Copyright Office,1977 **The Star and the Cross** Leonard Traines,2005-07-27 This book is a love story that relates how two young people of different religions came together and overcame the differences to enter a happy and loving marriage When I first conceived the idea of writing it was to expound on the subject of anti Semitism I soon learned the amount of books on this old subject was monumental and so I decided to turn it into fiction However within the context of the book I endeavor to bring out the messages I wish to express to anyone willing to read this Hatred has become vogue and it has spread across the modern world with a vengeance not seen in many a year I have been astounded at the gullibility of people who subscribe to hate and the injustices they are able to commit in its name My primary focus although on anti Semitism has been embellished by knowledge of modern day genocide in many more countries than one would imagine I have included some of this information in the text Some of the killing especially in Africa has subsided but hatreds are popping up anew in other areas In Russia for example ethnic people of darker skin are being attacked and in some cases murdered by thugs who have nothing better to do with their lives The most visible and the largest hate group appears to be the militant Muslims who see the entire world under Islam The lies being taught to their young will be a very long time in dying if ever As usual it is America America the beautiful who is leading the fight against terrorism throughout the world but it is an uphill battle Politics here at home as well as world politics and greed make the task more difficult One would think as the world grows smaller and becomes more global in the relationships of the worlds countries to each other that there would be more enlightenment However it seems we keep making the same mistakes over and over again I want to believe in the All Mighty that there is a whatever watching over us and interceding when man goes too far with evil actions Perhaps God is very present and doing His thing but we dont recognize or understand it Perhaps the Lord moves in mysterious ways his wonders to perform Until I am convinced he is not there Ill go on believing because I want him to be there for us No one religion is all right or all wrong Consequently we must not harbor in our hearts hatred for those who are different from us for they are our brothers My wish my prayer is to bring the world to its senses and I only wish I could live to see the day when man will accept man as his brother and when they will beat their swords into pruning hooks and plowshares Then and then only hatred will die and there will be no more wars *Federal Energy Regulatory Commission Reports* United States. The Faults of the Owens Valley Sid Gardner, 2009-12

The Faults of the Owens Valley is both a murder mystery and reflections on the history of the Owens Valley. A serial killer disrupts the lives of the major characters but the landscape and the history of the Valley are also major forces including the water wars tensions among tribal communities and waves of later immigrants and conflicts between the environment and economic development. The major characters two sheriff's deputies a local businessman and restaurant owner a minister a truck repairman and a high school teacher respond in different ways to the killings which eventually threaten their own lives and livelihood. The killer skillfully plays on Valley residents hopes and fears leading to an explosive conclusion. The historic events of the Bishop Creek battle of 1862 the Aqueduct and Manzanar are all highlighted in the book's geography.
