Paul Charles Kingsley Barrett,1994 *Paul, an Introduction to His Thought* C. K. Barrett, *Paul* Charles Kingsley Barrett,1994 This volume takes the reader back to the early days of Christianity The writings of St Paul comprise a large part of the New Testament and they lay the foundations on which much Christian thinking came to be built This is a guide to the thinking of Paul and those influenced by him **Paul and his Theology** Stanley E. Porter,2006-11-01 Does Paul have a theology If so what is it or rather what is it on various topics that he and the early Church confronted This volume moves beyond the traditional discussion of whether Paul had a center to his theology to raise questions regarding his perspective on a number of important theological issues These issues include his gentile mission the concepts of faith grace and the law reconciliation the temple eschatology miracles gender and Paul s trinitarian tendencies This collection of essays addresses topics of current interest in the study of Paul s theology not to arrive at the center of his thought but to understand what factors helped to center his thinking on a variety of important theological concerns The Paul Quest Ben Witherington III,2001-10-22 Ben Witherington III examines the various profiles of the historical Paul that have been newly discovered revealing how a reacquaintance with the classical Roman world has filled in even more details of Paul s life and work

Paul and the New Perspective Seyoon Kim,2001-11-08 Understanding Paul and his conversion to Christianity is imperative for a thorough knowledge of the New Testament In *Paul and the New Perspective* Seyoon Kim develops his argument that the origin of Paul s gospel lies in two places his radical conversion at Damascus and his usage of the Jesus tradition in light of Damascus This new way of looking at Paul further explains how Paul made strong distinctions between the Spirit and the flesh law with further implications for his doctrine of justification A departure from the New Perspective School represented by James D G Dunn Kim s *Paul and the New Perspective* offers a thorough and extensive argument for the foundation of the gospel that Paul spread in the first century The People's New Testament Commentary M. Eugene Boring,Fred B. Craddock,2010-01-25 M Eugene Boring and Fred B Craddock present this new one volume commentary on the New Testament Writing from the fundamental conviction that the New Testament is the people s book Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship Their work clarifies matters of history culture geography literature and translation enabling people to listen more carefully to the text This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible *Paul: Jew, Greek, and Roman* Stanley E. Porter,2009-01-31 What does it mean to study Paul the Apostle as Jew Greek and Roman The framing of the question exposes the fact that the distinctions themselves involve a complex of ethnic social and cultural designations Paul is both a complicated individual of the ancient world because he combines in his one personage features of life in each of these cultural ethnic and even religious areas of the ancient world and one of many people of that world who evidenced such complexity This volume Paul

Jew Greek and Roman explores a number of the important and diverse cultural ethnic and religious dimensions of the multifaceted background of Paul the Apostle Some of the treatments are focused and specific while others range over the broad issues that go to making up the world of the Apostle
