Patterns Of Housekeeping In Two Eskimo:

Patterns of Housekeeping in Two Eskimo Settlements Charles Thomas Thompson, Northern Science Research Group (Canada), 1969

Anthropocene Feminism Richard Grusin, 2017-03-21 What does feminism have to say to the Anthropocene How does the concept of the Anthropocene impact feminism This book is a daring and provocative response to the masculinist and techno normative approach to the Anthropocene so often taken by technoscientists artists humanists and social scientists By coining and for the first time fully exploring the concept of anthropocene feminism it highlights the alternatives feminism and queer theory can offer for thinking about the Anthropocene Feminist theory has long been concerned with the anthropogenic impact of humans particularly men on nature Consequently the contributors to this volume explore not only what current interest in the Anthropocene might mean for feminism but also what it is that feminist theory can contribute to technoscientific understandings of the Anthropocene With essays from prominent environmental and feminist scholars on topics ranging from Hawaiian poetry to Foucault to shelled creatures to hypomodernity to posthuman feminism this book highlights both why we need an anthropocene feminism and why thinking about the Anthropocene must come from feminism Contributors Stacy Alaimo U of Texas at Arlington Rosi Braidotti Utrecht U Joshua Clover U of California Davis Claire Colebrook Pennsylvania State U Dehlia Hannah Arizona State U Myra J Hird Queen s U Lynne Huffer Emory U Natalie Jeremijenko New York U Elizabeth A Povinelli Columbia U Jill S Schneiderman Vassar College Juliana Spahr Mills College Alexander Zahara Queen s U

Canada's Waste Flows Myra J. Hird, 2021-02-15 From shipments of Canadian waste rotting in developing countries to overflowing landfills and ineffective recycling programs Canada is facing a waste crisis Canadians are becoming increasingly aware that waste is an acute environmental and human health issue and a complex one the solutions to which are often contradictory Canada s Waste Flows is an honest look at the production and movement of Canadian waste from region to region and across the globe and its consequences Through a series of timely empirical case studies the book reveals waste as less of a technological problem and more of a material economic political historical and cultural concern Canada s Waste Flows demonstrates that Canadians are misdirecting their attention to post consumer waste and their responsibility for minimizing it through recycling waste must be understood as a social justice issue and in particular as a symptom of ongoing settler colonialism Through a comparative study of waste management in southern and northern Canadian communities Myra Hird argues that we will only resolve our waste crisis through democratic engagement A critical and compelling book that will generate conversation and incite change Canada s Waste Flows uncovers how Canada s role as a global leader in waste production and export is key to changing Canada s waste future Many Norths Lola Sheppard, Mason White, 2021-07-13 There are many norths in this North Louis Edmond Hamelin 1975 Many Norths Spatial Practice in a Polar Territory charts the unique spatial realities of Canada s Arctic region an immense territory

populated with small dispersed communities The region has undergone dramatic transformations in the name of sovereignty
 aboriginal affairs management resources and trade among others For most of the Arctic s modern history architecture
 infrastructure and settlements have been the tools of colonialism Today tradition and modernity are intertwined Northerners
 have demonstrated remarkable adaptation and resilience as powerful climatic social and economic pressures collide This
 unprecedented book documents through the themes of urbanism architecture mobility monitoring and resources the
 multiplicity of norths that appear and the spatial practices employed to negotiate it Using innovative drawings maps
 timelines as well as essays and interviews Many Norths reveals a distinct northern vernacular **Catalog of the Avery**
