## **Patmos Story A Study Of The Of Revelation:**

*The Patmos Story* William Golden Finlay, 197?      **Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions      Biblical Eschatology: Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emery wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original

languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book      **Reception History and Biblical Studies** Emma

England,William John Lyons,2015-05-21 How do we begin to carry out such a vast task the examination of three millennia of diverse uses and influences of the biblical texts Where can the interested scholar find information on methods and techniques applicable to the many and varied ways in which these have happened Through a series of examples of reception history practitioners at work and of their reflections this volume sets the agenda for biblical reception as it begins to chart the near infinite series of complex interpretive events that have been generated by the journey of the biblical texts down through the centuries The chapters consider aspects as diverse as political and economic factors cultural location the discipline of Biblical Studies and the impact of scholarly preconceptions upon reception history Topics covered include biblical figures and concepts contemporary music paintings children s Bibles and interpreters as diverse as Calvin Lenin and Nick Cave      The

**Great Love Story** Larry L. Lichtenwalter,2008 The Book of Revelation The Apocalypse Words that often call to mind bizarre creatures strange seals dreadful plagues and a slew of other mystifying symbols Most of us approach this last book of the Bible with forebodings rather than hope To us John s vision seems more like a nightmare But the elderly apostle begins with a statement that doesn t seem to fit the rest of the book The revelation of Jesus Christ Apparently he intends to unveil something tremendously important about Jesus Something life changing Something we can t afford to miss Larry Lichtenwalter explores a side of Revelation seldom portrayed Christ s passionate love for humanity This recurring theme subtly appears in the imagery and symbolism throughout John s vision The slain Lamb The divine protective sealing The blood bleached white robes The heart wrenching prayer of the saints Without Christ s love these scenes and symbols would mean nothing Ultimately John s vision reveals the extraordinary love of our Savior for His rebellious undeserving children

and the incredible reasons we can love Him in return      **Vision at Patmos** Catherine Gunsalus González, Justo L. González, United Methodist Church (U.S.). Board of Global Ministries. Education and Cultivation Division, 1978      *Vision at Patmos* Gonzalez,, Justo L. Gonzalez, 2003-11-05      Bibliographies for Biblical Research Watson E. Mills, 1995      **The American Catalogue ... July 1, 1876-Dec. 31, 1910** ,1908      The Revelations of Jesus David Binion, 2023-02-07 John was preserved for a special moment one last assignment Exiled in solitary confinement on the island of Patmos he found himself in the Spirit on the Lord Day it is there when he is given The Revelation of Jesus In the cave of suffering John has his most defining moment an encounter with the once crucified but now risen and reigning      *Prophetic Secrets and the New World Order* David A. Miller, 1998 Did you know the stories in the book of Daniel have a hidden prophetic meaning Prophetic Secrets and the New World Order uses these stories and the prophecies of the book of Revelation to expose the Man of Sin and the mysterious mark of the beast Written in easy to understand language this book is a must for the time in which we live Is there really a worldwide conspiracy Are there secret societies leading us toward a mysterious agenda Are there powers behind the scenes that we should be aware of Is there a world leader either in charge now or soon to take charge of the entire world scene Are there now plans being laid for a one world government What is the New World Order It is the intention of the author to reveal just such a hidden agenda The exposure will be done using the secret clues of Bible prophecy These secrets are hidden to those who do not care to know and yet open to those who choose to investigate

**The American Catalogue** ,1908      *The Story of the Seer of Patmos* Stephen Nelson Haskell, 1977 The book of Revelation pronounces a blessing upon everyone who reads or even hears it read Yet many treat it as a mysterious book that should not be read and cannot be understood S N Haskell has opened the book of Revelation up in an easily read style that explains verse by verse what the various symbols stand for and their relationship to our day Bible texts printed in the margin prove each definition of symbols The verses of Revelation are printed in italics along the margin next to the narrative which explains them to the reader The prophecies of Revelation cover the period of the time from the first advent of Christ to the earth to the earth made new The history of the church is repeated four times in different figures illustrating almost every phase of experience the church will pass through The book of Revelation opens the portals of the city of God and presents to the readers Eden restored This book originally printed in 1905 makes an excellent study book for young and old

**Heavenly Stories** Alexander Kocar, 2021-07-30 Salvation is often thought to be an all or nothing matter you are either saved or damned In the ancient world some figures including Paul the Apostle John of Patmos Hermas the Sethians and the Valentinians did not think this way however For them there were multiple levels of salvation Examining the reasons and implications for why these important thinkers believed that salvation comes in degrees Heavenly Stories offers a fresh perspective on ancient thinking about responsibility especially as it intersects with concerns such as genealogy and determinism It shows why Jews and Christians of various kinds some eventually declared orthodox others heretical correlated

ethics and soteriology and argued over how this should be done By constructing a difference between a lower and higher level of salvation ancient authors devised soteriological hierarchies that could account for ethical imperfections and social differentiation between their communities and outsiders as well as reinforce idealized portrayals of conduct among members of their own groups Alexander Kocar asks how these thinkers identified and described these ethical and social differences among people what commitments motivated them to make such distinctions what were the social effects of different salvific categories and ethical standards and what impact did hierarchically structured soteriologies have on notions of ethical responsibility His findings have repercussions for the study of ancient ethics especially free will and responsibility our understanding of orthodoxy and heresy and scholarly debates surrounding the origins of Christianity as a movement that allegedly transcends ethnic boundaries

*Black Church Studies* Stacey M. Floyd-Thomas, 2007 Religious Studies Over the last thirty years African American voices and perspectives have become essential to the study of the various theological disciplines Writing out of their particular position in the North American context African American thinkers have contributed significantly to biblical studies theology church history ethics sociology of religion homiletics pastoral care and a number of other fields Frequently the work of these African American scholars is brought together in the seminary curriculum under the rubric of the black church studies class Drawing on these several disciplines the black church studies class seeks to give an account of the broad meaning of Christian faith in the African American experience Up to now however there has not been a single comprehensive textbook designed to meet the needs of students and instructors in these classes Black Church Studies An Introduction will meet that need Drawing on the work of specialists in several fields it introduces all of the core theological disciplines from an African American standpoint from African American biblical interpretation to womanist theology and ethics to sociological understandings of the life of African American churches It will become an indispensable resource for all those preparing to serve in African American congregations or to understand African American contributions to the study of Christian faith Looks at the diverse definitions and functions of the Black Church as well as the ways in which race class

religion and gender inform its evolution Provides a comprehensive view of the contributions of African American Scholarship to the current theological discussion Written by scholars with broad expertise in a number of subject areas and disciplines Will enable the reader to relate the work of African American theological scholars to the tasks of preaching teaching and leading in local congregations Will provide the reader the most comprehensive understanding of African American theological scholarship available in one volume Stacey Floyd Thomas Brite Divinity School Juan Floyd Thomas Texas Christian University Carol B Duncan Wilfrid Laurier University Stephen G Ray Jr Lutheran Theological Seminary Philadelphia Nancy Lynne Westfield Drew University Theology Theology and Doctrine Contemporary Theology     **Insights on the Book of Daniel** Alan B. Stringfellow, 2020-12-01 For more than four decades the Bible studies taught by Dr Alan B Stringfellow 1922 1993 brought greater insight into God s Word to thousands of believers Now the author of Through the Bible in One Year and Great Characters of the Bible leads readers on a verse by verse study of the book of Daniel Stringfellow s in depth teaching will bring clarity and understanding to one of the most misunderstood books in Scripture With this study readers will learn How to identify the major themes How to memorize key verses How to recognize God s central message An overview of various interpretations of the book s imagery The role Daniel s prophecies play in the entire biblical story By embarking on this journey believers will discover the influence that the book of Daniel had on the life and literature of the Jewish people throughout the biblical period and all the way to the writers of the New Testament including Jesus Christ Himself who often quoted from it But nowhere is that influence seen as thoroughly as in the writings of the apostle John and parallels that exist with the book of Revelation As in John s prophetic work the book of Daniel describes in beautiful and marvelous language the glorious coming of our Lord Jesus Christ Like John Daniel was sure and certain about the final triumph of the kingdom of God
