Nicolò Conti, Francesco Marangoni

Patterns Of Parliamentary Behaviour Passage Of Legislation Across Western:

Patterns of Parliamentary Behavior Herbert Döring, 2017-03-02 This volume begins where the first D ring book of 1995 finished by considering what effects the rules had on legislative output during the same period It addresses four distinct yet complementary research topics the connection between a number of veto players and law production in West European parliamentary democracies the impact of closed versus open rules the effects of committee structure and organization on the degree of conflict or consensus on the procedure of passing legislation the importance of agenda setting and agenda control for the prevention of cycling across issues and the distribution of particular benefits of shifting and transient majorities Fundamental to this volume is the ability of the project group to fashion an original data set As a consequence this volume is able to ascertain the extent to which parliamentary procedures contributed to shaping policy output in this field during the 1980s

Parliaments in Time Michael Koß, 2018-11-22 Comparative Politics is a series for researchers teachers and students of political science that deals with contemporary government and politics Global in scope books in the series are characterized by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit www.ecprnet.eu The series is edited by Emilie van Haute Professor of Political Science Universit libre de Bruxelles Ferdinand M ller Rommel Director of the Center for the Study of Democracy Leuphana University and Susan Scarrow John and Rebecca Moores Professor of Political Science University of Houston How can we explain the evolution of legislatures in Western Europe This book analyses ninety procedural reforms which restructured control over the plenary agenda and committee power in Britain France Sweden and Germany between 1866 and 2015 Legislatures evolve towards one of two procedural ideal types talking where governments control the agenda or working legislatures with powerful committees All else being equal legislators demand for mega seats on legislative committees triggers the evolution of working legislatures If however legislators fail to centralize agenda control in response to anti system obstruction legislative procedures break down Rather than a decline of legislatures talking legislatures accordingly indicate the resilience of legislative democracy In conclusion the book shows the causal nexus between procedural reforms and legislative democracy

New Parties in Government Kris Deschouwer, 2008-02-08 This volume is a unique exploration of European political parties making the move towards government for the first time

The Oxford Handbook of Legislative Studies Shane Martin, Thomas Saalfeld, Kaare W. Strøm, 2014-06-19 Legislatures are political bodies essential to democracy and the rule of law They present social scientists with numerous intriguing puzzles with far reaching implications for our understanding of political institutions Why and how have these ancient assemblies established in pre democratic times survived the transition to mass democracies How have they adapted How do they structure such processes as budgeting legislation and executive oversight How do their members get selected and what consequences flow from differences in these rules What roles do committees and political parties play in contemporary legislatures What

functions do legislatures perform in autocratic semi democratic or recently democratized societies What explains the similarities and differences in legislative rules powers and recruitment What are the policy and other consequences of variation in how legislatures are organized and function The 33 chapters in The Oxford Handbook of Legislative Studies written by 47 of the most distinguished legislative scholars provide a comprehensive and up to date description and assessment of the state of the art in legislative studies Key themes explored include theoretical paradigms and methodological approaches to the study of legislatures representation and legislative careers internal organization the role of parties within legislatures and the role of legislatures in policy making and accountability The Handbook also explores the emergence of parliaments in historical and contemporary contexts including new democracies and trans national institutions

Politics in the Republic of Ireland John Coakley, Michael Gallagher, Eoin O'Malley, Theresa Reidy, 2023-08-31 Building on the success of previous editions Politics in the Republic of Ireland continues to provide an authoritative introduction to all aspects of government and politics in this seventh edition Written by some of the foremost experts on Irish politics it explains analyses and interprets the background to Irish government and contemporary political processes It devotes chapters to every aspect of contemporary Irish government and politics including the political parties and elections the constitution deliberative democracy referendums the Taoiseach and the governmental system women and politics the position of the Dáil and Ireland's place within the European Union Bringing readers up to date with the very latest developments especially with the upheaval in the Irish party system and the implications of recent liberalising referendums the seventh edition combines substance with a highly readable style providing an accessible book that meets the needs of all those who are interested in knowing how politics and government operate in Ireland

Patterns of Parliamentary Behavior Herbert Döring, Mark Hallerberg, 2004 This volume begins where the first Döring book of 1995 finished by considering what effects the rules had on legislative output during the same period Fundamental to this volume is the ability of the project group to fashion an original data set As a

European Security in NATO's Shadow Stephanie C. Hofmann, 2013-01-03 This book asks why European countries tried to build a security institution outside of NATO emphasising the influence of political party ideologies

Comparative Policy Agendas Frank R. Baumgartner, Christian Breunig, Emiliano Grossman, 2019 Government attention is limited And there is strong competition for this limited attention Parties interest groups or the media permanently try to influence the government agenda This book provides original insights into the processes and forces driving attention from one issue to another It builds on data from more than fifteen countries that has been collected over a period of over fifteen years following strictly equivalent research protocols The book presents original cross country analyses of these processes and outlines directions for future research

The EU Timescape Klaus Goetz, Jan-Hinrik Meyer-Sahling, 2013-09-13 The manner in which time is institutionalized is critical to how a political system works Terms time budgets and time horizons of collective and individual political actors rights over timing sequencing and speed in decision making and the temporal

properties of policy matter to the distribution of power efficiency and effectiveness of policy making and democratic legitimacy This book makes a case for the systematic study of political time in the European Union EU both as an independent and a dependent variable and highlights the analytical value added of a time centred analysis The book discusses previous scholarship on the institutionalization of political time and its consequences along the dimensions of polity politics and policy reviews dominant perspectives on political time which centre on power system performance and legitimacy and presents case studies that illustrate the importance of time in the governance of the EU This book was originally published as a special issue of Journal of European Public Policy The Oxford Handbook of Time and Politics Klaus Goetz, 2024 The Oxford Handbook on Time and Politics is the first major publication that surveys time centered research in political science across its sub disciplines As such it integrates and consolidates an emergent body of knowledge but also aims to inspire future scholarship The Handbook highlights that paying systematic attention to time in political analysis yields questions and insights that are of relevance to a very broad range of political scientists working within different theoretical methodological and epistemological traditions The Handbook covers comparative politics and government public policy international relations and political theory Its authors are drawn from more than a dozen countries Core Executive and Europeanization in Central Europe R. Zubek, 2008-03-31 Given the European Union's comprehensive influence over accession states in Central Europe the full adoption of the *acquis communautaire* prior to enlargement seemed a guaranteed outcome By studying EU rule adoption in Poland Hungary and the Czech Republic this book finds that successful legal alignment was in fact contingent on institutional reform within national core executives Reinforcement of the core executive vis vis ministerial departments ensured timely and accurate rule adoption while a weak core executive resulted in uneven and incomplete legal change Besides contributing to a better understanding of the dynamics of national adaptation during the Eastern enlargement the book lays the foundations for explaining post accession compliance in the new EU member states **Reform Processes and Policy Change** Thomas König, George Tsebelis, Marc Debus, 2010-08-17 George Tsebelis veto players approach has become a prominent theory to analyze various research questions in political science Studies that apply veto player theory deal with the impact of institutions and partisan preferences of legislative activity and policy outcomes It is used to measure the degree of policy change and thus reform capacity in national and international political systems This volume contains the analysis of leading scholars in the field on these topics and more recent developments regarding theoretical and empirical progress in the area of political reform making The contributions come from research areas of political science where veto player theory plays a significant role including positive political theory legislative behavior and legislative decision making in national and supra national political systems policy making and government formation The contributors to this book add to the current scholarly and public debate on the role of veto players making it of interest to scholars in political science and policy studies as well as policymakers worldwide *The Role of Governments in*

Legislative Agenda Setting Bjorn Erik Rasch, George Tsebelis, 2013-07-04 With a strong comparative framework this book examines fourteen countries with parliamentary or semi presidential systems of government to provide a detailed investigation into the mechanisms by which governments determine the agendas of their parliaments

The Extreme Right in Europe Uwe Backes, Patrick Moreau, 2011-12-07 The present work deals not only with the well organized right extremism in modern Europe as well as with its function in proper political parties but equally includes two additional broader approaches the militant branches and subcultures that exist including some paramilitary phenomena in Eastern Europe and the broad realm of their political ideas and cultural trends and the influence they exert on European political culture

The Oxford Handbook of Danish Politics Peter Munk Christiansen, Jørgen Elklit, Peter Nedergaard, 2020 The Oxford Handbook of Danish Politics provides the most comprehensive and thorough English language book on Danish politics ever written It features chapters by 50 leading experts who have contributed extensively to the field they write about Why is Denmark an interesting topic for a Handbook In some respects Danish political institutions and political life are very similar to that of other small North European countries such as the other Scandinavian countries and Netherland However in other respects Danish politics is interesting in its own right For instance Denmark has a world record in minority governments According to standard scholarly knowledge this should result in unstable governments and a bad economy This is not the case however since Denmark has a rather stable political system and a strong and robust economy among the strongest in Europe How The Danes have continued reservations towards the EU despite close to 50 years of EC EU membership and the Danes rejected the Maastricht Treaty in 1992 Still the EU issue is handled in ways that do not call for large political battles How A third example is that Denmark used to be known as a tolerant and liberal society its Jews were almost all saved during German occupation during WWII Denmark was the first country to free pornography and the first country to formally register same sex couples Yet recent Danish politics has also been associated with xenophobia and anti Muslim sentiments Why

Multi-Level Regulation in the Telecommunications Sector D. Aubin, K. Verhoest, 2016-04-30 Through a comparison of the telecommunications sectors in four small EU countries an outstanding cast of contributors explore how regulatory authorities at international EU national and regional level within and between sectors coordinate their regulatory decisions in order to provide coherent regulation of markets

The Challenge of Coalition Government Nicolò Conti, Francesco Marangoni, 2014-12-17 Since the advent of the Second Republic in Italy in the mid 1990s a new generation of politicians has announced a shift in the system toward greater governmental leadership policy innovation government accountability and responsiveness to the citizens Yet in recent years government has experienced frequent crises and deadlocks policy blockades and undisciplined parliamentary majorities Has the attempt to change the nature of the Italian government totally failed This book addresses this question by empirically assessing and theoretically evaluating the outcomes of the new system It asks whether there has really been a shift toward a more majoritarian democracy and examines why alternation in

power has failed to produce a more efficient and responsive government It evaluates the connections between cabinet parliament parties and citizens and in doing so brings together diverse areas of inquiry such as government legislative party and public opinion studies Drawing from comparative theory but also considering the impact of country specific determinants it explains the very nature of the Italian government from the point of view of its achievements and its failures This text will be of key interest to scholars and students of government comparative and Italian politics and more broadly those with an interest in government democracy and Italy

Disaster and Crisis Management Naim Kapucu, Arjen Boin, 2017-10-02 A wide range of natural hazards pose major risks to the lives and livelihoods of large populations around the world Man made disasters caused by technological failures industrial accidents spillages explosions and fires compound this threat Since 9 11 security threats based on violence terrorism insurgency and civil strife have attracted much governmental attention and a great deal of public resources As the scale frequency and intensity of disasters and crises have dramatically increased over the last decade the failures in responding to these crises have prompted a critical need to evaluate the way in which the public sector responds to disaster What have we learned What has changed in the management of disasters and crises What do we know about the causes patterns and consequences of these events This book looks at some of the approaches that can be taken to empirically examine disaster and crisis management practices It contributes to the literature on crisis and disaster management as well as social policy and planning Introducing approaches that are applicable to a variety of circumstances in the U S and in other countries it offers ways to think through policy interventions and governance mechanisms that may enhance societal resilience This book was originally published as a special issue of Public Management Review

The Impact of Legislatures Philip Norton, 2020-09-10 The Impact of Legislatures brings together key articles and path breaking scholarship published in The Journal of Legislative Studies during its first 25 years of publication enabling the reader to make sense of the impact of legislatures in the modern world Encompassing theory comparative analysis and county based empirical studies the volume examines the impact of legislatures as the key representative institutions of nations addressing their relationships both to government and to the people Legislatures are ubiquitous They provide legitimacy to measures of public policy and to government As such they are key to how a nation is governed But they do much more than confer legitimacy They are generally multi functional and functionally adaptable bodies and are an essential link between citizen and government However scholarship on them has not been extensive and has often been descriptive and country specific limiting the capacity to make sense of them as a particular species of institution The chapters in this volume reflect scholarship that helps the reader appreciate the significance of the place and consequences of legislatures examining not only the relationship between the legislature and the executive but also the oft neglected relationship between legislatures and the people Reflecting the growing body of research in the field of legislative studies carried by The Journal of Legislative Studies since its inception in 1995 The Impact of Legislatures is essential reading for anyone wishing to

understand the impact of legislatures in the world today *Parliaments and Legislative Activity* Martin Brunner, 2012-10-10

Martin Brunner aims at solving the puzzle of why opposition parties or government backbenchers propose legislation even though the chance to influence policy outcomes in this manner is almost nil. He argues that instead of influencing policies directly, most parliamentary bills serve different purposes. They are used in order to signal own policy positions and to show alternatives to government policies. Or they point at topics that rank high on the public agenda but low on the government agenda. They can also be a means for individual Members of Parliament to build up an independent personal profile. Using formal models and comparative empirical evidence from Belgium, France, Germany, and the United Kingdom, the author shows that parliamentary initiatives of opposition and backbenchers are not simply much ado about nothing but the result of vote seeking motivations.

Patterns Of Parliamentary Behaviour Passage Of Legislation Across Western Book Review: Unveiling the Magic of Language

Patterns Of Parliamentary Behaviour Passage Of Legislation Across Western Introduction

In the digital age, access to information has become easier than ever before. The ability to download Patterns Of Parliamentary Behaviour Passage Of Legislation Across Western has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Patterns Of Parliamentary Behaviour Passage Of Legislation Across Western has opened up a world of possibilities. Downloading Patterns Of Parliamentary Behaviour Passage Of Legislation Across Western provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Patterns Of Parliamentary Behaviour Passage Of Legislation Across Western has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Patterns Of Parliamentary Behaviour Passage Of Legislation Across Western. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Patterns Of Parliamentary Behaviour Passage Of Legislation Across Western. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors,

publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Patterns Of Parliamentary Behaviour Passage Of Legislation Across Western, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Patterns Of Parliamentary Behaviour Passage Of Legislation Across Western has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Patterns Of Parliamentary Behaviour Passage Of Legislation Across Western Books
