Special Vehicles Division 2
is back on duty!

Every cop has a story to tell, but not all of them are safe to share on television. That's especially true in the created world of the Tokyo Metropolitan Police's Special Vehicle Section, because when you toss giant robots into the mix almost anything can happen. A teddy bear holding people hostage and a search for alien alligators may just be typical days on the job, but what about an undercover mission into a public bathroom looking for suspicious models?
