Paul Meets Muhammad:

Paul Meets Muhammad Michael R. Licona, Mike Licona, 2006-02 A creative out of the box approach to examining the validity of Christ's resurrection from the virtual perspectives of two religious heavyweights *The Resurrection and Its Apologetics* Michael J. Alter, 2024-03-21 Christians believe that Jesus is the Messiah and the Savior of the human race who died for the sins of humanity on the cross 1 Cor 15:3 The next verse adds the essential that he was buried that he was raised on the third day in accordance with the Scriptures In *Jesus Death and Burial* Michael Alter critically surveys the writings of leading Christian apologists about Jesus death and burial and then explains why detractors and skeptics cannot accept the New Testament claim that Jesus died on the cross and received a tomb burial *The Resurrection and Its Apologetics* is an in depth series that significantly contributes both to the academic and non academic world reviewing and analyzing the most salient claims put forward in defense of Jesus death burial and bodily resurrection from the dead *Narratives in Conflict* Matthew Aaron Bennett, 2019-11-18 Did Jesus die on the cross for our sins as the Gospels describe Or as Muslims often contend was Jesus rescued to heaven in order to avoid the shameful crucifixion that would be unbecoming of a messenger of God This debate has raged for generations and has caused no shortage of frustration among those seeking to explain the central teaching of the Christian faith to those influenced by the Qur'an What this book aims to do is uncover four barriers to understanding the biblical teaching on atonement that likely exist in the minds of our Muslim friends prior to asking about the historical reality of the Christ event What we will discover is that the Qur'an diverges from the biblical teaching on atonement at the lexical ritual narrative and worldview levels Each of these points of divergence presents a barrier to communication Therefore before arguing with our Muslim friends that Jesus died on the cross we must provide an answer to the prior question why would it matter This book argues that the Letter to the Hebrews provides a particularly helpful biblical starting point for overcoming all four barriers *Paul as a Problem in History and Culture* Patrick Gray, 2016-04-19 As one of the most significant figures in the history of Western civilization the apostle Paul has influenced and inspired countless individuals and institutions But for some he holds a controversial place in Christianity This engaging book explores why many people have been wary of Paul and what their criticisms reveal about the church and the broader culture Patrick Gray brings intellectual and cultural history into conversation with study of the New Testament providing a balanced account and assessment of widespread antipathy to Paul and exploring what the controversy tells us about ourselves *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often

requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
