Nkonzenhle Ndwandwe, 2017-10-20 We find ourselves in a generation where the integrity of the Word of God is compromised in ways that make it challenging to identify the true gospel and set it apart from all the pseudo Christian practices In this era men have granted themselves an authority above scripture and the Word Many practices and giftings have been adopted in the church in the name of the Holy Spirit This book helps us to understand that there is one message committed to the church This would automatically help us to discern every practice and teaching which is not aligned to that of the New Testament church This book also encourages the believer to stick to his/her purpose and to faithfully fulfill their God-given assignment In addition to that the book aims to simplify the pattern of the new testament church as taught in the epistles and it covers various fundamental subjects which affect the proper functioning of the local church Patterns Mel

Lawrenz, 2003 A good pattern progressively builds you up A bad pattern relentlessly erodes your humanity Patterning is a focused commitment to making a few habits and character traits the normal the daily the consistent All life is built in patterns Nature has its orderly patterns from the bee building its honeycomb to the DNA encoded in genes The Bible offers patterns for living a godly life There are also patterns in every human life As children of God we have the power to choose the patterns we wish to follow We can build patterns of behavior into our lives that shape our character form our reputation and determine our satisfaction in life Anything we do in life with any kind of repetition is a life pattern whether it builds us up or tears us down says author and pastor Mel Lawrenz Being unaware of our life patterns is about the biggest gamble any of us can take Patterns looks at two essential sets of biblical patterns that can help you create a God-filled life First come the building blocks of character love joy peace patience kindness goodness faithfulness gentleness and self control Then the book looks at devotion patterns the acts that draw you closer to God such as prayer spiritual reading and worship You'll see how the different patterns relate to one another and how you can become more aware of your own life patterns so you can make a conscious choice to develop a richer more vibrant relationship with God You'll learn how to practice good life patterns that offer a design for spiritual health and strength order for spiritual direction and consistency for an intimate dialogue with God Patterns challenges you to cultivate habits of life deeply rooted in the love and grace of God Lawrenz says The idea of

patterning is that if we follow the designs God has described in great detail if we follow those blueprints and keep steady in those rhythms we will experience life with a fullness and soundness that comes only from God just like building a home according to the plan of a master architect Patterns is a handbook for spiritual development that encourages you to discover the patterns of your own life and how you can nurture God inspired life patterns that build and strengthen your Christian faith
