Paul's Necessary Sin Timothy Ashworth,2016-12-05 How can we know today what was happening in the minds and hearts of Paul and the first Christians so long ago By getting below the surface of Paul s theology the consistent key elements of early Christian experience are revealed in a way that throws light on the meaning of powerful religious experiences and movements both in the past and today Illuminating for those who have never read a word on Paul yet disturbing and provocative for biblical scholars this book tackles the topic of the religious experience of Paul and the first Christians Lacking authentic knowledge of Paul s liberating experience generations of translators and interpreters have inevitably and sometimes clumsily obscured Paul s meaning In this book the scholarly accusation that Paul is incoherent is turned upside down to show how uncritically accepted ways of translating Paul mislead today s reader and introduce a mystifying complexity into scholarship on Paul Taking the reader step by step through a painstaking restoration of the meaning of Paul s text the colour and form of Paul s original vision are revealed Harvest Belva Plain,2014-08-06 With the rich threads of
