Patrick O'Brian A Life:

Patrick O'Brian Dean King, 2012-03-20 DIVA revealing and insightful look at one of the modern world's most acclaimed historical novelists. Patrick O'Brian was well into his seventies when the world fell in love with his greatest creation the maritime adventures of Royal Navy Captain Jack Aubrey and ship's surgeon Stephen Maturin. But despite his fame little detail was available about the life of the reclusive author whose mysterious past King uncovers in this groundbreaking biography. King traces O'Brian's personal history beginning as a London born Protestant named Richard Patrick Russ to his tortured relationship with his first wife and child to his emergence from World War II with the entirely new identity under which he would publish twenty volumes in the Aubrey Maturin series. What King unearths is a life no less thrilling than the seafaring world of O'Brian's imagination.

Patrick O'Brian Dean King, 2004-02-01 Published on the first anniversary of his death this meticulously researched biography delves into the secrecy and confusion surrounding Patrick O'Brian author of the Aubrey Maturin series of novels. O'Brian devotees should rejoice in this account of his life written with appreciative balance rich with literary insight. Los Angeles Times 16 page photo insert.

The Patrick O'Brian Muster Book Anthony Gary Brown, 2015-01-27 Now in its second edition this expanded work catalogs every person animal ship and cannon mentioned by name in the 21 books of Patrick O'Brian's series on the maritime adventures of Jack Aubrey and Stephen Maturin. The novels renowned for their far ranging web of wit and allusion teem with thousands of characters and ships both imaginary and historical. From Master and Commander to 21 The Unfinished Voyage this book distinguishes the fictional from the factual making a useful series companion for the casual reader and the most ardent fans. Each of the more than 5 000 alphabetized entries provides a reference to the novels and chapters in which the topic appears. Additionally biographical notes on the historical figures are included with sources provided in an annotated bibliography.

Patrick O'Brian's Bodies at Sea Michael Leigh Sinowitz, 2014-07-18 An exploration of the complex roles that bodies both literally and figuratively play in the 21 volume Aubrey Maturin series reveals much about the novels many meditations on mind and body. Beginning with a consideration of genre norms and the bodies of the novels main characters the book's focus shifts to the ways the series offers interconnections between the human body and history. More literal considerations of the body examine O'Brian's depictions of drug use particularly the opium addiction that afflicts Stephen Maturin and human sexuality in its many guises. The work then focuses on Desolation Island the fifth novel in the series in light of the discussions above but also in terms of political and psychological tropes that draw upon the relationship of mind and body. Questions are examined about the relationship of reader to author and what sustains such a long narrative and what continues to bring a reader back again and again.
