answers it covers creative and performing artists who have contributed as individuals to the culture of Canada in the twentieth century Each volume in the series presents a cross section of many different kinds of artists authors of imaginative works artists and sculptors musicians performers composers conductors and directors and performing artists in ballet modern dance radio theatre television and motion pictures directors designers and producers in theatre cinema radio television and the dance choreographers and for cinema cartoonists and animators Within each category of art is included a selection of those who have achieved national and international recognition those who have been recognized locally and some now deceased who markedly influenced their contemporaries locally nationally or internationally This is not a critical compilation rather it is an objective and factual reference work for those interested in contemporary Canadian culture Information was collected by painstaking research in a wide variety of sources and wherever possible it has been verified by the artist to make each entry as accurate and comprehensive as possible
